Lies T. M. Logan, 2018-09-11 “Assured, compelling, and hypnotically readable—with a twist at the end I guarantee you won’t see coming” (New York Times bestselling author Lee Child), T. M. Logan’s debut psychological thriller dissects a troubled marriage straight to the marrow as one man separates the truth from the Lies... Six days ago, Joe Lynch was a happily married man, a devoted father, and a respected teacher living in a well-to-do London suburb. But that was before he spotted his wife’s car entering a hotel parking garage. Before he saw her in a heated argument with her best friend’s husband. Before Joe confronted the other man in an altercation where he left him for dead, bleeding and unconscious. Now, Joe’s life is unraveling. His wife has lied to him. Her deception has put their entire family in jeopardy. The man she met at the hotel has vanished. And as the police investigate his disappearance, suspicion falls on Joe. Unable to trust the woman he loves, Joe finds himself at the mercy of her revelations and deceptions, unsure of who or what to believe. All he knows is that her actions have brought someone dangerous into their lives—someone obsessed with her and determined to tear Joe’s world apart. What if your whole life was based on LIES?

Hidden Pictures Jason Rekulak, 2022-05-10 NATIONAL BESTSELLER · OPTIONED FOR NETFLIX BY A PRODUCER OF THE BATMAN GOODREADS CHOICE AWARD WINNER “I loved it. —Stephen King From Edgar Award-finalist Jason Rekulak comes a wildly inventive spin on the supernatural thriller, for fans of Stranger Things and

Riley Sager, about a woman working as a nanny for a young boy with strange and disturbing secrets. Mallory Quinn is fresh out of rehab when she takes a job as a babysitter for Ted and Caroline Maxwell. She is to look after their five-year-old son, Teddy. Mallory immediately loves it. She has her own living space, goes out for nightly runs, and has the stability she craves. And she sincerely bonds with Teddy, a sweet, shy boy who is never without his sketchbook and pencil. His drawings are the usual fare: trees, rabbits, balloons. But one day, he draws something different: a man in a forest, dragging a woman's lifeless body. Then, Teddy's artwork becomes increasingly sinister, and his stick figures quickly evolve into lifelike sketches well beyond the ability of any five-year-old. Mallory begins to wonder if these are glimpses of a long-unsolved murder, perhaps relayed by a supernatural force. Knowing just how crazy it all sounds, Mallory nevertheless sets out to decipher the images and save Teddy before it's too late.

Love and Rage Lama Rod Owens, 2020-06-16 A LOS ANGELES TIMES BESTSELLER In the face of systemic racism and state-sanctioned violence, how can we metabolize our anger into a force for liberation? White supremacy in the United States has long necessitated that Black rage be suppressed, repressed, or denied, often as a means of survival, a literal matter of life and death. In *Love and Rage*, Lama Rod Owens, coauthor of *Radical Dharma*, shows how this unmetabolized anger--and the grief, hurt, and transhistorical trauma beneath it--needs to be explored, respected, and fully embodied to heal from heartbreak and walk the path of liberation. This is not a book about bypassing anger to focus on happiness, or a road map for using spirituality to transform the nature of rage into something else. Instead, it is one that offers a potent vision of anger that acknowledges and honors its power as a vehicle for radical social change and enduring spiritual transformation. *Love and Rage* weaves the inimitable wisdom and lived experience of Lama Rod Owens with Buddhist philosophy, practical meditation exercises, mindfulness, tantra, pranayama, ancestor practices, energy work, and classical yoga. The result is a book that serves as both a balm and a blueprint for those seeking justice who can feel overwhelmed with anger--and yet who refuse to relent. It is a necessary text for these times.

La protección de la intimidad y vida privada en internet: la integridad contextual y los flujos de información en las redes sociales (2004-2014)

Amaya Noain Sánchez,2016-05-01 Las redes sociales se han convertido en una

herramienta de comunicación y contacto habitual para millones de personas en todo el mundo. De hecho, se calcula que más de un 75% de las personas que se conectan habitualmente a Internet cuentan con al menos un perfil en una red social. La autora plantea en el texto si las empresas propietarias de estos servicios ofrecen una información suficiente a los usuarios sobre qué datos recogen, para qué los van a utilizar y si van a ser cedidos a terceros. En una reflexión posterior, propone como posibles soluciones el hecho de que estas empresas pudieran implantar directrices técnicas compartidas y una adaptación normativa, fundamentalmente con la privacidad desde el diseño, la privacidad por defecto y el consentimiento informado. Así, el resultado sería un sistema de información por capas, en el que el usuario fuera conociendo gradualmente las condiciones del tratamiento de su información personal. Este libro explica el funcionamiento de una red social, comenzando por la creación del perfil de usuario en el que se suministran datos, y analiza cómo la estructura del negocio está basada en la monetización de los datos personales, con sistemas como el targeting (catalogando al usuario según sus intereses, características y predilecciones) y el tracking down (cruzando información dentro y fuera de la red). La autora distingue entre intimidad y vida privada, introduciendo conceptos como TIC, Internet, sociedad de la información, web 2.0 y redes sociales, con la teoría de los seis grados de separación y sus características, historia y orígenes. Plantea la evolución de la distinción entre espacio público y privado, y la relatividad de las

teorías actuales, estudiando también la evolución del comportamiento de los usuarios y hasta qué punto pueden estos desarrollar estrategias de autoprotección.

Dispossession Catherine Wanner, 2023-12-12 This volume examines Russia's war on Ukraine. Scholars who have lived through the Russian invasion or who have conducted ethnographic research in the region for decades provide timely analysis of a war that will leave a lasting mark on the twenty-first century. Using the concept of dispossession, this volume showcases some of the novel ways violence operates in the Russian-Ukrainian war and the multiple means by which civilians, within the conflict zone and beyond, have become active participants in the war effort. Anthropological perspectives on war provide on-the-ground insight, historically informed analysis, and theoretical engagement to depict the experiences of dispossession by war and the motivations that drive the responses of the dispossessed. Such perspectives humanize the victims even as they depict the very inhumanity of war. *Dispossession* is geared towards upper-level undergraduate and graduate students, scholars, and the general reader who seeks to have a deeper understanding of the Russian-Ukrainian war as it continues to impact geopolitics more broadly.

Forever Wilde in Aster Valley Lucy Lennox, 2021-11-16 When Miller Hobbs finds himself on a winter vacation in Colorado with the giant, exceedingly loud, Marian and Wilde families, he doesn't quite know what to do with himself. He's not really a Marian or a Wilde despite having DNA ties to both. So every morning before the rest of the family wakes up and fills Rockley Lodge with holiday merriment (and noise), he escapes to the quaint downtown of Aster Valley where he spies a man through the bakery window kneading dough

and dancing to music only he can hear. Miller is entranced by the dancing baker, and when Darius looks up and catches Miller staring, the interest suddenly goes both ways. Can two strangers find love among the quaint chaos of an Aster Valley Christmas? Even if it includes the two most overwhelming and meddling families vying for the title of greatest matchmakers of all time?

Ghost of Lies Alice Winters, 2021-10-19 Hiro Though I was born with the ability to see the dead, I struggled with it until my brother was killed and his ghost was left behind. Now, I'm determined to figure out who is responsible for his death... the problem is that Detective Maddox Booker, the one working the case, is a grumpy and stubborn man who wants nothing to do with me and definitely doesn't believe in ghosts. It doesn't help that I keep finding myself looking ridiculous in front of the detective, thanks to interfering ghosts who enjoy laughing at my expense. Still, the more I'm around Maddox, the more I realize that beneath that surly exterior is a kind and caring man who will do anything to help. Maddox When another man dies, I know we have a serial killer on our hands-the same murderer who has remained elusive for a year and a half. To add to my frustration, I keep running into Hiro at crime scenes only to hear him claim that he can talk to ghosts. The words of the dead could lead us to the serial killer and even tell us who is next, but ghosts? There's no such thing as ghosts. Hiro is determined and charming, and no matter what I do, I can't stop letting him get involved.

He's definitely snagged my attention, but when he nearly winds up dead, I know he's getting closer to the truth-and if I don't do something soon, he might be next. Ghost of Lies is full of action, mystery, humor, and romance. Though more is planned for this couple, the mystery is solved and there is a happy ending.
