

Standard Examiner Classifieds 11

United States. Congress. House. Office of the Clerk

A Partial Bibliography of Source Material on Weber County and Ogden City, Utah

Federal Writers' Project (Utah),1938

The Fifth Massachusetts Colored Cavalry in the Civil War Steven M. LaBarre,2016-07-19 In January 1863, a long-anticipated military order arrived on the desk of Massachusetts Governor John Andrew. President Lincoln's secretary of war, Edwin Stanton, had granted the governor authority to raise regiments of black soldiers. Two units--the 54th and 55th Massachusetts Infantry--were soon mustered and in December, Andrew issued General Order No. 44, announcing a Regiment of Cavalry Volunteers, to be composed of men of color...is now in the process of recruitment in the Commonwealth. Drawing on letters, diaries, memoirs and official reports, this book provides the first full-length regimental history of the Fifth Massachusetts Cavalry--its organization, participation in the Petersburg campaign and the guarding of prisoners at Point Lookout, Maryland, and its triumphant ride into Richmond. Accounts of the postwar lives of many of the men are included.

Failing Newspaper Act United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly,1967 Considers S. 1312, to exempt from the antitrust laws certain combinations and arrangements necessary for the survival of failing newspapers. Includes report Newspaper Monopolies and the Antitrust Laws, a Study of the Failing Newspaper Act; by International Typographical Union, 1967 (p. 125-172).

Report of the Clerk of the House from United States. Congress. House. Office of the Clerk,1995 Covers receipts and expenditures of appropriations and other funds.

Newspaper Publicity for the Public Schools Rollo George Reynolds,1922

From Urban Legends to Political Fact-Checking William Aspray,James W. Cortada,2019-08-12 This

text presents an historical examination of political fact-checking, highlighting how this is part of a larger phenomenon of online scrutiny that manifests itself in multiple forms. Reflecting the long history of “fake facts” in America, the book discusses important developments in this area from the emergence of the public Internet in the 1990s to the start of the Trump-Clinton presidential election campaigns. Topics and features: describes how some of the major players in political fact-checking began with the purpose of scrutinizing and debunking of urban legends; considers how this was part of a wider culture, encompassing B-grade horror movies, truth-or-fiction television shows, and groups warning about computer viruses; explains how such developments are connected, revealing political fact-checking as one of many forms of scrutiny applied in the face of a complex, dangerous world; provides a range of detailed case studies, covering such topics as the rumors surrounding the 9/11 terrorist attacks, and academic interest in contemporary legends; discusses how pre-Internet technologies such as bulletin boards, Usenet, and proprietary online service providers such as CompuServe and AOL were used to both disseminate and debunk urban legends; examines the rise of political fact-checking, reviewing all of the major initiatives in this area undertaken in the United States. This timely study touches on issues of popular culture and major events, and offers profiles of colorful individuals and organizations, and as such will appeal to a broad audience interested in the history of fact-checking and efforts to protect the political process from falsehoods.

Audience Feedback in the News Media Bill Reader, 2015-02-11 As long as there has been news media, there has been audience feedback. This book provides the first definitive history of the evolution of audience feedback, from the early newsbooks of the 16th century to the rough-and-tumble online forums of the modern age. In addition to tracing the historical development of audience feedback, the book considers how news media has changed its approach to accommodating audience

participation, and explores how audience feedback can serve the needs of both individuals and collectives in democratic society. Reader writes from a position of authority, having worked as a letters to the editor editor and has written numerous research articles and professional essays on the topic over the past 15 years.

Community Newspapers and the Japanese-American Incarceration Camps Ronald Bishop,2015-06-03 Community Newspapers and the Japanese-American Incarceration Camps examines the rhetoric and journalistic approach of the local papers and how they informed the communities just outside their walls. This book will appeal to scholars of history and journalism.

Hollywood Musicals You Missed Edwin M. Bradley,2020-06-08 Pre-World War II Hollywood musicals weren't only about Astaire and Rogers, Mickey and Judy, Busby Berkeley, Bing Crosby, or Shirley Temple. The early musical developed through tangents that reflected larger trends in film and American culture at large. Here is a survey of select titles with a variety of influences: outsized songwriter personalities, hubbub over hillbilly and cowboy stereotypes, the emergence of swing, and the brief parade of opera stars to celluloid. Featured movies range from the smash hit Alexander's Ragtime Band (1938), to obscurities such as Are You There? (1930) and Swing, Sister, Swing (1938), to the high-grossing but now forgotten Mountain Music (1937), and It's Great to Be Alive (1933), a

zesty pre-Code musical/science-fiction/comedy mishmash. Also included are some of the not-so-memorable pictures made by some of the decade's greatest musical stars.

Inventory of the County Archives of Utah: Weber County (Ogden) Historical Records Survey (Utah),1937

Smedley D. Butler, USMC Mark Strecker,2014-01-10 The practice of big business promoting war to profit materially was firmly in place by the time Major General Smedley D. Butler wrote about it in his anti-corporate pamphlets. This historical biography explores the life of Butler, a little-known American Marine who exposed an alleged fascist coup to remove President Franklin D. Roosevelt from office. This text is an exploration of the political issues of the first half of the twentieth century and an examination of a complicated, valiant man who shifted from Republican ideals to anti-corporate, left-wing populism.

Death Before Sentencing Andrew R. Klein,Jessica L. Klein,2022-07-15 How American Jails Became Death Sentences goes beyond the current headlines to reveal the long simmering national scandal that is American jails--

Shaped by Snow Ayja Bounous,2019-11-19 Those who love winter will love this book. But as we steadily erase the season that sets us free from friction, *Shaped by Snow* will appeal to anyone who has ever looked up and thrilled at the first flakes fat in the autumn sky. —BILL MCKIBBEN Skier and debut author Ayja Bounous explores threats to the winters and watershed in the face of climate change and the far-reaching impacts of a diminishing snowpack on the American West—not only from ecological and economic perspectives, but also in regard to emotional and psychological health, as she realizes how deeply her personal relationships are tied to the snow-covered mountains of Utah's

Wasatch range. AYJA BOUNOUS is a Utah native and avid skier. She holds an MA in Environmental Humanities from the University of Utah and bachelor's degrees in Music and Environmental Studies from Santa Clara University. She lives in Salt Lake City, Utah.

Peaches & Daddy Michael M. Greenburg, 2008-10-02 A “lively, intelligently rendered account” of a tabloid romance, scandalous divorce and the rise of yellow journalism in Gilded Age New York (Kirkus Reviews). Edward “Daddy” Browning was a famously eccentric millionaire when he crossed paths with fifteen-year-old shop clerk and aspiring flapper Frances Heenan at the Hotel McAlpin. Frances reminded Daddy of peaches and cream—and a scandalous romance began. Thirty-seven days later, amid headlines announcing the event and with the Society for the Prevention of Cruelty to Children in close pursuit, Peaches and Daddy were married. Within ten months they would begin a courtroom drama that would blow their impassioned saga into a national scandal. Peaches & Daddy vividly recounts the amazing and improbable romance, marriage, and ultimate legal battle for separation of this publicity-craving Manhattan couple in America’s “Era of Wonderful Nonsense.” Their story is one of dysfunction and remarkable excess; yet at the time, the lurid details of their brief courtship and marriage captured the imagination of the American public like no other story of its day.

Unveiling the Magic of Words: A Overview of "**Standard Examiner Classifieds 11**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Standard Examiner**

Classifieds 11," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve into the book's central themes, examine its distinctive writing style, and assess its profound effect on the souls of its readers.
