At Night She Cries, While He Rides His Steed Ross Patterson,2015-06-09 At Night She Cries, While He Rides His Steed is a side-splitting satire that perfectly parodies romance novels and western dramas. Our hero, Saint James Street James is a tall, extremely muscular, 32-year-old man whose attributes and possessions include a mind stronger than Socrates on acid, a magnificent horse he loves more than anything in the world, a package so large that it requires a signature, a beautiful, passionate wife with a rack so perfect it belongs on a billiard table, a ton of children, and his own personal gold mine. His life, set in 1849 against the backdrop of the California Gold Rush, is one long parade of amazing sex, dynamite montages, whiskey, and explosive gunfights. The kinds of things men could do when men were actually men. He is the richest man in town—equal parts loved and feared by all. But when the Schläger Brothers come to town, so too comes the end of the good times. St. James is forced to defend everything that matters to him (including, but not limited to: prostitutes, his horse, money, and drugs. Oh, and his wife and children too, sort of). God help anyone who stands in his way.

As The Sun Rises It Dawns On Him Ross Patterson,2020-12-08 The third opus in the illustrious life of St. James St. James Romance Novels For Dudes collection sees him fighting prohibition in the 1920's all the way through his flyboy days in WWII. If you don't have an erection, he'll give you one. I mean, you'll have to pay for this sh*t... but you'll get one. That's a Men's Wearhouse type of guarantee too, homeboy. Did that guy die btw? (#thoughtsandprayers if he did)

When Darkness Falls, He Doesn't Catch It Ross Patterson,2018-08-14 When Darkness Falls, He Doesn't Catch It is a genuinely laugh out loud parody of old school romance novels and Civil War stories. It is the sequel to the best-selling novel At Night She Cries, While He Rides His Steed. Both novels have been credited as the jumpstart of a sexual revolution in 93 countries, including Iceland.

A Fistful of Fig Newtons Jean Shepherd,1987-11-17 From the wild and wacky world of favorite funnyman Jean Shepherd, a dozen truer-than-life tales of tailgating on the Jersey Turnpike, infuriating infants, and other everyday catastrophes, defeats, and humiliations that are the familiar fate of Americans everywhere. Jean Shepherd was one of America's favorite humorists, his most notable achievement being the creation of the indefatigable Ralphie Parker and his quest for a BB gun in the holiday classic A Christmas Story. But he was so much more, a comic Garrison Keillor-like figure whose unique voice transcended the airwaves and affected a whole generation of nostalgic Americans. A Fistful of Fig Newtons is classic Jean Shepherd—sidesplittingly funny and sardonically irreverent. It is a brilliant comic assessment of American life—all of them delivered in Jean Shepherd's witty, classy, unforgettable style.

Our Choice Albert Gore,2009 Al Gore has been a passionate advocate of action to halt climate change for many years. In his best-selling book, An Inconvenient Truth, he wrote about the urgent need to address the problems of climate change, presenting comprehensive facts and information on all aspects of global warming in a direct, thoughtful and compelling way, using explanatory diagrams and dramatic photos to clarify and highlight key issues. Adopting the same lucid technique in Our Choice, he proposes solutions at every level of our lives, from the personal and local to the national and political to the area of international policy and law.
