With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Crossing the Line Karen Traviss, 2009-10-13 Shan Frankland forever abandoned the world she knew to come to the rescue of a lost colony on a distant and dangerous planet -- a hostile world coveted by two alien races and fiercely protected by a third. But in the course of her mission, she overstepped a boundary and stumbled into forbidden lands. And she can never go back -- to being neutral, to being safe. To being human. War is coming again to Cavanagh's Star -- and this time, the instigators will be the troublesome gethes from the faraway planet Earth. Former Environmental Enforcement Officer Shan Frankland has already crossed a line, and now she is a prize to be captured ... or a threat to be eliminated. But saving a coveted world and

its fragile native population may require of her one unthinkable sacrifice: the destruction of her own ruthless, invading species.

**New York Magazine** ,1982-08-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. *Rebel Chef* Dominique Crenn, Emma Brockes, 2021-06-01 "Dominique Crenn is a hero to so many of us, both inside and out of the restaurant industry. She has unlimited courage to always follow her own path, to carve her own way in the world. This book, and Dominique's whole life, show that everything and anything is possible if you believe in yourself and you keep pushing forward, always forward." —José Andrés The inspiring and deeply personal memoir from highly acclaimed chef Dominique Crenn When Dominique Crenn decided to become a chef, she knew it was a near impossible dream in France where almost all restaurant kitchens were run by men. She left her home and everything she knew to move to San Francisco, and almost thirty years later was awarded three Michelin stars in 2018 for her influential restaurant Atelier Crenn, the first female chef in the United States to receive this honor—no small feat for someone who hadn't been formally trained. In *Rebel Chef*, Crenn tells of her untraditional coming-of-age as a chef. Adopted as a toddler, she didn't resemble her parents, and was haunted by a past she knew nothing about. But after years of working to fill this blank space, Crenn embraced the power her history gave her to be whoever she wants to be. In this disarmingly honest look at one woman's evolution from a daring young chef to a respected activist, Crenn reflects on the years she spent working in the male-centric world of professional kitchens and tracks her career from struggling cook to running one of the world's most celebrated restaurants. At once a tale of personal discovery and a tribute to unrelenting determination, *Rebel Chef* is the story of one woman making a place for herself in the kitchen, and in the world.

New York Magazine ,1983-07-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while

celebrating New York as both a place and an idea.
