The Emily Star Collection Lucy Maud Montgomery,2023-12-30 The author, Lucy Maud Montgomery, created another and better-known representative of Canadian girlhood in Anne of Green Gables and all the subsequent Anne books, but Emily was closer to her own heart. Like Anne, Emily is a strong-minded, gifted, imaginative child, left alone and unprotected in a harsh world, who is taken in by adults who are at least initially cold and unloving. Both girls grow up amid the beauties of Prince Edward Island, both keenly sensitive to natural splendors and highly fanciful, not to say occasionally precious, about assigning names to lakes and trees and identifying spirits and fairies in their surroundings. Anne is an original and spunky girl, with a certain amount of talent for writing verses and romantic tales, but Emily is a writer. In the celebrated Emily trilogy, of which Emily of New Moon is the first volume, Montgomery draws a more realistic portrait of a young girl's life on Prince Edward Island. The twin threads of bright and dark, love and cruelty, hope and despair intertwine in a pattern as significant as it is enduring. In the second volume, Emily Climbs, Lucy Maud Montgomery traces the often stormy course of Emily Starr's life as she moves from the world of childhood into that of school and adolescence. Emily's Quest is the last of the Emily trilogy. After finishing Emily Climbs, Montgomery suspended writing Emily's Quest and published The Blue Castle; she resumed writing and published in 1927. Lucy Maud Montgomery (1874-1942), was a Canadian author best known for a series of novels beginning with Anne of Green Gables. Montgomery went on to publish 20 novels as well as 530 short stories, 500 poems, and 30 essays.

South Beach Star ,2019-07-22 South Beach Star is a modern day Valley of the Dolls set in South Beach. Life is sweet for Jamie Kidd, a thirty-something writer, till he wakes up one morning to discover that his lover has left town after cleaning out the bank account and leaving Jamie heartbroken, penniless, and somewhat suicidal. Jamie makes the entirely sensible, or so he believes, decision to escape to South Beach where he finds success and quasi-celebrity as a nightlife columnist for the SOUTH BEACH STAR, a weekly tabloid that covers the trendy South Beach scene and the celebrities that populate it. South Beach opens its arms to Jamie, who, like an actor taking on a new role, throws himself into his fabulous new lifestyle covering the notorious celebrity-studded party scene where nightly he mingles with beautiful shallow fashionistas, famous models, and wealthy jet-setters. His coveted lifestyle masks an out-of-control roller-coaster ride of late-night parties and photo-ops, fueled by a gradual addiction to crystal meth. Like many before him, Jamie loses control and falls victim to his fast lifestyle.

I Know What I'm Doing -- and Other Lies I Tell Myself Jen Kirkman,2017-04-25 Jen offers up all the gory details of a life permanently in progress. She reassures you that it's okay to not have life completely figured out, even when you reach middle age (and find your first gray pubic hair). She talks about making unusual or unpopular life decisions (such as cultivating a 'friend with benefits' or not going home for the holidays) because you don't necessarily want for yourself what everyone else seems to think you should. It's about renting when everyone says you should own, dating around when everyone thinks you should settle down, and traveling alone when everyone pities you for going to Paris without a man--Amazon.com.
