Start Your Own Online Coupon or Daily Deal Business Rich Mintzer, / Entrepreneur magazine, 2013-09-17 The online coupon and daily deal industries are booming as people from all socio-economic groups are seeking deals and discounts in these trying economic times. The experts at Entrepreneur deliver the startup details behind this hot opportunity and show eager entrepreneurs how to cash-in on internet-savvy savers. Unlike old-school design your own coupon book titles, this book moves straight into computer technology and

proceeds to the latest trend in couponing . . . apps, which provide deals to mobile users in any location. Many daily deal businesses do not work to enhance the experience for their merchants. Readers, however, can learn how to do so. Experts in the industry are also included such as Marc Horne, co-creator of Daily Deal Builder, who discusses what it takes to build a daily deal site, David Teichner, CEO of Yowza!! who brought deal apps to iPhones and several business owners who have tried their luck at running daily deal. They discuss what they have learned from the process. Currently there are few, if any, other books on how to start a daily deal business and the coupon books focus on how to use coupons and even on extreme couponing, but not on running an online coupon business. This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing.

Start Your Own Nonprofit Cheryl Kimball,/ Entrepreneur magazine,2014-04-15 While there are other nonprofit-focused books on the shelves, all are dedicated to management and sustainability, there is almost no focus on how to start a nonprofit organization from the ground up. Start Your Own Nonprofit Organization gives mission-driven entrepreneurs everything they need to know to start and run their own nonprofit. This indispensable guide helps entrepreneurs determine if their business idea is nonprofit or for-profit, understand and identify their business mission and vision, staff and run a lean operation, select and manage a board of directors, manage finances to the satisfaction of the IRS, find a location and set up shop, master fundraising, use social media and other cost-effective outreach, and manage sustainability and growth. All startup steps are supported by insider knowledge from successful entrepreneurs, dollar-stretching tips, missteps to avoid, resources, and more. Also included are insightful interviews with Catherine Poole, founder of Melanoma International Foundation, the director of an animal sanctuary in California that also works to engage at-risk youth, a volunteer coordinator for The Museum Center in Cincinnati, and Ellen Koenig, Director of Education and Resources with the New Hampshire Center for Nonprofits.
