Life Is Funny E. R. Frank, 2016-05-31 E. R. Frank's seminal first novel weaves together the stories of eleven teenagers in one city over seven years in this groundbreaking and "impressive debut" (Publishers Weekly, starred review). Why does Gingerbread always have a smile on his face? "Because life is funny," he tells Keisha. But for her—and almost everyone else in her Brooklyn neighborhood—there doesn't seem to be much to laugh about. China, Ebony, and Grace are best friends, but Grace's mother isn't crazy about her being friends with two girls who aren't white, and each cut Ebony makes on her wrist seems to drive them even further apart. Just across the schoolyard there's Eric who has to raise his younger brother Mickey, even though no one expects him to amount to anything. Meanwhile, Sonia's Muslim parents expect everything of her, and it may be more than she is able to give after she suffers a shattering loss. When Drew brings his father's Jaguar into Sam's family's auto body shop across town they seem to be from opposite sides of the tracks, but Drew's the one hiding a dark family secret. And he's not the only one.

Furiously Happy Jenny Lawson, 2015-09-22 In *Furiously Happy*, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.' *Furiously Happy* is about taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair. It's the difference between being sane and being furiously happy. Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, Maybe 'crazy' isn't so bad after all. Sometimes crazy is just right.

She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It’s a beautifully told journey and a thoughtful, important book. I loved it.” –Elizabeth Gilbert, New York Times bestselling author of Eat, Pray, Love and City of Girls The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. They express in only a minimum of words great thoughts, deep emotions and even hilarity. Learn to laugh at yourself. Everyone else does. Accept this challenge, if you will, to find every possible emotion made humorous, understandable or explained. After all, it is all about life.
