Christianity Made in Japan Mark R. Mullins,1998-10-01 For centuries the accommodation between Japan and Christianity has been an uneasy one. Compared with others of its Asian neighbors, the churches in Japan have never counted more than a small minority of believers more or less resigned to patterns of ritual and belief transplanted from the West. But there is another side to the story, one little known and rarely told: the rise of indigenous movements aimed at a Christianity that is at once made in Japan and faithful to the scriptures and apostolic tradition. *Christianity Made in Japan* draws on extensive field research to give an intriguing and sympathetic look behind the scenes and into the lives of the leaders and followers of several indigenous movements in Japan. Focusing on the native response rather than Western missionary efforts and intentions, it presents varieties of new interpretations of the Christian tradition. It gives voice to the unheard perceptions and views of many Japanese Christians, while raising questions vital to the self-understanding of Christianity as a truly world religion. This ground-breaking study makes a largely unknown religious world accessible to outsiders for the first time. Students and scholars alike will find it a valuable addition to the literature on Japanese religions and society and on the development of Christianity outside the West. By offering an alternative approach to the study and understanding of Christianity as a world religion and the complicated process of cross-cultural diffusion, it represents a landmark that will define future research in the field.

China-Japan Relations after World War Two Amy King,2016-06-06 A rich empirical account of China's post-war foreign economic policy towards Japan, drawing on recently declassified Chinese sources.

A Directory for the Navigation of the Indian Archipelago, China, and Japan Alexander George Findlay,1878

Japanese Pride, American Prejudice Izumi Hirobe,2001 Adding an important new dimension to the history of U.S.-Japan relations, this book reveals that an unofficial movement to promote good feeling between the United States and Japan in the 1920s and 1930s only narrowly failed to achieve its goal: to modify the so-called anti-Japanese exclusion clause of the 1924 U.S. immigration law. It is well known that this clause caused great indignation among the Japanese, and scholars have long regarded it as a major contributing factor in the final collapse of U.S.-Japan relations in 1941. Not generally known, however, is that beginning immediately after the enactment of the law, private individuals sought to modify the exclusion clause in an effort to stabilize relations between the two countries. The issue was considered by American and Japanese delegates at almost all subsequent U.S.-Japan diplomatic negotiations, including the 1930 London naval talks and the last-minute attempts to prevent war in 1941. However, neither the U.S. State Department nor the Japanese Foreign Office was able to take concrete measures to resolve the issue. The State Department wanted to avoid appearing to meddle with Congressional prerogatives, and the Foreign Office did not want to be seen as intruding in American domestic affairs. This official reluctance to take action opened the way for major efforts in the private sector to modify the exclusion clause. The book reveals how a number of citizens in the United States—mainly clergy and business people—persevered in their efforts despite the obstacles presented by anti-Japanese feeling and the economic dislocations of the Depression. One of the notable disclosures in the book is that this determined private push for improved relations continued even after the 1931 Manchurian Incident.

How Asia Got Rich Edith Terry,2015-05-20 Within a few short months in 1997, Asian economies that had been considered not only healthy but miraculous suddenly fell off a precipice as investors withdrew massively first from Asian currencies and, in rapid order, from equity markets across the region. On October 27 1997, the turmoil in Asian markets spooked Wall Street in the largest single-day decline in history, a drop of 550 points. It was predicted that the Asian crash could drive the US trade deficit from \$191 billion to \$300 billion by 1998, creating huge new tensions in relations with some of the largest US trading partners. These wrenching changes, following a generation of success, raise numerous questions about the steps that led to the crisis, its likely outcome and the limits and constraints of Asian capitalism. Edith Terry presents a blow-by-blow account of the crisis, beginning with the 1996 collapse of the Bangkok Bank of Commerce. In her overview, she links the fall of the Asian miracle with the theme of globalization, arguing that the crisis demonstrates the urgency of dismantling restraints to trade, investment, and financial services, and that the United States should take leadership in pushing for new and sweeping reform through the World Trade Organization and in bilateral negotiations with its trading partners. The final section of the book deals with the rise of the Asian miracle - how the myth was created, who created it, why it succeeded for so long - and is informed by analysis of the Japanese prototype.

The Transformation of the Japanese Economy Kazuo Satō,1999 These readings address various aspects of the transformation of the Japanese economic system from one based on the government-business-bureaucracy triad to one which accommodates such changes as the further slowdown of growth, the rapid ageing of the population and structural changes.

Contesting International Society in East Asia Barry Buzan,Yongjin Zhang,2014-10-16 This book asks whether a regional international society exists in East Asia and why its existence matters to both regional and global orders.

The Advocate of Peace ,1919

Master of Deception Alan Ogden,2022-02-24 *Master of Deception* is a biography of Peter Fleming, elder brother of Ian Fleming, creator of James Bond. Peter Fleming worked as a travel writer and journalist, serving with distinction throughout World War II and played a crucial role in British intelligence operations in the Far East. This biography ranges from the personal life of Fleming such as his marriage to Celia Johnson, a famous actor of the time, to his extensive military intelligence career which took him from Norway and Greece to the Far East. Framed through the life of Peter Fleming this book offers an in-depth study of British intelligence operations in the Far East during World War II.

Extreme Weather and Global Media Julia Leyda,Diane Negra,2015-06-05 In the two decades bracketing the turn of the millennium, large-scale weather disasters have been inevitably constructed as media events. As such, they challenge the meaning of concepts such as identity and citizenship for both locally affected populations and widespread spectator communities. This timely collection pinpoints the features of an often overlooked yet rapidly expanding category of global media and analyzes both its forms and functions. Specifically, contributors argue that the intense promotion and consumption of 'extreme weather' events takes up the slack for the public conversations society is not having about the environment, and the feeling of powerlessness that accompanies the realization that anthropogenic climate change has now reached a point of no return. Incorporating a range of case studies of extreme weather mediation in India, the UK, Germany, Sweden, the US, and Japan, and exploring recent and ongoing disasters such as Superstorm Sandy, the Fukushima nuclear crisis, flooding in Germany, and heat waves in the UK, *Extreme Weather and Global Media* generates valuable inquiry into the representational and social characteristics of the new culture of extreme weather.

Can the World Be Governed? Alan S. Alexandroff,2008-02-25 In this book, leading international relations experts and practitioners examine through theory and case study the prospect for successful multilateral management of the global economy and international security. In the theory section contributors tackle the big questions: Why is there an apparent rising tide of calls for reform of current multilateral organizations and institutions? Why are there growing questions over the effectiveness of global governance? Is the reform of current organizations and institutions likely or possible? Case studies include the examination of difficulties facing global development, the challenges facing the IMF and the governance of global finance, the problems of the UN 2005 World Summit and its failed reform, and the WTO and the questions raised by the prolonged Doha Development Round. Co-published with the Centre for International Governance Innovation

The Challenge of Grand Strategy Jeffrey W. Taliaferro,Norrin M. Ripsman,Steven E. Lobell,2012-08-06 The years between the World Wars represent an era of broken balances: the retreat of the United States from global geopolitics, the weakening of Great Britain and France, Russian isolation following the 1917 Bolshevik Revolution, the resurgence of German power in Europe, and the rise of Japan in East Asia. All these factors complicated great-power politics. This book brings together historians and political scientists to revisit the conventional wisdom on the grand strategies pursued between the World Wars, drawing on theoretical innovations and new primary sources. The contributors suggest that all the great powers pursued policies that, while in retrospect suboptimal, represented conscious, rational attempts to secure their national interests under conditions of extreme uncertainty and intense domestic and international political, economic, and strategic constraints.

Proceedings of the 36th International MATADOR Conference Srichand Hinduja,Lin Li,2010-08-05 Presented here are 130 refereed papers given at the 36th MATADOR Conference held at The University of Manchester in July 2010. The MATADOR series of conferences covers the topics of Manufacturing Automation and Systems Technology, Applications, Design, Organisation and Management, and Research. The proceedings of this Conference contain original papers contributed by researchers from many countries on different continents. The papers cover the principles, techniques and applications in aerospace, automotive, biomedical, energy, consumable goods and process industries. The papers in this volume reflect: • the importance of manufacturing to international wealth creation; • the emerging fields of micro- and nano-manufacture; • the increasing trend towards the fabrication of parts using lasers; • the growing demand for precision engineering and part inspection techniques; and • the changing trends in manufacturing within a global environment.

Culture Shock and Japanese-American Relations Sadao Asada,2007-06 Ever since Commodore Perry sailed into Uruga Channel, relations between the United States and Japan have been characterized by culture shock. Now a distinguished Japanese historian critically analyzes contemporary thought, public opinion, and behavior in the two countries over the course of the twentieth century, offering a binational perspective on culture shock as it has affected their relations. In these essays, Sadao Asada examines the historical interaction between these two countries from 1890 to 2006, focusing on naval strategy, transpacific racism, and the atomic bomb controversy. For each topic, he offers a rigorous analysis of both American and Japanese perceptions, showing how cultural relations and the interchange of ideas have been complex--and occasionally destructive. Culture Shock and Japanese-American Relations contains insightful essays on the influence of Alfred Mahan on the Japanese navy and on American images of Japan during the 1920s. Other essays consider the progressive breakdown of relations between the two countries and the origins of the Pacific War from the viewpoint of the Japanese navy, then tackle the ultimate shock of the atomic bomb and Japan's surrender, tracing changing perceptions of the decision to use the bomb on both sides of the Pacific over the course of sixty years. In discussing these subjects, Asada draws on Japanese sources largely inaccessible to Western scholars to provide a host of eye-opening insights for non-Japanese readers. After studying in America for nine years and receiving degrees from both Carleton College and Yale University, Asada returned to Japan to face his own reverse culture shock. His insights raise important questions of why people on opposite sides of the Pacific see things differently and adapt their perceptions to different purposes. This book marks a major effort toward reconstructing and understanding the conflicted course of Japanese-American relations during the first half of the twentieth century.

Transactions of the Asiatic Society of Japan Asiatic Society of Japan,1985 List of transactions, v. 1-41 in v. 41.
The American Experience in World War II: The atomic bomb in history and memory Walter L. Hixson,2003 World War II changed the face of the United States, catapulting the country out of economic depression, political isolation, and social conservatism. Ultimately, the war was a major formative factor in the creation of modern America. This unique, twelve-volume set provides comprehensive coverage of this transformation in its domestic policies, diplomatic relations, and military strategies, as well as the changing cultural and social arenas. The collection presents the history of the creation of a super power prior to, during, and after the war, analyzing all major phases of the U.S. involvement, making it a one-stop resource that will be essential for all libraries supporting a history curriculum. This volume is available on its own or as part of the twelve-volume set, The American Experience in World War II . For a complete list of the volume titles in this set, see the listing for The American Experience in World War II [ISBN: 0-415-94028-1].

Stay Strong Japan 101 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Stay Strong Japan 101 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stay Strong Japan 101 has opened up a world of possibilities. Downloading Stay Strong Japan 101 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stay Strong Japan 101 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stay Strong Japan 101. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stay Strong Japan 101. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stay Strong Japan 101, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stay Strong Japan 101 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Stay Strong Japan 101 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stay Strong Japan 101 is one of the best book in our library for free trial. We provide copy of Stay Strong Japan 101 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stay Strong Japan 101. Where to download Stay Strong Japan 101 online for free? Are you looking for Stay Strong Japan 101 PDF? This is definitely going to save you time and cash in something you should think about.
