The Half-Made World Felix Gilman, 2013-12-12 The world is still only half-made. Between the wild shores of uncreation, and the ancient lands of the East lies the vast expanse of the West---young, chaotic, magnificent, war-torn. Thirty years ago, the Red Republic fought to remake the West---fought gloriously, and failed. The world that now exists has been carved out amid a war between two rival factions: the Line, enslaving the world with industry, and the Gun, a cult of terror and violence. The Republic is now history, and the last of its generals sits forgotten and nameless in a madhouse on the edge of creation. But locked in his memories is a secret that could change the West forever, and the world's warring powers would do anything to take it from him. Now Liv Alverhuysen, a doctor of the new science of psychology, travels west, hoping to heal the general's shattered mind. John Creedmoor, reluctant Agent of the Gun and would-be gentleman of leisure, travels west, too, looking to steal the secret or die trying. And the servants of the Line are on the march.

Tiger Eye Marjorie Liu, 2010-06-03 An antique Chinese box unlocks a world of adventure for a psychically gifted woman in this fantasy by a New York Times-bestselling author. The first book in the extraordinary Dirk & Steele Series! Long ago they roamed the earth—dragons, tigers . . . shapeshifters—men who wore the forms of beasts. Their world was magic. Now it is gone. But some remain . . . He looks out of place in Dela Reese's Beijing hotel room—exotic and poignant, some mythic, tragic hero of an epic tale. With his feline yellow eyes, he's like nothing from her world. Yet Dela has danced through the echo of his soul and knows this warrior will obey her every command. Hari has been used and abused for millennia. But he sees, upon his release from the riddle box, that this new mistress is different. There is a hidden power in Dela's eyes—and with her, he may regain all that was lost to him. Where once he savaged, now he must protect; where before he knew only hatred, now he must embrace love. Dela is the key. For Dela, he will risk all. Praise for Tiger Eye “[A] first-rate debut. . . . The romance between Delilah and Hari tantalizingly builds until it culminates in a sensual love scene. . . . [A] striking paranormal romance.” —Publishers Weekly “Liu's debut novel, not unlike the puzzle box, holds a shiny new joy for readers of adventure and paranormal romance. Deeply sensual, a marriage of modern fantasy and ancient mysticism highlighted with a touch of humor, this is the next book fans of Sherrilyn Kenyon or Christine Feehan should read.” —Booklist

The Men Who Would Be Kings Daniel Mersey, 2016-09-22 The Men Who Would Be Kings is a set of rules designed for fighting historical or Hollywood colonial battles in the mid to late 19th Century, from the Indian Mutiny to the Boxer Rebellion. Large scale colonial clashes tended to be one-sided affairs, but there are countless reports of brief, frantic skirmishes in every colonial war, where either side could be victorious, and these are the battles that The Men Who Would Be Kings seeks to recreate. Although focusing on the British colonial wars against the Zulus, Maoris and others, these rules will also permit players to explore the empires of France, Germany, and other nations, as well as allowing for battles between rival native factions. Gameplay is very simple, and is driven by the quality of the officers leading your units, in the true spirit of Victorian derring-do and adventure, where larger than life characters such as the (real) Fred Burnaby and the (fictional) Harry Flashman led their troops to glory and medals or a horrible end at the point of a spear tip.

High Plains Samurai Todd Crapper, 2018-02-26 An Introduction to the Tales of Gunslingers, Samurai, Gangsters, Barbarians, and Steampunk in a Post-Apocalyptic World of Qi Warriors These are not mere contraptions built from the scrap metal of old, my dear apprentice. These are the foundation for a new world, and those who build them control its fate. – Deckland Burr, creator of The Salvation The One Land used to be a place of beauty, co-operation, and progress. It was the envy of all the known universe, built and nourished under the guidance of the Elemental Spirits that created it. We were their chosen ones, gifted with sentience, emotion, and creativity. All until the All-Father, creator of everything, became jealous of this world doted on by his children. So he came down in his true form and sought to wipe it from existence. His children fought back to protect what they had built and locked the All-Father (now known by his proper name, Chaos) within the Shard of Hope. That was then. This is now. The battle of Chaos' Wrath ruined this once idyllic paradise and left us scrambling to make ends meet under the fury of the warlords controlling the remaining Five Cities. And let us not forget about the Wastes, the nuclear desert where Chaos began his path of destruction. Things are bleak and a world this damaged needs heroes to rise up and show the people hope against the odds. That hope begins with Legends. High Plains Samurai: Legends provides a one-shot experience to this storytelling RPG of epic exploits against a post-apocalyptic, high fantasy setting. Acting as both a preview for the upcoming High Plains Samurai Roleplaying Game and

a stand-alone version, players will have a chance to tell their own versions of three storylines using condensed rules and pre-generated lead characters. Master the political intrigue and dangers of Yung Zhi while bringing in the gunrunner, Dollface, in Showdown In Yung Zhi; survive another day on the Salvation as it races through the Wastes in To Catch A Train; and discover the vengeance and sheer power of the legendary figure known only as Black Scorpion. A perfect way to bring HPS to your favourite convention or as an introduction to your friends before the release of the HPS core rulebook (currently slated for late Summer/early Fall 2018). Your Legends are only the beginning.

One-Hour Wargames Neil Thomas,2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour—includes rule sets and scenarios for most popular periods. One of the biggest problems facing wargamers is finding the time to actually play. Most commercially available games require several hours to set up and see to a conclusion; some can even take a whole day or weekend to complete. Apart from time, lack of space can also keep wargamers from enjoying their favorite pastime. In One-hour Wargames, veteran gamer and rule-writer Neil Thomas has addressed both problems. Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor. The book contains 8 all-new sets of very simple rules for various periods—from Ancient to WW2—and thirty stimulating scenarios which can be played using any of them. All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield. The rules only require a small number of miniatures, so this really is an ideal way for new gamers, or veterans trying a new period, to get started with minimal investment of time and money. Also ideal for a quick game in the evening with a friend. Also included are sections on campaigns and solo games.

Metropolis Thea von Harbou,2015-05-20 This Weimar-era novel of a futuristic society, written by the screenwriter for the iconic 1927 film, was hailed by noted science-fiction authority Forrest J. Ackerman as a work of genius.

Budayeen Nights George Alec Effinger,2014-04-29 A “brilliant collection” of short stories set in a “marvelously realized, imaginary Muslim city” from the Hugo and Nebula Award-winning author (Publishers Weekly, starred review). Long identified as a science fiction writer, except in his own eyes, George Alec Effinger had some of his biggest critical and commercial success with a series even he recognized and characterized as SF. Set in the marvelously realized, imaginary Muslim city of Budayeen, the three novels, When Gravity Fails, A Fire in the Sun and The Exile Kiss garnered rave reviews, award nominations and a wide readership. In addition, Effinger came to be recognized as one of the foundational writers of cyberpunk. Although the novels are perhaps how Budayeen and their hero, Marid Audran, are best known, there are a handful of shorter pieces that add to the vividly drawn and deeply authentic picture of an imagined world and seven short stories, the first part of an uncompleted novel and a story fragment add to the mental images of this exotic and yet somehow completely familiar city and world that Effinger created. This book was originally published by Golden Gryphon Press and comes with a Forword and story notes by Effinger's widow, Barbara Hambly. The lead story in this collection, Schrodinger's Kitten, won the Hugo, Nebula and Seiun Awards.
