Gamecock Glory Travis Haney, 2011-03-18 After more than one hundred years of craving a champion, the University of South Carolina finally has one. The 2010 Gamecock baseball team won six consecutive games over eight summer nights to take the College World Series and lay claim to the school's first major national championship. From dancing around in a dark locker room to singing Silent Night? on the team bus after every victory in Omaha, these Gamecocks were as fun-loving as they were talented. And they did it all in the name of one special boy, seven-year-old Bayler Teal. Bayler passed away before he could see his beloved Gamecocks triumph, but the team's victory is a tribute to their number one fan. Join the Post and Courier's Travis Haney as he recounts this incredible team's historic season.

United States Women's Chess Champions, 1937-2020 Alexey W. Root, 2022-06-10 As late as 1950, many chess clubs in America excluded women. The Marshall Chess Club in New York City was an exception, organizing the U.S. Women's Chess Championship beginning in the late 1930s. Since the 1980s, the average rating of the players has increased. The Saint Louis Chess Club has organized the championship since 2009, with record-setting prizes. Drawing on archives and original interviews with the living U.S. Women's Chess Champions, this book examines their careers with biographies, photos, and 171 annotated games, most of which are from the 60 championships between 1937 and 2020.

Sticks 'n' Stones Warren Hansen, 2021-12-17 In the 1970s, when most people thought about curling they thought it was just a game, something that could never be a real sport. Warren Hansen, a top curler in the seventies, felt curling wasn't viewed fairly by the sports world. That needed to change. Hansen joined forces with Ray Kingsmith in the late 1970s to change this, setting out to get curling into the 1988 Winter Olympics in Calgary as a demonstration sport. They succeeded, but then it seemed like curling would never go beyond that demonstration. Three times curling applied to the International Olympic Committee (IOC) for Olympic medal status. And three times, the IOC turned them down. Finally in June of 1992, at the IOC General Assembly in Barcelona, Spain, curling received the blessing of the executive committee as a full medal sport. Sticks 'n' Stones reveals what

it took for curling to gain full medal sport status, from sheer determination to navigating the murky waters of politics of amateur, international and Olympic sport.

Jet, 1975

We Showed Baltimore Christian Swezey, 2022-04-15 In *We Showed Baltimore*, Christian Swezey tells the dramatic story of how a brash coach from Long Island and a group of players unlike any in the sport helped unseat lacrosse's establishment. From 1976 to 1978, the Cornell men's lacrosse team went on a tear. Winning two national championships and posting an overall record of 42-1, the Big Red, coached by Richie Moran, were the class of the NCAA game. Swezey tells the story of the rise of this dominant lacrosse program and reveals how Cornell's success coincided with and sometimes fueled radical changes in what was once a minor prep school game centered in the Baltimore suburbs. Led on the field by the likes of Mike French and Eamon McEneaney, in the mid-1970s Cornell was an offensive powerhouse. Moran coached the players to be in fast, constant movement. That technique, paired with the advent of synthetic stick heads and the introduction of artificial turf fields, made the Cornell offensive game swift and lethal. It is no surprise that the first NCAA championship game covered by ABC Television was Cornell vs. Maryland in 1976. The 16-13 Cornell win, in overtime, was exactly the exciting game that Moran encouraged and that newcomers to the sport wanted to see. Swezey recounts Cornell's dramatic games against traditional powers such as Maryland, Navy, and Johns Hopkins, and gets into the strategy and psychology that Moran brought to the team. *We Showed Baltimore* describes how the game of lacrosse was changing—its style of play, equipment, demographics, and geography. Pulling from interviews with more than ninety former coaches and players from Cornell and its rivals, *We Showed Baltimore* paints a vivid picture of lacrosse in the 1970s and how Moran and the Big Red helped create the game of today.

Breakfast of Champions Kurt Vonnegut, 2009-09-23 “Marvelous . . . [Vonnegut] wheels out all the complaints about America and makes them seem fresh, funny, outrageous, hateful and lovable.”—The New York Times In *Breakfast of Champions*, one of Kurt Vonnegut's most beloved characters, the aging writer Kilgore Trout, finds to his horror that a Midwest car dealer is taking his fiction as truth. What follows is murderously funny satire, as Vonnegut looks at war, sex, racism, success, politics, and pollution in America and reminds us how to see the truth. “Free-wheeling, wild and great . . . uniquely Vonnegut.”—Publishers Weekly
