Landing on the planet Earth, these new heroes, Stuper Man and Stuper Dog, dedicate themselves to defending the Gem from Brainiac and his evil forces. The Dumbbell Duo may not have much of it, but through their trials they prove that knowledge has been, is, and will always be the most powerful weapon that you can wield. The fate of the universe is in his hands...feel pity for the universe.

**Stick Figures Save the World** Pam Arlund,2022-03-29 Drawing Simply to Share Jesus Well Have you ever tried to share your faith but struggled, not really knowing what to say? This book helps solve that problem. Practical and funny, Pam Arlund offers a refreshing change from standard methods in discipling. In *Stick Figures Save the World*, you will learn to draw Bible stories in a simple way to equip even the newest follower of Jesus to pass on what they have learned to another. This method works when drawn in the dirt of a remote village or on a napkin in a coffeehouse. Whether you are trying to reach your own children, the neighbors, or a person across the world, this book can show you how. The surprising two-fold outcome of this method is how exciting Scripture will become and how well prepared you will be to share Jesus with others. Stick figures aren't just for kids, they are for everyone who wants to make the most of the opportunities the Lord gives to authentically share His love with the world.

*Ditch the Act: Reveal the Surprising Power of the Real You for Greater Success* Leonard Kim,Ryan Foland,2019-10-25 Be human. It's the only way to get ahead in business today. Competition today is fiercer than ever. It seems that every job candidate is flashing a world-class resume and every business competitor is the absolute best at what they do. Don't be fooled. People exaggerate. And don't be discouraged. By revealing stories of failures, setbacks, and personal flaws without shame or fear, you exhibit greater self-confidence than your competition. You cultivate connections with serious, smart people, and you build loyalty that lasts. Ditch the Act shows how to present your humanness—imperfect and flawed but honest, resilient, and willing to learn—in strategic ways to achieve clear, defined goals. It provides an actionable program for building an authentic, long-lasting personal brand, explaining why exposure is important and how it cultivates more durable connections than any polished persona can. By creating a personal brand that's honest and authentic and that reveals personal struggles, you'll build stronger, longer-lasting relationships—and achieve greater success. Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the "hard sell." Because they're founded on durable, robust relationships, they're rock-solid—and better withstand business uncertainty and tough times. Ditch the act, be real—and jump ahead of the competition before they even know you are there.

**UNBORED Adventure** Joshua Glenn,Elizabeth Foy Larsen,2015-10-06 UNBORED Adventure has all the smarts, innovation, and free-wheeling spirit of the original UNBORED and its 2014 spinoff, UNBORED Games, but with a fresh focus on encouraging kids to break out of their techno-passivity and explore the world around them--whether that's a backyard, a downtown, or a forest. Combining old-fashioned favorites with today's high-tech possibilities, the book offers a goldmine of creative, constructive activities that kids can do on their own or with their families. From camouflage techniques, survival skills, and cloudspotting advice to instructions on how to build an upcycled kite or raft, to using apps to navigate and explore, it's all here--along with comics that dive into the secret history of everything from bicycling to women explorers. A fun corrective to our over-anxious parenting culture, UNBORED Adventure encourages kids to become more independent and resilient, to solve problems and ask questions, and to engage with both their community and natural environment. The original UNBORED is already a much beloved, distinctly contemporary family brand. Along with UNBORED Games, UNBORED Adventure extends the franchise in a handy, flexibound format so that the whole family can enjoy themselves indoors, outdoors, online, and offline.

*Stickman Odyssey, Book 1* Christopher Ford,2011-08-04 When Zozimos is banished by an evil witch (his stepmother!) from the kingdom of Sticatha-the kingdom he was next in line to rule-he trains at battle (if you call chasing after butterflies training), travels across stormy seas (thanks for that, Poseidon), slays golems and monsters (with a lot of help), charms beautiful women (not really), and somehow (despite his own ineptitude) survives quest after quest. By the love of Zeus, though, none of it brings him any closer to home! It does, however, make for one quirky, original, giggle-provoking graphic novel sure to appeal to any kid interested in Greek mythology, or merely looking for an entertaining read.

*The Adventure of the Dancing Men and Other Sherlock Holmes Stories* Arthur Conan Doyle,1997-01-01 Title story plus 3 others featuring the peerless sleuth and his faithful sidekick: The Adventure of the Dying Detective, The Musgrave Ritual and The Adventure of the Bruce-Partington Plans.
