Accidentally Wes Anderson Wally Koval, 2020-10-29 Wes Anderson's beloved films announce themselves through a singular aesthetic - one that seems too vivid, unique, and meticulously constructed to possibly be real. Not so - in Accidentally Wes Anderson, Wally Koval collects the world's most Anderson-like sites in all their faded grandeur and pop-pastel colours, telling the story behind each stranger than-fiction-location. Based on the viral online phenomenon and community of the same name, Accidentally Wes Anderson celebrates the unique aesthetic that millions of Anderson fans love - capturing the symmetrical, the atypical, the unexpected, the vibrantly patterned, and distinctively coloured in arresting photographs from around the world. Authorised by Wes Anderson himself, and appealing to the millions who love his films, this book is also for fans of *Cabin Porn* and *Van Life* - and avid travellers and aspiring adventurers of all kinds.

Black Swan Green David Mitchell, 2006-04-11 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators

ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like.”—The Boston Globe
“[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall.”—Time

Designing Inclusive Educational Spaces for Autism Rachna Khare, Institute for Human Centered Design, 2010

Stolen Sharpie Revolution Alex Wreck, 2014-12-01 Since 2002, *Stolen Sharpie Revolution*: a DIY Resource for Zines and Zine Culture has been the go-to guide for all things zine-related. This little red book is stuffed with information about zines. Things you may know, stuff you don't know and even stuff you didn't know you didn't know! *Stolen Sharpie Revolution* contains a cornucopia of information about zines and zine culture for everyone from the zine newbie to the experienced zinester to the academic researcher. *Sharpie Revolution* consists of thoughtful lists and step-by-step how-to guides on everything from definitions of a zine, where to find zines, why they are important, how to make them and how to participate in zine culture. This book has everything you need to get started creating your own zine, or to figure out what to do with the zine you just made. *Stolen Sharpie Revolution* serves as both an introduction into the wide world of zine culture and as a guide to taking the next step to become a part of it.

A Whole Bunch of Paper Eco Eco Asylum, 2018-03 If you're looking for an entire book of nothing but blank paper, a book with a unicorn on the cover, a book that is not already cluttered up with words and drawings and stuff, you've come to the right place. Maybe you need a place to put autographs, a place to tape photographs, a place to write your next operatic symphony! Can't do that in a cluttered book full of words and drawings and stuff. This is a notebook, it is a sketch book, it is an idea book, it is whatever you want it to be! A book with listening skills, a book with potential!!! ... A Book with a Whole Bunch of Blank Paper...

Project Teen Melissa Mortenson, 2014-08-01 Please the pickiest tech-savvy teens and tweens with these 21 trendy projects you can sew. Most of us would agree that sewing something that teens will like is, without a doubt, a challenge. In *Project Teen*, Melissa Mortenson, sewist and mother of three teenagers, shares not only her 21 teen-approved designs, but also invaluable tips and tricks for sewing for this unique (a.k.a. picky) age group. Whether you make a stylish tech cover, a cushy study pillow, or a personalized quilt, your teen will love these handmade gifts as much as you love them. • 21 projects, specifically for teens and tweens (ages 11+), including quilts, T-shirts, tech covers, totes, accessories, and so much more • Lots of inspiring ideas and designs for the perfect gifts • Get the 411 on what's cool when it comes to fabric and style—so that your teen is sure to love what you make! Praise for *Project Teen* “Mortenson has a good eye for what teenagers actually need and want. . . . Something here will appeal to that trickiest of demographics, making the book a worthwhile buy.” —Publishers Weekly “*Project Teen* is a fresh, mod, fun way to sew for the tweens/teens in our life – kids, grands, nieces & nephews. The projects meet the ever changing needs of kids, from travel blankets and tablet covers to simple bags to store everything in.” —Generation Q Magazine

Left Shift John A. Walker, 2001-12-21 John Walker brings to vivid life a neglected period in twentieth-century art history. He re-creates a time when visual fine artists, under the impact of left-wing politics, women's liberation and the gay movement, were seeking to re-establish a social purpose. His story is one of a struggle for art by contending factions in the art world, in which artists, curators, critics and organisations – both establishment and alternative – key exhibitions, galleries and magazines, all play a part. He offers welcome insight into the work of the key players and the many forms they used to express radical engagement in the events

of the decade.

Meaningful Making 2 Paulo Blikstein, Sylvia Libow Martinez, Heather Allen Pang, 2019-03-08 Meaningful Making 2 is a second volume of projects and strategies from the Columbia University FabLearn Fellows. This diverse group of leading K-12 educators teach in Fab Labs, makerspaces, classrooms, libraries, community centers, and museums--all with the goal of making learning more meaningful for every child. A learning revolution is in the making around the world. Enthusiastic educators are using the new tools and technology of the maker movement to give children authentic learning experiences beyond textbooks and tests. The FabLearn Fellows work at the forefront of this movement in all corners of the globe. In this book, the FabLearn Fellows share all new inspirational lesson ideas, strategies, and recommended projects across a broad range of age levels. Illustrated with color photos of real student work, the Fellows take you on a tour of the future of learning, where children make sense of the world by making things that matter to them and their communities. To read this book is to rediscover learning as it could be and should be--a joyous, mindful exploration of the world, where the ultimate discovery is the potential of every child.

Autobiography of a Geisha 2003 Home to the New York Yankees, the Bronx Zoo, and the Grand Concourse, the Bronx was at one time a haven for upwardly mobile second-generation immigrants eager to leave the crowded tenements of Manhattan in pursuit of the American dream. Once hailed as a wonder borough of beautiful homes, parks, and universities, the Bronx became--during the 1960s and 1970s--a national symbol of urban deterioration. Thriving neighborhoods that had long been home to generations of families dissolved under waves of arson, crime, and housing abandonment, turning blocks of apartment buildings into gutted, graffiti-covered shells and empty, trash-filled lots. In this revealing history of the Bronx, Evelyn Gonzalez describes how the once-infamous New York City borough underwent one of the most successful and inspiring community revivals in American history. From its earliest beginnings as a loose cluster of commuter villages to its current status as a densely populated home for New York's growing and increasingly more diverse African American and Hispanic populations, this book shows how the Bronx interacted with and was affected by the rest of New York City as it grew from a small colony on the tip of Manhattan into a sprawling metropolis. This is the story of the clattering of elevated subways and the cacophony of crowded neighborhoods, the heady optimism of industrial progress and the despair of economic recession, and the vibrancy of ethnic cultures and the resilience of local grassroots coalitions crucial to the borough's rejuvenation. In recounting the varied and extreme transformations this remarkable community has undergone, Evelyn Gonzalez argues that it was not racial discrimination, rampant crime, postwar liberalism, or big government that was to blame for the urban crisis that assailed the Bronx during the late 1960s. Rather, the decline was inextricably connected to the same kinds of social initiatives, economic transactions, political decisions, and simple human choices that had once been central to the development and vitality of the borough. Although the history of the Bronx is unquestionably a success story, crime, poverty, and substandard housing still afflict the community today. Yet the process of building and rebuilding carries on, and the revitalization of neighborhoods and a resurgence of economic growth continue to offer hope for the future.

Fairy Tales and Happy Endings Nolan Cordovano, 2022

World Tour Francisca Matteoli, 2013-03-05 Show me your luggage and I'll tell you who you are, proclaimed a 1920s Louis Vuitton slogan. World Tour takes readers back to a time when travel was a true adventure, when elegant passengers embarked on grand tours aboard ocean liners, took flight in the first airplanes, rode the Orient Express, journeyed to exotic locales, and stayed in one luxurious hotel after another. Throughout his life, the

famous trunk maker and inveterate traveler Gaston-Louis Vuitton amassed a collection of over 3,000 hotel publicity stickers and labels, which globetrotters proudly affixed to their luggage. Spanning the 1920s to the 1950s, this book features more than 900 labels, a wealth of period photographs, and vintage postcards, all from around the globe, including the favorite destinations and pursuits of cosmopolitan travelers: seaside stays on the French Riviera, skiing in Chamonix and Zermatt, cultural tours of Athens and Mexico, beach vacations in Honolulu and Capri, and more. Praise for *World Tour Guaranteed* to trigger wanderlust. --The New York Times Book Review
