Still House Pond Jan Watson,2010-08-01 Lilly Gray Corbett loves living on Troublesome Creek, but she would much rather play with her best friend than watch her little brother and the twins. Her mama, Copper, is often gone helping to birth babies, and Lilly has to stay home. When Aunt Alice sends a note inviting her to visit in the city, Lilly is excited to go, and Copper reluctantly agrees to let her. Later, when they hear the news that the train crashed, Copper and her husband, John, rush to find out if their daughter is injured . . . or even alive.
