**The Keeper of the Cove** M. J. Konevich,2005-01-01 Something is stirring in Oceanview, a small coastal town in the Pacific Northwest-something that has long troubled the lives and dreams of the local community. Some say it's witchcraft, others, a curse. What they can all agree on, however, is that the newest members to their little town, the Harrisons, are literally sitting on a ticking timebomb. The tiny ocean cove that sits peacefully below their new house has a long past, one which is as dark as any small-town secret can be. The problem is, the dark little secret is waking up, and with it, secrets the Harrisons themselves had thought forever buried. In the end, who knows who's the real keeper of the cove?

**Oliver's Crossing** Catherine Astl,2023-02-07 Cades Cove is a place where the soul knows it is home. An ancient valley in Eastern Tennessee, its mountain peaks saw a successful and industrious society for 119 years. From John and Lucretia Oliver's first steps into the cove in 1818, to its inclusion in the 1937 opening of the Great Smoky Mountains National Park, this quiet and stunningly beautiful place has inspired many who have vacationed in America's most visited national park. What made the people of Cades Cove so special? What makes their history so magical and inspiring? Through exhaustive research, the author answers those questions and then some. Though a work of fiction,

the people described are real, as are all major events. Within these pages are historical facts and exact quotes taken from some of the best sources, some from the very memoirs of the people themselves. With writing as beautiful as Cades Cove itself, readers can step back into the early 1800s to meet the man and woman who started it all. Join them as they face threats to survival, Indians and the Trail of Tears, religious splits, bullies, the Civil War, and other monumental events in American history. John Oliver crossed into the cove in 1818 to achieve his dream of owning his own farm; in doing so, he created an entire way of life.

**Mad Blood Stirring** Daemon Fairless, 2018-03-06 With a rare clarity and fearless honesty, journalist Daemon Fairless tackles the horrors and compulsions of male violence from the perspective of someone who struggles with violent impulses himself, creating a non-fiction masterpiece with the narrative power of novels such as *Fight Club* and *A History of Violence*. A man, no matter how civilized, is still an animal--and sometimes a dangerous one. Men are responsible for the lion's share of assault, rape, murder and warfare. Conventional wisdom chalks this up to socialization, that men are taught to be violent. And they are. But there's more to it. Violence is a dangerous desire--a set of powerful and inherent emotions we are loath to own up to. And so there remains a hidden geography to male violence--an inner ecosystem of rage, dominance, blood-lust, insecurity and bravado--yet to be mapped. *Mad Blood Stirring* is journalist Daemon Fairless's riveting first-person travelogue through this territory as he seeks to understand the inner lives of violent men and, ultimately, himself.

*Exploring Jenns Cove* Marc Sanderson, 2022-04-29 What the hell had she done! Jess Everston passed on a prestigious professorship at Princeton University to become the second-in-command at the Ecosystem Services Institute in the little Northern California town of Jenns Cove. She has committed herself to an experimental project in a location far from family and friends for the foreseeable future. The last thing she needs is a man complicating her life. Especially a grumpy, taciturn ex-Army Ranger turned tour guide who just happens to be her boss's brother-in-law. When Rand Gallagher returned to Jenns Cove after his last tour of duty in Afghanistan, he struggled with injuries and PTSD. With therapy and support from his family, he's settled into a quiet life back in Jenns Cove, but dark moods and nightmares still haunt him. He works guiding tourists on backcountry fishing excursions, but since his wildlife photography began winning awards, guiding tourists is only a sideline. Living a solitary life, he's learning to be happy again, but when his brother-in-law brings gorgeous, head-strong and annoying Jess Everston to Jenns Cove, Rand does everything in his power to ignore her. Unfortunately, fate has other ideas.

Kayla makes it her mission to show Gabe she’s the same woman he fell in love with back at school—just a little older and a lot braver.
