**30 Nights with Prophet Muhammad Ibrahim Ma'an**, 2021-04-05 Inspire your child this ramadan with the amazing story of the Noble prophet Are you looking for a book for your child to learn Islam this ramadan? Do you want a book that is detailed yet simple and easy for children to understand and written in a way that's engaging for children? Follow the life of the Prophet ﷺ in his first 13 years in Mecca after he was chosen to call the people to Allah, the challenges he faced, the allies he made, the plots of his enemies and how Allah granted him Victory. This book is broken down into 30 chapters that can be read daily in the blessed month of Ramadan. Discover how the Prophet strove hard to call the people to Allah, how his people who had loved and trusted him became his enemies. How Islam slowly but surely was growing despite the trials and persecution the believers were enduring at the hands of the idols worshippers. It tells the stories of the noble companions and their strong character

and sacrifices, like Hamza who did not want to be a Muslim until his honour was challenged, Abubakr and how came to be known as As-Siddiq (the truthful), how Bilaal endured pain and suffering because he believed in Allah. Then there was Najaashi, the Christian king whose faith was tested when he came to hear about Islam. See how the times changed for the believers and their enemies, one winning today and the other winning the next. And when the Prophet ﷺ and his companions were treated worse than ever, and there was no sign of hope, and the Arabs had chosen to reject Islam, and it looked as if the enemies of Islam were close to destroying it, then came the noble, honourable and chosen Ansars (The Helpers), through whom Allah turned the tide. This is an amazing read for children or anyone interested in learning Islam. Make the most for your child this Ramadan with this beautiful Islamic story.
