Wee Monk's Tale René van Zyl, 2020-12-18 A MYSTERY, A QUEST, A COUPLE OF GUTSY TEENAGERS AGAINST ALL ODDS 795 AD: A time of superstitious beliefs and dangerous forces. When Viking marauders burn the monastery on the Scottish Island, Iona, the orphaned Shaughn (14) is forced to flee the only home he ever knew in a desperate attempt to save a precious altar Bible. Not willing to be left behind, his cripple step-brother Connor (14) (with grand illusions of becoming a knight) and Heather (13), a superstitious, street-wise gypsy girl, accompany him on the adventure of a lifetime. Hot on the heels of the relic follows the fierce Viking, Thorvald, who is convinced that the Bible contains a secret recipe (a potion for eternal life). The escaping teenagers are cast into every imaginable medieval drama, from a bewitched castle to an encounter with a nasty Druid and even weird Viking Tournament Things. Shaughn, who passes the time reading Latin (a super-weird hobby for even a medieval teenager!) is clearly not equipped for this mission. Meanwhile, the cynical Connor, who harbours aspirations of becoming a famous knight, notwithstanding a lame foot and serious lack of valour, appoints himself bodyguard to Shaughn. But the brothers can barely stay on top of the spirited horse they fled on! Their only hope lies in the quarrelsome gypsy, Heather. Half Spanish and severely traumatised by the abuse she suffered at the hands of her stepparents, her single wish is to find her mother who, according to her, was abducted by fairies when Heather was 6 years old. Skilled as an archer, she saves the naïve boys from various predicaments but her superstitious nature soon drives them crazy. Shaughn, who is focused on his mission, is determined to educate her, whilst Connor finds it hard not to believe all her weird superstitions. As if it isn't enough that they are being harassed by a group of Vikings and their nasty offspring, an 'undercover' witch and each other, the teenagers also have to deal with Heather's drunken step-father (an ex-communicated monk who wants the Bible's bejewelled cover), the midget druid and his ogre-like twin brothers who plan to sacrifice the kids on the night of the all-dead, and an eccentric Pilgrim who appears and disappears like a ghost. Their greatest enemy, however, might just be their own insecurities. Through this journey of outsmarting medieval foes, the bickering children, barely equipped to deal with the threatening choices of real life, touch the lives of many hurt and lost people and also find real friendship. The journey teaches them to trust God unconditionally and to find the heroes inside themselves. A note on the Altar Bible: The Book of Kells. Fact: The Gospel of Colmcille is considered the most important treasure contained in the Trinity College Museum, Dublin. During the Viking raids on Iona in 795, the Bible disappeared and mysteriously reappeared at the monastery of Kells, Ireland. How it ended up there nobody knows... Fiction: Well, maybe three canny teenagers rescued it!

Woord en daad, 2003

Praying Mantis André Brink, 2006 A magical novel from a world class writer about a remarkable historical figure. In his early years, growing up on a Dutch farm in the deep interior of the southern African Cape, Cupido Cockroach became the greatest drinker, liar, fornicator and fighter of his region. Coming under the spell of the soap-boiler Anna, and under the influence of the great Dr Johannes Theodorus van der Kemp of the London Missionary Society, Cupido is made the first Khoi or 'Hottentot' missionary ordained at the Cape of Good Hope. Received into the fold of the Church, Cupido passionately turns against all his early beliefs. After being drawn into the fierce struggle between the missionaries and the Dutch colonists, he rises to some prominence and is appointed as missionary in a remote and arid region in the North-western Cape. But this also marks the beginning of his decline, as the Society abandons him to his fate. One by one, the members of his congregation disappear into the desert, so that in the end, abandoned even by his wife and children, he is left to preach to the stones and thorn trees and tortoises, returning to the dream-world of his people. In a heady mixture of comedy and tragedy, the real and the magical, and immersed in the ancient, earthy, African world of magic and dreams, *Praying Mantis* explores through the historical figure of Cupido Cockroach the origins of racial tension in the shadowlands between myth and history. From the Hardcover edition.

Ladybird Tales: Classic Stories to Share, 2015-10-01 Ladybird has published fairy tales for over

forty-five years, bringing the magic of traditional stories to each new generation of children. These classic stories are based on the original Ladybird retellings by Vera Southgate, with beautiful new illustrations of the kind children like best - full of richness and detail. An essential part of any child's bookshelf, Ladybird Tales are perfect for sharing together and creating memories to treasure forever. This beautiful treasury brings together five of everyone's favourite fairy tales: Hansel and Gretel, Cinderella, Aladdin, Snow White and the Seven Dwarfs, and Puss in Boots.

Story Books UCT School of Education, 1995-10-31 The Prep Series is a multilingual reading and writing series for the first four years of schooling, including school readiness. It consists of text charts, exciting and colourful story charts and story books. The series is available in all the official languages of South Africa.

The Imagined Slum Alan Mayne, 1993

Cultivating Missional Change Burger Coenie, Frederick Marais, Danie Mouton, 2020-03-20 Cultivating missional change reflects extensively on developments in the broad missional movement since the publication of the seminal book *Missional church* (1998). Purposely looking backwards, it endeavours to discern the way forward for missional theology and missional churches. This publication is the outcome of a conference on the future of missional theology and missional churches, held in 2015 in Stellenbosch, South Africa. Noted missional theologians such as Darrell Guder, Patrick Keifert, Stefan Paas, Graham Cray and Coenie Burger are amongst the contributors. The book is much more than conference papers. Important themes concerning the future of being missional surfaced during the conference. The collection, therefore, includes ten chapters written afterwards, serving as an indispensable roadmap for the continuing conversation on central missional themes. Although critical of the way in which some missional views and practices developed, *Cultivating missional change* is convinced the term missional is just too important, too central and too meaningful for the Christian tradition to be abandoned. *Cultivating missional change* offers a clear understanding of being missional, and promotes a more biblical and well-defined grasp of the Christian church as a missional church.

The Neglected Tradition Steven Sack, Johannesburg Art Gallery, 1988 The neglected tradition: towards a new history of South African Art (1930-1988), is one that takes on an historic importance in re-evaluating South African art by tracing the development and influence of black South African artists, and for the first time documenting this development and influence through an exhibition and researched catalogue. The compilation of this information provides students, researchers, and the public with a new perspective for the evaluation of art in this country.

Implications of the Gospel William A. Norgren, William G. Rusch, 1988

Formation of the Moral Self J. A. van der Ven, 1998 In the course of his study in practical theology, Dutch scholar Johannes A. van der Ven provides a foundational understanding of the process of moral development and the structures of education that help initiate it.

Really Yucky Stuff (That's Gross Volume 2) Speedy Publishing LLC, 2015-01-23 Children are often entertained by things that are disgusting and absurd. They will regularly seek this kind of material, so it is nice to have books that expose them to this stuff in a harmless fashion. The humorous value is endless, and kids inadvertently learn some science while reading. Ultimately, these publications use shocking images to elicit laughter and education.

Bartholomew and the Oobleck Dr. Seuss, 2013-11-05 Join Bartholomew Cubbins in Dr. Seuss's Caldecott Honor-winning picture book about a king's magical mishap! Bored with rain, sunshine, fog, and snow, King Derwin of Didd summons his royal magicians to create something new and exciting to fall from the sky. What he gets is a storm of sticky green goo called Oobleck—which soon wreaks havoc all over his kingdom! But with the assistance of the wise page boy Bartholomew, the king (along with young readers) learns that the simplest words can sometimes solve the stickiest problems.

Chain of Voices Andre Brink, 2007-09-01 On a farm near the Cape Colony in the early nineteenth century, a slave rebellion kills three and leaves eleven others condemned to death. The rebellion's leader, Galant, was raised alongside the boys who would become his masters. His first victim,

Nicholas van der Merwe, might have been his brother. As the many layers of Andre Brink's novel unfold, it becomes clear that the violent uprising is as much a culmination of family tensions as it is an outcry against the oppression of slavery. Spanning three generations and narrated in the voices of both the living and the dead, *A Chain of Voices* is reminiscent of William Faulkner's *Absalom, Absalom!*; it is a beautiful and haunting illustration of racism's plague on South Africa.

Ecclesiology in Context J. A. van der Ven, 1996 This important volume for students of ecclesiology, professors, ministers, and church staff members applies theological and social-scientific approaches to the development of practical models and strategies for the church's interaction with modern society.

A World with a Human Face Njongonkulu Ndungane, 2003 After the fall of Apartheid, many people in South Africa expected the Kingdom of God to arrive immediately; what they are now realising is that rebuilding and developing the country is not easy and will not bring instant rewards. The Archbishop of Cape Town is deeply involved in this difficult task, encouraging others to work for the future with hope and intelligence. The author of this text begins by telling his own life story; he then addresses the World Bank, the international community, the people of Britain and South Africa and most of all the church - showing what people are doing and what they can do to rebuild South Africa.

Five cries of youth Merton P. Strommen, 1988

Cape of Storms Andre Brink, 2007-09-01 He is the chieftain leader of the Khoikhoi, a nomadic people derogatorily called 'Hottentot' by European colonists. She is a white woman left behind by Portuguese explorer Vasco da Gama's crew when they rounded Africa's southern tip in 1498. Their romance is the core of this powerful novella. According to Portuguese myth, Zeus turned Adamastor into the rocky cape of the South African peninsula. André Brink's parable suggests that white Europeans have punished native Africans in the same way. With this novel, Brink takes us to the heart of the relationships that define South Africa's modern history. Peter Carey, Garcia Marquez, Solzhenitsyn: André Brink must be considered with that class of writer. -Guardian

Travels in South Africa John Campbell, 1816

God's Dream Desmond Tutu, Douglas Carlton Abrams, 2022-05-03 With warmth and humor, Archbishop Desmond Tutu distills his philosophy of unity and forgiveness into a picture book for the very young. Archbishop Desmond Tutu has a vision of God's dream, which he shares here with the youngest of listeners. It involves people who reach out and hold each other's hands, but sometimes get angry and hurt each other — and say they're sorry and forgive. It's a wish that everyone will see they are brothers and sisters, no matter their way of speaking to God, no matter the size of their nose or the shade of their skin. Aided by vibrant artwork evoking such images as a rainbow and a sharing circle, Tutu offers the essence of his ubuntu philosophy, a wisdom so clear and crystalline that even the smallest child can understand.

Instant In The Wind André Brink, 2011-11-30 In early 1749 a white woman and a black man are stranded in the wilderness of the South African interior. She is an educated woman, totally helpless in the wilds. He is a runaway slave. They know only each other. At first their relationship is guarded, poisoned by the black and white in them both. But hesitantly there emerges between them a fellowship that engulfs their most private selves, as they face the long trek back to civilisation.
