Fairly Smooth Operator: My Life Occasionally at the Tip of the Spear

Caroline Walsh, 2021-11-30 When people ask why I joined the Coast Guard, I respond that I was twenty-two, blond, and fit. In most military services that is guaranteed sexual harassment. Why not join the one with the ocean breeze? Caroline's journey from enlisted Coast Guard member to CIA analyst includes boot camp, Hamptons yachters named Gary, meaning making in Guantanamo Bay, and a session with a Veterans Affairs-assigned therapist who has fourteen cats, one of which cures migraines. She takes you from serious topics of sexual harassment and suicide to laughing about how her predator's moment to make her prey was oddly interrupted. You are a fly on the wall during her botched FBI polygraph and will be scratching your head about her CIA classmate who U-turns during their surveillance-detection training like she just saw a sign for a sale at Macy's.

Story, Story, Story: From Smooth to Cool Clement

London, 2003-08-18 This book of stories is prepared as object lessons for middle level readers and young adults. In times like these: fraught with impediments that often cloud the ability to exercise genuine, logical decisions, young people need strong leadership guides that would facilitate their search for participating in their world. Often, the guile from persons who present themselves as paragons of virtue is packaged in not-so-obvious garb that encourages deception. These three stories dramatize the fact that different guises may similarly deceive. Therefore, from the various story characters, one may discern the influences wrought and how such may eventually affect the behaviors of others. From the story about the Tortoise, one may learn how intentions that may initially may appear honest or well-intentioned, may eventually turn sour, because of subsequent abuse of power or the taking of the human spirit for granted. In the story about Mr. Gabilan and Papa Mongoose, one should

observe the dynamics of responsibility, and of the extent to which that may lead. The guile pursued should help the reader to note how one may unintentionally perform an act of doing something foolish. Finally, Donkey Strategy may demonstrate such crucial emotion as faith, determination, and hope, as well as the effort to overcome difficulties through persistence and honest grounding which develops to one becoming cool.

The Story of We Pierre De Wet,2011-03-30 The Story of We is every person's story-about the beauty of life, the unplanned pursuit of a dream and the resilience of love. He had a farm and dreams in Africa, but after tragedy strikes, everything crumbles. Nothing seems sure anymore-even his trust in God. He sets off for America, an unfamiliar country where he didn't even speak the language. With two young daughters and all they possessed in four suitcases, the three of them arrive in America with only hope. There, they encounter angels in human form of all colors and kinds who cross their paths one by one, bringing them to an unexpected destiny that far surpasses his greatest hopes. The power of three-three dreams and three hearts-weaves a story of simple pleasures, everlasting hope and surprising candor that will encourage and inspire. Only in America.

The Origins and Evolution of the Moses Nativity Story Cohen,2018-11-13 This book traces the development of the Moses nativity story from pre-Biblical sources through its Biblical formulation, and continues to trace its evolution in post-Biblical literature, from the Apocrypha, Pseudepigrapha, and Jewish Hellenistic writings, through Rabbinic literature, and up to Medieval Jewish exegesis. Influence of the Moses nativity story is also detected in Christian writings: hence this book also traces

the evolution of the story in the New Testament and early Christian works. This study uses a literary-typological approach, similar to that of the Gunkel-Gressmann school and the method used by Loewenstamm. However, unlike these scholars and their disciples, who focused primarily on the biblical stage, this book gives equal attention to all stages of the evolution of the birth story pattern; and, while providing a detailed analysis of each work, also focuses on continuity, tracing the path along which the literary pattern of the Moses nativity story developed.

Smooth: A Love Story Tracy Ewens, 2018-01-23 If only life came with a guarantee. Patrick McNaughton wants more. More people drinking Foghorn's beer, more money to push their brewery past the competition, and more cooperation from his brothers, who have no sense of urgency. He's all about conquering one challenge on his way to the next, so long as there's a remote chance of winning. That's why Aspen Pane sits in the office down the hall, oblivious to his attraction. Patrick has always wanted more with her, but he never was one to risk it all. Aspen Pane has more than enough. As business manager for Foghorn, she keeps the brewery in the black and lives up to the nickname the McNaughton brothers gave her—Wonder Woman. She's worked hard her whole life for the money she now has in the bank, the small house she calls home, and time with her friends. So, even though it seems everyone close to her, including her brother, is inconveniently falling in love, Aspen sticks with her to-do list. Because love risks everything and she doesn't do that for anyone. After an unexpected flight and an eccentric venture capitalist thrust them into a battle of wits and lies even they're not sure they can win, Patrick and Aspen must learn the difference between making a connection and making money. They may need to face their fears and risk it all in the name of finding a new work-love balance. Below are courtesy content warnings to the best recollection. They cover the major topics/themes, but may not be as nuanced as other trigger/content warning sites.

Smooth Operator Clifford L. Linedecker,2014-07-01 He Made Them Feel Beautiful, Special and Adored... Tall, blond and strikingly handsome with penetrating icy green eyes, Glen Rogers could use his knee-weakening charm to entice lonely women out of romantically lit bars and into the night. In all, four women would find out too late the deadly truth. For underneath his Prince Charming facade, Roger hid a twisted fury that could only be sated by strangling or stabbing beautiful, vulnerable women. Finally, after a gruesome six-week killing spree that shocked the nation and landed Rogers on the FBI's Ten Most Wanted list, he was caught in a grueling twenty-mile high-speed chase. Smooth Operator Here is the fascinating true story of one of the most notorious serial killers in history--a man who used his fatal charms to lure innocent women into a cruel date with destiny... Lucky and other stories Terence Park, 2014-05 What if you're not like anybody else? What if you can't be? What does it mean to be human? The odds are stacked against the lost and alone. Lucky is alien. Yep she really is an alien, and this edition collects the first four episodes in her tale. Long, long ago, there was war in the heart of the galaxy. The core stars were ripped apart by the fury of that conflict. Lucky is a survivor from it. Her ship charts a careful course, ploughing its lonely furrow between the stars, always away from what she once knew. She'd stop running but it's now all she knows. Eventually she comes upon a back-water of the Milky Way, known locally as Orion's Belt. Also

in this collection, four short stories: After School - civilisation is collapsing, even in the UK. Writing Day - a tale of the last library on Earth. Flower to Tree - all SF nightmares have a beginning. Joe and the Xenophids - humanity are next up on the extinction list. Some explicit content.
