Hope Heals Katherine Wolf, Jay Wolf, 2016-04-26 When all seems lost, where can you find hope? Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles, CA. As they pursued their dreams--she as a model and he as a lawyer--they planted their lives in the city and their church community. Their son, James, came along unexpectedly in the fall of 2007, and just six months later, everything changed in a moment for this young family. On April 21, 2008, as James slept in the other room, Katherine collapsed, suffering a massive brain stem stroke without warning. Miraculously, Jay came home in time and called for help. Katherine was immediately rushed into brain surgery, though her chance of survival was slim. As the sun rose the next morning, the surgeon proclaimed that Katherine had survived the removal of part of her brain, though her future recovery was uncertain. Yet in that moment, there was a spark of hope. Through forty days on life support in the ICU and nearly two years in full-time brain rehab, that small spark of hope was fanned into flame. Hope Heals documents Katherine and Jay's journey as they struggled to regain Katherine's quality of life and as she relearned to talk, eat, and walk. As Katherine returned home with a severely disabled body but a completely renewed purpose, she and Jay committed to celebrating this gift of a second chance by embracing life fully, even though that life looked very different than they could have ever imagined. As you uncover Katherine and Jay's remarkable story, you'll be encouraged to: Find lasting hope in the midst of struggle Embrace the unexpected Welcome God's miracles into your everyday life In the midst of continuing hardships, both in body and mind, Katherine and Jay found what we all long to find: a hope that heals the most broken place--our souls. Let Hope Heals be your guide along the way. Praise for Hope Heals: As I read this book, tears streamed from my eyes even as joy flooded my heart. Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life. This book reminds all of us where hope can be found in a world where none of us know what the next day holds. --David Platt, author of the New York Times bestseller Radical and president of the International Mission Board Hope Heals is a beautiful, true story that illustrates the love and protection God has for us even in the darkest times of our lives. Katherine and Jay's dedication to each other and the Lord through their most devastating season is inspiring. This book will help your heart believe that He sees, He knows, He cares, and He is still working miracles today! --Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries

This year, listen to the voices of nearly 200 women from all over the world through this devotional as they speak truth into your life about matters of the heart, mind, soul, and strength. You were created to be a whole person, physically and spiritually. So take the time to let your spirit breathe in and breathe out the presence of God with daily inspiration from other women like you. *Terry Fox and Me* Mary Beth Leatherdale, 2020-08-04 Celebrating the 40th anniversary of the Terry Fox Marathon of Hope, this picture book biography tells the story of a friendship defined by strength and love. Before Terry Fox become a national hero and icon, he was just a regular kid. But even then, his characteristic strength, determination and loyalty were apparent and were the foundation for his friendship with Doug. The two first met at basketball tryouts in grammar school. Terry was the smallest - and worst - basketball player on the court. But that didn't stop him. With Doug's help, Terry practiced and practiced until he earned a spot on the team. As they grew up, the best friends supported each other, challenged each other, helped each other become better athletes and better people. Doug was by Terry's side every step of the way: when Terry received a diagnosis of cancer in his leg, when he was learning to walk - then run - with a prosthetic leg and while he was training for the race of his life, his Marathon of Hope. Written from Doug's perspective, this story shows that Terry Fox's legacy goes beyond the physical and individual accomplishments of a disabled athlete and honors the true value of friendship.

But what if I go the wrong way? The Road curved a little, almost as if it was giving me a hug, and said, Do not worry. Sometimes we go the wrong way on our way to the right way. It's okay to be afraid or to sometimes wander down the wrong path. Beloved poet Cleo Wade's *What the Road Said* features illustrations by Lucie de Moyencourt and encourages us to lead with kindness and curiosity, remembering that the most important thing we can do in life is to keep going.

*Making Sense of God* Timothy Keller, 2016-09-20 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, *Making Sense of God* shines a light on the profound value and importance of Christianity in our lives.

**Gay Girl, Good God** Jackie Hill Perry, 2018-09-03 “I used to be a lesbian.” In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.
