In the process of trying to make these serious power moves he meets Elijah who begins to show him what he has been missing in life. All Elijah wants is a life of happiness and that special person to share it with but love never seems to come her way. As she takes care of her nephew because his neglectful mom lives for making all the wrong choices, she literally bumps into Kamori and that's when life changes for her. Alisha, Elijah's big sister is trouble and doesn't care about anyone but herself and shows it time and time again. Tragedy strikes them all and they may not ever be able to recover.

📖 [STRAIGHT THUG ON A MISSION TIL I GET WHAT I'M MISSIN 2 Ro Monique](#),2018-08-23 Synopsis Everything has been going great. Kamori wasn't looking for love but somehow it found him and he's enjoying every bit of Elijah. Now it's time to make that money move he's been waiting on that will make sure him and Kareem will be set for life. He has even considered making sure that Wendy is good if she continues to take her medication and stops doing all the stuff that she's been known to do. Then everything changes in an instant and his whole world is flipped upside down and for once he has no control over his life or the people around him. Elijah is finally happy! Then here comes Todd. He is not happy about her new found love and is willing to do anything to take it away from her. In his head she belongs to him and will always will. Todd thinks that nothing can take Elijah away from. Alisha can't stop and won't stop making stupid decisions that affect her and Prince negatively. All she seems to think about is herself until she makes the ultimate mistake. Tragedy is going to strike everyone hard in this installment and the real question is will they be able to bounce back from it or will it take everyone down to the point of no return.
