The Strawberry Adventure Beverly Lowe, 2020-09-24 Strawberry Adventure: A Lesson in Thankfulness follows a beautiful little princess as she learns how her life is so much better than others in her kingdom. Her parents have always taught their children to be loving and giving, but Katerina has grown up in a privileged home and hasn't seen the way children of less fortunate people live. Her love of strawberries and a search to find where they come from leads her and her best friend, Jasper, to meet the working family that provides the fruit for the castle. She sees little girls working in the hot field just so she can have strawberries and they can have money for their needs. Princess Katerina's heart is broken when she sees what these little girls have to do just so she can have fresh strawberries. She sets her sights on making things better for them and enlist her family to help. She is teased by her brothers for what she didn't know but is taught by her nanny and parents what God's Word and teachings say about helping neighbors. Princess Katerina's best friend, Jasper, is a little white pony who prayed for a friend, and God sent him the princess. They go on many adventures, learning about the world around them and how they should be the creatures God truly created them to be. Come along with them as they explore the forest, the castle grounds, and the fields of their kingdom. Every day is an adventure, and every adventure teaches them how wonderful life can be.

How's the Water, Girls? James Alan Avery, 2022-08-05 How's the Water, Girls? is the story of an inquisitive fish named Strawberry. Due to a chance question from a wise, older fish, Strawberry embarks on a journey to find water. None of the experts seem helpful; in fact, most of them discourage further exploration and thinking. But when Strawberry is abruptly pulled out of her normal life by a dramatic and unexpected event, she recognizes at once the truth about water. Because of this, her views about herself, others, and the world will dramatically change. Embracing this new insight brings her a joy that she cannot help but share with others.
