Confessions of a Stripper Lacey Lane, 2004-04

Take a behind-the-scenes no-holds-barred tour of your neighbourhood strip club. These adventures -- both high and low -- in the topless trade are culled from author Lacey Lane's seven years as an exotic dancer. This book takes you on an outlandish journey, from Lane's self-esteem issues, which provided the impetus for her entry into the skin biz, to the mysterious VIP Room, where anything and everything can happen. It's a parade through the screwy world of the strip club, where freaks, fetishists, scammers, high rollers, perverts, and even normal guys all congregate to partake in prurient fantasies of the flesh. Lane also provides a plethora of helpful hints for men -- and women -- who routinely frequent strip clubs, from tipping the bouncers and not getting suckered by roses and champagne to negotiating for services and yes, taking home a dancer.

Strip City Lily Burana, 2003-02-19 Lily Burana

had given up on stripping years before she accepted a marriage proposal-but decided to strip her way from Florida to Alaska before settling down. Lily, now a successful journalist, looks back at stripping with a writer's perspective. Her humorous yet hard-edged memoir deftly describes funky clubs and offbeat characters, the exhilaration that overtakes a dancer on stage-and the darker realities that assail her heart when she's out of the spotlight. *Strip City* is both a hugely entertaining insider's account of a hidden world and a moving voyage of self-discovery. Lily Burana has written for *The New York Times Book Review*, *GQ*, *New York magazine*, *The Village Voice*, *Spin*, and *Salon*. She lives in New York State. This is her rst book.

The Stripper's Daughter Justin Booth, 2017-12-15

Stories, often featuring Booth's beloved alter-ego Ethan Blue interspersed with hardscrabble poetry

that the character could have written himself.

A Stripper's Tail Diamond, 2005-03 For more than eight years, I lived and worked in the dark underworld of Las Vegas as an exotic dancer. Some things are worth repeating--others you try to forget. Unfortunately, you never forget. I decided it was time that somebody told the truth about what really happens in Las Vegas strip clubs and their VIP rooms. Is there sex in the champagne room? With the right dancer and for right price, there is anything you want in the champagne room! This book gives a lot of insight into what really happens when men are turned loose on the Las Vegas scene. I think men and women alike will be interested in reading about what really happens in Vegas. See what the dark twenty-four-hour world of Vegas is really like. See what an insider has to say about the life of an exotic dancer.

Neon Girls Jennifer Worley, 2020-06-09 NPR's Best Books of 2020 Galvanizing and urgent....a slice of queer urban history and a necessary rethinking of sex work as a site of collective labor struggle. -National Public Radio A riveting true story of a young woman's days stripping in grunge-era San Francisco where a radical group of dancers banded together to unionize and run the club on their own terms. When graduate student Jenny Worley needed a fast way to earn more money, she found herself at the door of the Lusty Lady Theater in San Francisco, auditioning on a stage surrounded by mirrors, in platform heels, and not much else. So began Jenny's career as a stripper strutting the peepshow stage as her alter-ego "Polly" alongside women called Octopussy and Amnesia. But this wasn't your run-of-the-mill strip club--it was a peepshow populated by free-thinking women who talked feminist theory and swapped radical zines like lipstick. As management's discriminatory practices and the rise of hidden cameras stir up tension among the dancers, Jenny rallies them to

demand change. Together, they organize the first strippers' union in the world and risk it all to take over the club and run it as a co-operative. Refusing to be treated as sex objects or disposable labor, they become instead the rulers of their kingdom. Jenny's elation over the Lusty Lady's revolution is tempered by her evolving understanding of the toll dancing has taken on her. When she finally hangs up her heels for good to finish her Ph.D., neither Jenny nor San Francisco are the same—but she and the cadre of wild, beautiful, brave women who run the Lusty Lady come out on top despite it all. A first-hand account as only an insider could tell it, Neon Girls paints a vivid picture of a bygone San Francisco and a fiercely feminist world within the sex industry, asking sharp questions about what keeps women from fighting for their rights, who benefits from capitalizing on desire, and how we can change entrenched systems of power.

Tales from the VIP Room Makaila Renee, 2013-04-25
Are you ready for what goes on in the V.I.P room? Come explore your wildest erotic fantasies with former stripper Makaila Renee, as she bares all, revealing what really happens in the VIP room in a firsthand account. Dirty secrets are exposed in this collection of candid confessions from the born stripper, the troubled stripper, an unlikely stripper, the veteran stripper and the new girl, also known as 'new booty.' What would drive a girl to take off her clothes and dance butt naked in front of strangers? Is there sex in the champagne room? Who can you expect to find in a VIP room? Prepare for excitement and pure pleasure as who, what, when, where and why are answered in this true, raw tale—straight from the VIP room. The aftermath of self-image, reputation and relationships are also

highlighted in this nasty little confessional. Also includes a bonus interview with a VIP room regular customer.

American Stripper Dion McTavish, 2015-06-22 As a teenager, Dion McTavish was a nerd. Smart, quiet, and scrawny, he surrounded himself with video games and books. He didn't drink or try drugs and he definitely did not party. But something happened when he got to the University of Florida. He began to work out. Soon, his new physique and a chance visit to a lingerie shop led him to a profession he'd never considered: male stripping. American Stripper tells the story of Dion's personal and professional growth as a stripper and as a young man navigating a new world of debauched parties, drunk sorority girls, swingers, jealous boyfriends, and male revues. Come along as he acquires a highly prized cop uniform, has his first threesome, and falls in love--all while pursuing his original dream, to become an English teacher abroad. Vivid, thoughtful, and hilarious, American Stripper is a candid account of the transformation of an ordinary boy into a hunky, world traveling young man who knows how to balance business with pleasure.

Stilettos in Vegas Valerie L. Diamond, Don McGann, 2013-09 Learn about the business of strip clubs and how strippers are misunderstood outcasts through the experiences of Las Vegas stripper Sapphire, a 23-year-old African American from New York. Risking arrest for big tips, she services the fantasies of various customers--married and divorced men, rappers, and Chinese billionaires. After having a child with Spider, a Vegas player, her daughter is taken away by child protective services, claiming she is a negligent mother because of her job. She gets her child back through a traditional marriage to an elderly white man, but then she becomes bored and is torn between her husband and Spider. The story changes

from drama to suspense when Sapphire decides to challenge the club for better working conditions, using as leverage accumulated evidence of sexual harassment, credit card fraud, and tax evasion. But the club is run by a notorious mob boss, and he's got his own plans for her ...

All I Could Bare Craig Seymour, 2008-06-17 A FRANK, FUNNY, EXPLICIT, AND INSPIRING MEMOIR ABOUT HOW DANCING NAKED IN GAY CLUBS IN THE NATION'S CAPITAL HELPED A COLLEGE PROFESSOR DISCOVER HIS TRUE SELF. I felt that I'd made a transformation as surely as Superman slipping out of a phone booth or Wonder Woman doing a sunburst spin. I was bare-ass in a room of paying strangers, a stripper. After years of wondering what it would be like, I had done it -- faced a fear, defied expectation, embraced a taboo self. It was only the beginning.... *All I Could Bare* is the story of a mild-mannered graduate student who took the road less clothed -- a decision that was life changing. Seymour embarked on his journey in the 1990s, when Washington, D.C.'s gay club scene was notoriously no-holds-barred, all the while trying to keep his newfound vocation a secret from his parents and maintain a relation-ship with his boyfriend, Seth. Along the way he met some unforgettable characters -- the fifty-year-old divorcé who's obsessed with a twenty-one-year-old dancer, the celebrated drag diva who hailed from a small town in rural Virginia, and the many straight guys who were gay for pay. Seymour gives us both the highs (money, adoration, camaraderie) and the lows (an ill-fated attempt at prostitution, a humiliating porn audition). Ultimately coming clean about his secret identity, Seymour breaks through taboos and makes his way from booty-baring stripper to Ph.D.-bearing academic, taking a detour into celebrity journalism and memorably crossing paths with Janet Jackson, Mariah Carey, and Mary J. Blige along the way. Hilarious, insight-ful, and touching, *All I*

Could Bare proves that sometimes the wrong decision can lead to the right place.

Candy Girl Diablo Cody, 2005-12-29 Decreed by David Letterman (tongue in cheek) on CBS TV's *The Late Show* to be the pick of "Dave's Book Club 2006," *Candy Girl* is the story of a young writer who dared to bare it all as a stripper. At the age of twenty-four, Diablo Cody decided there had to be more to life than typing copy at an ad agency. She soon managed to find inspiration from a most unlikely source—amateur night at the seedy Skyway Lounge. While she doesn't take home the prize that night, Diablo discovers to her surprise the act of stripping is an absolute thrill. This is Diablo's captivating fish-out-of-water story of her yearlong walk on the wild side, from quiet gentlemen's clubs to multilevel sex palaces and glassed-in peep shows. In witty prose she gives readers a behind-the-scenes look at this industry through a writer's keen eye, chronicling her descent into the skin trade and the effect it had on her self-image and her relationship with her now husband.

How to Date a Stripper...With No Money Down!

D.P. Sala, 2012-07-09 Have you ever wondered how some guys get strippers to go home with them? You have probably noticed that the guys were not much to look at either. You probably think they must have spent a lot of money at the club or used drugs to lure the dancers in. You're probably correct! In this book, I'll teach you how to get with scorching-hot strippers without spending lots of money or using drugs to attract them. You will learn many concepts about the strip club environment and many ways to target the perfect stripper to accomplish your goal of getting a stripper to go home with you. Once you're able to understand how the stripper mentality works and you use some of my proven techniques, you'll be well on your way to having more pleasurable

experiences with beautiful exotic dancers! Im sure a few of my exes and many strip club owners are going to be pissed off when they read this book. Check out www.stripper-book.com for updates and seminars that I host in your area. Your wingman,

The Stripper Diaries N. Kathryn Howard, 2005 Four strippers plot to take control over their men and their futures.

Stripping, Sex, and Popular Culture Catherine M. Roach, 2011-01-01 Moving from first hand interviews with dancers and others, this book broadens into an accessible examination of the popularity of striptease culture, with sex-saturated media imagery, and stripper aerobics at your local gym. It aims to scrutinize the truth of a industry whose norms are increasingly at the center of contemporary society.

Oversight of Toxic Chemical Abuse Allegations at Hill Air Force Base United States. Congress. Senate. Committee on Labor and Human Resources, 1981

Strip Club Kim Price-Glynn, 2010-09-14 Stripper chic is in these days: you can watch celebrities strip on Oprah or do it yourself at your local gym, but this popular face of stripping hides another side of the industry, one that is far less glamorous. In *Strip Club*, Kim Price-Glynn takes us behind the scenes at The Lion's Den, a rundown club where women are compelled to strip out of economic need rather than as a means of liberation, and a place where strippers' stories often reflect drudgery and dismay. *Strip Club* reveals the intimate working lives of not just the women up on stage, but also the patrons and other workers who make the place run: the owner-manager, bartenders, deejays, doormen, bouncers, housewives, and cocktail waitresses. Price-Glynn spent fourteen months at The Lion's Den working as a cocktail waitress. Her uncommonly deep access

reveals a conflict-ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women, men, sexuality, race, labour, and economic value. Full of rich insights into the world of a single club, Price-Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace. Taking a novel approach to this controversial and often misunderstood industry, Price-Glynn draws a fascinating portrait of life and work inside the strip club.

Straight Talk for Exotic Dancers Ella, 2021-01-08
It's challenging to live the life of a stripper, especially a respectable one. This intimate, erotic, and sensuous work is not for everyone, and offers fulfillment in a variety of ways for every woman who chooses this profession. Within a candid guidebook gleaned from her experience working undercover as a house mother in three Dallas strip clubs and interviews with more than fifteen hundred private dancers over a decade, Ella provides a glimpse into the lives of those who twerk for a living while providing the knowledge and footing for women to succeed in the business. While documenting the stripping industry, the kinds of women who strip, and why women choose this kind of work, Ella shares survival techniques that invite dancers to boost their income, save time, become more independent, and learn behaviors that will prevent them from compromising integrity and values. **Straight Talk for Exotic Dancers** is a stripper's roadmap filled with advice, survival tips, solutions to common problems, and lessons from real-life situations that will help any private dancer successfully navigate through the business.

Stripper Lessons John O'Brien, 1997 The protagonist is a lonely, middle-aged law clerk

whose only joy is a striptease joint where a dollar or two will win him affection. One day he crosses the line, falling in love, and the result is big trouble. The tale of a man's search to belong. By the author of *Leaving Las Vegas*.

Taken to the Back Room by a High-Class Stripper Hannah Butler, He'd been frequenting the same high-class strip joint for months, and he only bothered with a single stripper, his favorite. She haunted his every waking moment, and while he was glad she didn't have to go topless at this establishment, he longed to just jump on stage and take her clothes off... at the end of her first show, he intended to give her a large tip, but she comes out from backstage instead, and gives him the best tip he could imagine.

9 1/2 Years Behind the Green Door Simone

Corday, 2007 It's the 80's just before the advent of AIDS, and we are behind the scenes at the entrancing Mitchell Brothers O'Farrell Theater, which gonzo journalist Hunter S. Thompson has declared to be the Carnegie Hall of public sex in America. The theater and its steamy live shows are a countercultural venue for celebrities in entertainment and sports, and for San Francisco politicians and journalists. They are drawn by the beautiful strippers and the backroom hospitality of their outrageous porn king hosts, Artie and Jim Mitchell—who directed the groundbreaking porn film, *Behind the Green Door*, starring Marilyn Chambers. Simone Corday, who danced at the O'Farrell and was a girlfriend of the late Artie Mitchell for nearly a decade, shares her unique story and her insights. She is the only woman insider to write about this insular but captivating world during this period, when she was close to the impulsive Mitchells, and a friend of the O'Farrell's honorary Night Manager, Hunter Thompson. Corday's unusual background of having an MA in English, along with her honesty, irreverent sense of humor, and keen focus as an observer, make this a delicious expose. Corday gives a vivid account of three Mitchell Brothers films she took part in. They include the disastrous *Behind the Green Door*, *The Sequel*, a grandiose safe-sex epic with characters from Greek mythology, and their documentary on Hunter Thompson, titled *The Crazy Never Die*. She shares memories of her unconventional, passionate relationship with Party Artie Mitchell. His affectionate personal and domestic side, along with his love for his children, are remembered fondly. His taste for cocaine and advancing alcoholism—that led him to disappear on binges with a succession of young dancers—is also recaptured, as well as his volatile temper, his impish sense of fun, and his charismatic, macho persona. Corday sheds light on

Jim Mitchell's motives for shooting Art to death, and on the murder trial that follows. She reflects on her experience in the sex industry, and on her relationship with a notorious club owner. From the fun she had performing in the O'Farrell's spotlight as the theater's nemesis, then-San Francisco Mayor Dianne Feinstein, to her heartbreaking visit to Artie's grave a few short years later, this is a sensational ride.
