Big Bad Alec Strum, Big Bad provides actors and audiences of any age with a smart and wickedly funny play that lets the audience determine the outcome of the play! The most notorious criminal in the fairy-tale world, Big Bad Wolf, is being slapped with a class-action lawsuit by the countless quirky characters he has wronged. Now, the two greatest legal minds in the Enchanted Forest — the Evil Stepmother and the Fairy Godmother — will clash (on live Court TV, no less, with Sydney Grimm as commentator!) in a trial that will be remembered forever after. As Little Red Riding Hood, her Grandmother, the Three Little Pigs and the Shepherd in charge of the Boy Who Cried Wolf testify, the wolf seems deserving of all that's coming. But, even though the disreputable Evil Stepmother couldn't be less interested in pro-bono work on such an obviously futile defense, Mr. Wolf makes a good case for himself. Was he born a criminal, or made one? Perhaps he does deserve compassion instead of condemnation? What will the verdict be? Only the jury — your audience — can decide, when the doddering old Judge invites them to determine the outcome of the trial... and the play! With minimal set and costume requirements and a good balance of stage time for each character, you'll love the multiple endings that make every performance unique!

Strum Your Heart Out Crystal Kaswell, 2015-11-16 Moving in with your sexy, tattooed rock star best friend? No problem. Not if you're ready to give up eating, breathing, and sleeping... College senior Kara Kendrick is not about to let lust ruin a good friendship. Yes, her rock star guitarist best friend Drew Denton is stubborn, guarded, and quick to threaten violence on anyone who hurts her. He's also trustworthy, protective, and several degrees hotter than the sun. When Kara gets kicked out of her apartment, Drew insists she move in with him. But her crush isn't quite so manageable with him sweating through his push-ups. Or stepping out of the shower clad in only a towel. Or tackling her on the bed, tickling her to make her confess. There's no way they can be together. Not if she wants to keep her secrets. No matter how much her body begs her to throw herself on his bed, no matter how desperately she wants to rip off his v-neck and rake her hands over his defined torso, Kara is staying just friends with Drew. Until she's not. Until they're kissing and touching and about to do something that will change their friendship forever. ****Strum Your Heart Out* is a full length, standalone new adult romance with a friends to lovers theme*** *Sinful Serenade*, a new adult romance series, follows the men of rock band *Sinful Serenade* and the women they love. Girls Like Us Sheila Weller, 2008-04-08 A groundbreaking and irresistible biography of three of America's most important musical artists—Carole King, Joni Mitchell, and Carly Simon—charts their lives as women at a

magical moment in time. Carole King, Joni Mitchell, and Carly Simon remain among the most enduring and important women in popular music. Each woman is distinct. Carole King is the product of outer-borough, middle-class New York City; Joni Mitchell is a granddaughter of Canadian farmers; and Carly Simon is a child of the Manhattan intellectual upper crust. They collectively represent, in their lives and their songs, a great swath of American girls who came of age in the late 1960s. Their stories trace the arc of the now mythic sixties generation—female version—but in a bracingly specific and deeply recalled way, far from cliché. The history of the women of that generation has never been written—until now, through their resonant lives and emblematic songs. Filled with the voices of many dozens of these women's intimates, who are speaking in these pages for the first time, this alternating biography reads like a novel—except it's all true, and the heroines are famous and beloved. Sheila Weller captures the character of each woman and gives a balanced portrayal enriched by a wealth of new information. *Girls Like Us* is an epic treatment of midcentury women who dared to break tradition and become what none had been before them—confessors in song, rock superstars, and adventurers of heart and soul.

"[Music and Musicians on the London Stage, 1695?705](#) " Kathryn Lowerre,2017-07-05 From 1695 to 1705, rival London theater companies based at Drury Lane and Lincoln's Inn Fields each mounted more than a hundred new productions while reviving stock plays by authors such as Shakespeare and Dryden. All included music. Kathryn Lowerre charts the interactions of the two companies from a musical perspective, emphasizing each company's new productions and their respective musical assets, including performers, composers, and musical materials. Lowerre also provides rich analysis of the relationship of music to genres including comedy, dramattick opera, and musical tragedy, and explores the migration of music from theater to theater, performer to performer, and from stage to street and back again. As Lowerre persuasively demonstrates, during this period, all theater was musical theater.
