Corporations and Cultural Industries Scott W. Fitzgerald, 2012 *Corporations and Cultural Industries: Time Warner, Bertelsmann, and News Corporation*, by Scott Warren Fitzgerald, provides an introduction to the political economy of international media corporations. This text fills a fundamental gap in the critical media studies field, expanding on the relative paucity of academic studies. To ground the discussion, Fitzgerald focuses on the growth of three specific media conglomerates: Time Warner, Bertelsmann and News Corporation. Adopting an approach rooted in critical political economy, the book explains the corporations' growth through an engagement with broader social theories: the wider conditions of capital accumulation (especially theories of corporate competition and financialization); issues of institutional logic and corporate strategies; and the role of states as regulators, mediators of opposed interests, and facilitators of corporate expansion. The first section presents debates in social theory, addressing issues that pertain to cultural industries and dimensions in which they both challenge and extend these wider social theories. The second section presents detailed case studies of the three contemporary media 'mega companies' across the range of operations they coordinate, both within and outside the cultural industries. By analyzing the specifics and complexities of different media industries, *Corporations and Cultural Industries* examines how financialization processes re-gear the internal operations of media corporations in a manner that pits one sector against another. This book provides an in-depth study that can be used as stand-alone teaching resources or as a valuable supplement to a variety of media courses.

All the Rivers Dorit Rabinyan, 2017-04-25 A controversial, award-winning story about the passionate but untenable affair between an Israeli woman and a Palestinian man, from one of Israel's most acclaimed novelists When Liat meets Hilmi on a blustery autumn afternoon in Greenwich Village, she finds herself unwillingly drawn to him. Charismatic and handsome, Hilmi is a talented young artist from Palestine. Liat, an aspiring translation student, plans to return to Israel the following summer. Despite knowing that their love can be only temporary, that it can exist only away from their conflicted homeland, Liat lets herself be enraptured by Hilmi: by his lively imagination, by his beautiful hands and wise eyes, by his sweetness and devotion. Together they explore the city, sharing laughs and fantasies and pangs of homesickness. But the unfettered joy they awaken in each other cannot overcome the guilt Liat feels for hiding him from her family in Israel and her Jewish friends in New York. As her departure date looms and her love for Hilmi deepens, Liat must decide whether she is willing to risk alienating her family, her community, and her sense of self for the love of one man. Banned from classrooms by Israel's Ministry of Education, Dorit Rabinyan's remarkable novel contains multitudes. A bold portrayal of the strains—and delights—of a forbidden relationship, *All the Rivers* (published in Israel as *Borderlife*) is a love story and a war story, a New York story and a Middle East story, an unflinching foray into the forces that bind us and divide us. "The land is the same land," Hilmi reminds Liat. "In the end all the rivers flow into the same sea." Praise for *All the Rivers* "Rabinyan's book is a sort of *Romeo and Juliet*, a forbidden love affair between a Jewish girl from Tel Aviv and a Palestinian boy from Hebron. . . . [A] beautiful novel."—*The Guardian* "A fine, subtle, and disturbing study of the ways in which public events encroach upon the private lives of those who attempt to live and love in peace with each other, and, impossibly, with a riven and irreconcilable world."—John Banville, Man Booker Prize-winning author of *The Sea* "I'm with Dorit Rabinyan. Love, not hate, will save us. Hatred sows hatred, but love can break down barriers."—Svetlana Alexievich, winner of the Nobel Prize for Literature "Astonishing . . . [a] precise and elegant love story, drawn with

the finest of lines.”—Amos Oz “Rabinyan’s writing reflects the honesty and modesty of a true artisan.”—Haaretz “Because the novel strikes the right balance between the personal and the political, and because of her ability to tell a suspenseful and satisfying story, we decided to award Dorit Rabinyan’s [All the Rivers] the 2015 Bernstein Prize.”—From the 2015 Bernstein Prize judges’ decision “[All the Rivers] ought to be read like J. M. Coetzee or Toni Morrison—from a distance in order to get close.”—Walla! “Beautiful and sensitive . . . a human tale of rapprochement and separation . . . a noteworthy human and literary achievement.”—Makor Rishon “A captivating (and heartbreaking) gem, written in a spectacular style, with a rich, flowing, colorful and addictive language.”—Motke “A great novel of love and peace.”—La Stampa “A novel that truly speaks to the heart.”—Corriere della Sera

On Company Time Donal Harris, 2016-10-04 American novelists and poets who came of age in the early twentieth century were taught to avoid journalism like wet sox and gin before breakfast. It dulled creativity, rewarded sensationalist content, and stole time from serious writing. Yet Willa Cather, W. E. B. Du Bois, Jessie Fauset, James Agee, T. S. Eliot, and Ernest Hemingway all worked in the editorial offices of groundbreaking popular magazines and helped to invent the house styles that defined McClure's, The Crisis, Time, Life, Esquire, and others. *On Company Time* tells the story of American modernism from inside the offices and on the pages of the most successful and stylish magazines of the twentieth century. Working across the borders of media history, the sociology of literature, print culture, and literary studies, Donal Harris draws out the profound institutional, economic, and aesthetic affiliations between modernism and American magazine culture. Starting in the 1890s, a growing number of writers found steady paychecks and regular publishing opportunities as editors and reporters at big magazines. Often privileging innovative style over late-breaking content, these magazines prized novelists and poets for their innovation and attention to literary craft. In recounting this history, *On Company Time* challenges the narrative of decline that often accompanies modernism's incorporation into midcentury middlebrow culture. Its integrated account of literary and journalistic form shows American modernism evolving within as opposed to against mass print culture. Harris's work also provides an understanding of modernism that extends beyond narratives centered on little magazines and other institutions of modernism that served narrow audiences. And for the writers, the double life of working for these magazines shaped modernism's literary form and created new models of authorship.

Mr. Know-It-All John Waters, 2019-05-21 No one knows more about everything—especially everything rude, clever, and offensively compelling—than John Waters. The man in the pencil-thin mustache, auteur of the transgressive movie classics *Pink Flamingos*, *Polyester*, *Hairspray*, *Cry-Baby*, and *A Dirty Shame*, is one of the world’s great sophisticates, and in *Mr. Know-It-All* he serves it up raw: how to fail upward in Hollywood; how to develop musical taste, from Nervous Norvus to Maria Callas; how to build a home so ugly and trendy that no one but you would dare live in it; more important, how to tell someone you love them without emotional risk; and yes, how to cheat death itself. Through it all, Waters swears by one undeniable truth: “Whatever you might have heard, there is absolutely no downside to being famous. None at all.” Studded with cameos, from Divine and Mink Stole to Johnny Depp, Kathleen Turner, Patricia Hearst, and Tracey Ullman, and illustrated with unseen photos from the author's personal collection, *Mr. Know-It-All* is Waters’ most hypnotically readable, upsetting, revelatory book—another instant Waters classic. “Waters doesn’t kowtow to the received wisdom, he flips it the bird . . . [Waters] has the ability to show humanity at its most ridiculous and make that funny rather than repellent.” —Jonathan Yardley, *The Washington Post* “Carsick becomes a portrait not just of America’s desolate freeway nodes—though they’re brilliantly evoked—but of American fame itself.” —Lawrence Osborne, *The New York Times Book Review*

Darkroom Adam Bartos, 2012 *Darkroom* charts the physical and psychic terrain of photographic printing rooms while conveying their transition from the realm of pure functionality into historical artifact. Indirect portraits of both producer and product, Bartos' work explores the physical space linking artist to artwork and linking the tools of the medium to the signs of their use. As more darkrooms switch to digital printing or close shop altogether, we become more aware that the

tangible elements of darkroom printing may one day be lost. Bartos' recent large-format work documents and explores in equal measure the visual language and ethos of that analogue printing culture before it slips beyond our experience forever. The acrid odor of chemistry, an uncanny stillness hanging in damp air--Bartos records the descriptive aspects and spatial constraints of the darkroom but also visualizes the lab as a site of limitless creative potential, invested with as much aura as a photographic print. Heroic and humbling at the same time, these portraits speak to the individuality of the workspaces and their inhabitants but also to the shared architecture of all darkrooms. Bartos presents us with the perceptual tools to know the darkroom as it is today and to remember it one day as it will have been. Adam Bartos' photographs have been exhibited throughout the United States and Europe and were included in the MoMA exhibition *Into the Sunset: Photography's Image of the American West*. Monographs of his work include *International Territory*, *KOSMOS*, *Yard Sale Photographs* and *Boulevard*.

Jony Ive Leander Kahney, 2014-10-28 "An adulating biography of Apple's left-brained wunderkind, whose work continues to revolutionize modern technology." —Kirkus Reviews In 1997, Steve Jobs discovered a scruffy British designer toiling away at Apple's headquarters, surrounded by hundreds of sketches and prototypes. Jony Ive's collaboration with Jobs would produce some of the world's most iconic technology products, including the iMac, iPod, iPad, and iPhone. Ive's work helped reverse Apple's long decline, overturned entire industries, and created a huge global fan base. Yet little is known about the shy, soft-spoken whiz whom Jobs referred to as his "spiritual partner." Leander Kahney offers a detailed portrait of the English art school student with dyslexia who became the most acclaimed tech designer of his generation. Drawing on interviews with Ive's former colleagues and Apple insiders, Kahney "takes us inside the creation of these memorable objects." (The Wall Street Journal)

Marking Time Nicole R. Fleetwood, 2020-04-28 A powerful document of the inner lives and creative visions of men and women rendered invisible by America's prison system. More than two million people are currently behind bars in the United States. Incarceration not only separates the imprisoned from their families and communities; it also exposes them to shocking levels of deprivation and abuse and subjects them to the arbitrary cruelties of the criminal justice system. Yet, as Nicole Fleetwood reveals, America's prisons are filled with art. Despite the isolation and degradation they experience, the incarcerated are driven to assert their humanity in the face of a system that dehumanizes them. Based on interviews with currently and formerly incarcerated artists, prison visits, and the author's own family experiences with the penal system, *Marking Time* shows how the imprisoned turn ordinary objects into elaborate works of art. Working with meager supplies and in the harshest conditions—including solitary confinement—these artists find ways to resist the brutality and depravity that prisons engender. The impact of their art, Fleetwood observes, can be felt far beyond prison walls. Their bold works, many of which are being published for the first time in this volume, have opened new possibilities in American art. As the movement to transform the country's criminal justice system grows, art provides the imprisoned with a political voice. Their works testify to the economic and racial injustices that underpin American punishment and offer a new vision of freedom for the twenty-first century.
