Growth, creativity and innovation in the Nordic countries Nordic Council of Ministers,

Tihany Adam D. Tihany, 2014-03-18 Widely regarded as one of the world's preeminent hospitality designers and an early pioneer of the restaurant design profession, Adam D. Tihany shares his fascinating story and most spectacular projects in *Tihany: Iconic Hotel and Restaurant Interiors*. His fluid, profoundly diverse design vocabulary has for decades affected change and influenced the global luxury market, one that has embraced his

complex mix of sophistication, provocation, and pampering. His original and impeccably executed work has influenced a generation of designers and captured the imaginations of countless diners and guests, making Tihany the undisputed master of the art of hospitality design. This book offers an in-depth tour of some of the designer's most defining projects including the restaurants Per Se and Daniel in New York, Apsley's and Dinner in London, as well as the Westin Chosun in Seoul and the One&Only resort in Cape Town.

Designing Interior Architecture Sylvia Leydecker, 2013-05-28 Designing interior spaces is a task that is equally relevant as architecture,

landscape architecture, and urban design for those working professionally in the built environment. In this comprehensive work, an international and interdisciplinary team of authors presents the essential aspects of the various fields of contemporary interior architecture and design. The project examples are illustrated with brilliant photographs and plans. They have been selected according to consistent criteria for all chapters of the book and represent the essential building types, including exhibition stand design, as well as a broad range of today's design approaches. The authors place the collaboration between the various design disciplines at the center of focus. The appendix contains information for further research. All in all, *Designing Interior Architecture* is a fundamental reference work for all those professionally engaged with the design.

Zanzibar Chris McIntyre, Susan McIntyre, 2013 Both evocative and magical, Zanzibar offers travellers the quintessential Indian Ocean experience; palm fringed coastlines, powder- white sand, and colourful aquatic life. Passionate about detail, Chris and Susan McIntyre have carried out extensive on-the-ground research in producing this updated edition. There has been significant growth in the number of hotels, lodges and guesthouses on all three main islands since the last edition and, consequently, the accommodation listings have increased significantly: notably in Zanzibar Town (Stone Town), Matemwe, Michamvi Peninsula, and Mafia island. They visited all the accommodation listed. With almost 300 properties featured, many are newly built and the vast majority (spanning all budget levels) do not feature in any other guide on the market. Each entry has a detailed description with a strong emphasis on guiding readers to the most ethical options. Zanzibar goes into far greater depth than its competitors on the natural environment, history, culture, and sights. Few other guide books cover the islands of Pemba and Mafia in any detail and yet they are easily combined in a trip. With a focus on the environment, visitors are directed towards fair-trade shopping opportunities and sustainable marine parks. This new edition also includes a dedicated section on southern Tanzanian safaris, making this guide excellent for readers looking for a bush and beach combination. Advice is given on how to be sensitive to the local Muslim culture. Bradt's guide is the most frequently and

scrupulously updated guide available, vital for a destination with tourism growing and changing so rapidly.

A Pirate Looks at Fifty Jimmy Buffett, 2000-11-28 #1 NEW YORK TIMES BESTSELLER • This is the ultimate Jimmy Buffett philosophy on life and how to live it, “like sitting with Buffett at a beachside bar, listening to him spin tales” (Time). “Buffett took his family on a three-week trek around the Caribbean. . . . His colorful travelogue is interspersed with memoirs of his youth and music career—both of which revolve around his continuing search for the perfect fishing spot.”—USA Today For Parrotheads, armchair adventurers, and anyone who appreciates a good yarn and a hearty laugh, here is the ultimate backstage pass. You'll read the kind of stories Jimmy usually reserves for his closest friends and

you'll see a wonderful, wacky life through the eyes of the man who's lived it. Jimmy takes us from the legendary pirate coves of the Florida Keys to the ruins of ancient Cartagena. Along the way, we hear a tale or two of how he got his start in New Orleans, how he discovered his passion for flying planes, and how he almost died in a watery crash in Nantucket harbor. We follow Jimmy to jungle outposts in Costa Rica and on a meandering trip down the Amazon, through hair-raising negotiations with gun-toting customs officials and a three-year-old aspiring co-pilot. And he is the inimitable Jimmy Buffett through it all.

The New Luxury Experience Wided Batat, 2019-04-29
This professional book introduces marketing and luxury brand professionals to a new definition of luxury and the art of designing the ultimate luxury experience in both the physical space (e.g., in-store, hotel, restaurant) and the digital space (e.g., social media, website, e-commerce). Specifically, it offers an overview of customer experience issues and explores big five experiential strategies that can be applied by luxury houses in order to provide the best luxury experience to their customers. Themes such as quality of customer luxury experience, immersion and co-production/co-creation in luxury, creation and management, digital and immersive marketing, and innovative market research are also examined. How do consumers define luxury? Is there one luxury or several “luxuries”? What kind of luxury experiences consumers want to live? How can luxury houses design the ultimate luxury experience? More

than in any other sector, luxury consumption is a response to a search for emotions, pleasure, uniqueness, consideration and greatest services. The luxury consumer wants to live luxury experiences – not just buy luxury products or services. In this way, this book presents the luxury consumption experience as a combination of symbolic meaning, subconscious processes and nonverbal cues and characterized by fantasies, feelings and fun. Featuring case studies and interviews from international luxury sectors and brand managers such as Burberry, Dior, Porsche, Breitling, St. Regis Hotels & Resorts, and Louis Vuitton, among others, this book offers both a research and management perspective on luxury experience to professionals in the luxury sector (e.g., CEOs, brand managers, marketing and communication professionals), as well as marketing professors, students, and people eager to learn more about how to design the ultimate luxury experience. Praise for *The New Luxury Experience* "This book provides a holistic perspective on marketing of luxury brands, offering both useful practical advice as well as illustrating important cases." -- Ravi Dhar, Director, Yale Center for Customer Insights, Yale University "Wided Batat's book offers a fresh, insightful and comprehensive analysis of the concept of the consumer's experience with luxury whatever that may be. The Five experiential luxury strategies proposed by Wided highlight that luxury management should go above and beyond the design and branding of luxury goods and services. I also commend the consideration given to the younger generations'

approach to luxury and to corporate social responsibility aspects. Luxury marketers should find this book very useful indeed." -- Francesca Dall'Olmo Riley, Professor of Brand Management, Kingston Business School, UK
