J. Donald Walters, Swami Kriyananda

Self-Hypnosis and Subliminal Technology Eldon Taylor, 2023-08-01 This life-changing how-to guide demystifies self-hypnosis and subliminal technology to demonstrate how they are effective tools for your self-improvement journey. Everybody has some character trait he or she would like to change, and there are many techniques available to facilitate these changes. Unfortunately, many of them are either impractical or expensive—or both! Most people are somewhat familiar with hypnosis and subliminal technology but are reluctant to use them as serious self-help tools. In large part this is due to the fact that they've been mired in mystique, urban legend, and disinformation. The truth is that both self-hypnosis and subliminal communication are backed by extensive research that demonstrates their efficacy. More important, once learned, they can be customized for any situation and used almost anytime and anywhere. Join Eldon Taylor on your own self-improvement exploration using the tools in this book and on the accompanying audio download. Experience hypnosis and subliminal patterning for yourself!

In the Mind's Eye National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on Techniques for the Enhancement of Human Performance, 1992-02-01 The archer stands and pulls back the bow, visualizing the path of the arrow to the target. Does this mental exercise enhance performance? Can we all use such techniques to improve performance in our daily lives? In the Mind's Eye addresses these and other intriguing questions. This volume considers basic issues of performance, exploring how techniques for quick learning affect long-term retention, whether an expert's behavior can serve as a model for beginners, if team performance is the sum of individual members' performances, and whether subliminal learning has a basis in science. The book also considers meditation and some other pain control techniques. Deceit and the ability to detect deception are explored in detail. In the area of self-assessment techniques for career development, the volume evaluates the widely used Myers-Briggs Type Indicator.

They are created by specific ways of thinking and acting in the world. Paul McKenna has made a study of highly successful and effective people, and distilled core strategies and techniques that will help the reader to begin to think in the same way as a super-achiever. Learn how to master your emotions and run your own brain, how to have supreme self-confidence and become the person you really want to be. Paul McKenna's simple seven-day plan really will change your life for ever. Brilliantly effective self-improvement, in the bestselling tradition of *Unlimited Power* and *The Seven Habits of Highly Effective People*.

Three Magic Words U. S. Andersen, 2023-10-03 A revised and updated edition of a groundbreaking self-help classic, with a foreword by Eckhart Tolle, bestselling author of *The Power of Now* and *A New Earth* *Three Magic Words* presents a simple but profound truth: we can shape the outer world by shaping our inner thoughts. Instead of being controlled by circumstances, we can become architects of our reality by harnessing the power of consciousness itself. Throughout the book, U. S. Andersen illustrates this principle with meditations to help you reframe difficult situations and cultivate liberating thoughts. He also empowers you to: • understand the true relationship between mind and matter • free yourself from limiting beliefs • program your thoughts for success • tap the power of the subconscious mind • develop your innate intuitive abilities As Andersen puts it, this book is “aimed at revealing to you your power over all things. You will learn that there is only one mover in all creation, and that mover is thought.”

Subliminal Therapy Edwin K Yager, 2011-10-17 Subliminal Therapy is a technique that utilizes hypnotic phenomena for therapeutic purpose without requiring a formal trance induction. The protocol is effective as a sole intervention or as an adjunct to other forms of treatment. In this volume, the reader is introduced to the concepts and applications of Subliminal Therapy and taught its protocol as well. This includes establishing identifiable communication with the unconscious domain, uncovering influences that are causing current problems, and resolving those influences. The logically applied protocol of Subliminal Therapy engages unconscious process to uncover the causes of presenting problems, whether manifesting physically, emotionally, intellectually or behaviorally, and then to resolve that influence through re-framing and re-conditioning. The causes of psychogenic problems are usually not consciously recognized; only the resultant symptom - the disability - is apparent. Subliminal Therapy provides a practical, efficient and logical way to identify the cause, as well as a practical, efficient and logical way to resolve its influence. Although Subliminal Therapy may be new concept for professionals, it has been evolving over the past thirty years into a most efficient protocol. The technique has proved especially effective in the treatment of anxiety and the effects of early abuse such as sexual dysfunction, unresolved anger and psychogenic medical problems.
