Act Like a Success, Think Like a Success Steve Harvey,2014-09-09 In his phenomenal #1 New York Times bestseller Act Like a Lady, Think Like a Man, Steve Harvey told women what it takes to succeed in love. Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. In Act Like a Success, Think Like a Success, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else's, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance at success, and the fulfillment of your life's mission and purpose. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. “The scriptures say your gift will make room for you and put you in the presence of great men,” Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have.” Funny yet firm, told in Steve's warm and insightful voice, and peppered with anecdotes from his own life, practical advice, and truthful insights, this essential guide can help you transform your life and achieve everything you were born to.

The 10X Rule Grant Cardone,2011-04-26 Achieve Massive Action results and accomplish your business dreams! While most people operate with only three degrees of action-no action, retreat, or normal action-if you're after big goals, you don't want to settle for the ordinary. To reach the next level, you must understand the coveted 4th degree of action. This 4th degree, also known as the 10 X Rule, is that level of action that guarantees companies and individuals realize their goals and dreams. The 10 X Rule unveils the principle of Massive Action, allowing you to blast through business clichés and risk-aversion while taking concrete steps to reach your dreams. It also demonstrates why people get stuck in the first three actions and how to move into making the 10X Rule a discipline. Find out exactly where to start, what to do, and how to follow up each action you take with more action to achieve Massive Action results. Learn the Estimation of Effort calculation to ensure you exceed your targets Make the Fourth Degree a way of life and defy mediocrity Discover the time management myth Get the exact reasons why people fail and others succeed Know the exact formula to solve problems Extreme success is by definition outside the realm of normal action. Instead of behaving like everybody else and settling for average results, take Massive Action with The 10 X Rule,

remove luck and chance from your business equation, and lock in massive success.

10 GOLDEN Steps of Life Vikrmn, Drive life rather than getting driven. Take that step For every objective that you set out for yourself, a journey is inevitable. It's only when you take one step after the other, that you come closer to your goal. Own your way...your own way. From dreams that change with time, to the purpose of life and attaining it; from others' expectations, to the ability of self; the ever elusive love charm, and not giving up, no matter what – every small thing in life requires a plan. 10 Golden Steps of Life charts out ten such rules, which when followed will ensure more confidence and, eventually, success. The demands of life which are sometimes difficult to comprehend and fulfill have been beautifully woven in the ten stories that are inspired from real life events.

Motivation and Self-regulation in Sport and Exercise Chris Englert,Ian Taylor,2021-06-07 The ability to effectively use one's thoughts, emotions and motivation to enhance performance and well-being is one of the most important skills in sport and exercise contexts. Motivation and Self-Regulation in Sport and Exercise explores the theories, research and processes that underpin these self-regulatory and motivational processes. A deeper understanding of motivation and self-regulation has far-reaching implications, from helping individuals to begin an active lifestyle, to seasoned athletes looking for a competitive edge. For the first time, the globally leading researchers in this research field come together to provide their unique, cutting-edge insight into how to exercise or perform more effectively. In doing so, the book provides new insight into established theories of motivation and self-regulation, but also breaks new ground by inspecting lesser-known or emerging paradigms. This book is intended for all scholars interested in self-regulation and motivation, from undergraduate students to experienced researchers, as well as practicing sport and exercise psychologists, coaches and athletes.

Creativity, Inc. (The Expanded Edition) Ed Catmull,Amy Wallace,2014-04-08 The co-founder and longtime president of Pixar updates and expands his 2014 New York Times bestseller on creative leadership, reflecting on the management principles that built Pixar's singularly successful culture, and on all he learned during the past nine years that allowed Pixar to retain its creative culture while continuing to evolve. "Might be the most thoughtful management book ever."—Fast Company For nearly thirty years, Pixar has dominated the world of animation, producing such beloved films as the Toy Story trilogy, Finding Nemo, The Incredibles, Up, and WALL-E, which have gone on to set box-office records and garner eighteen Academy Awards. The joyous storytelling, the inventive plots, the emotional authenticity: In some ways, Pixar movies are an object lesson in what creativity really is. Here, Catmull reveals the ideals and techniques that have made Pixar so widely admired—and so profitable. As a young man, Ed Catmull had a dream: to make the first computer-animated movie. He nurtured that dream as a Ph.D. student, and then forged a partnership with George Lucas that led, indirectly, to his founding Pixar with Steve Jobs and John Lasseter in 1986. Nine years later, Toy Story was released, changing animation forever. The essential ingredient in that movie's success—and in the twenty-five movies that followed—was the unique environment that Catmull and his colleagues built at Pixar, based on philosophies that protect the creative process and defy convention, such as: • Give a good idea to a mediocre team and they will screw it up. But give a mediocre idea to a great team and they will either fix it or come up with something better. • It's not the manager's job to prevent risks. It's the manager's job to make it safe for others to take them. • The cost of preventing errors is often far greater than the cost of fixing them. • A company's communication structure should not mirror its organizational structure. Everybody should be able to talk to anybody. Creativity, Inc. has been significantly expanded to illuminate the continuing development of the unique culture at Pixar. It features a new introduction, two entirely new chapters, four new chapter postscripts, and changes and updates throughout. Pursuing excellence isn't a one-off assignment but an ongoing, day-in, day-out, full-time job. And Creativity, Inc. explores how it is done.
