**Daily Motivational Quotes-If misery loves company, than motivation breeds success!**

Susan A. Enns, 2010-12-13 This is a collection of my favorite motivational quotes all in one place! Some are sales related, some are business related, but most are simply life related. They are in no particular order, just a random thought for each day of the year to help keep you on a positive note. If the old saying "misery loves company" is true, then motivation must breed happiness! I have spent my entire career, in one form or another, in sales. As such, I have dealt with rejection almost every day of my working life. Don't get me wrong, I have had a very successful career, but no sales person hears yes all the time. In fact, it is just the opposite. We hear no many more times than we hear yes. In sales, rejection is just something we deal with every day. When we let it get us down, it shows to everyone we meet, including our customers, our colleagues and our family. Essentially, our negative attitude becomes our worst enemy. Even if you are not in sales, if you let your negative thoughts get the best of you, you are your own worst enemy too. Given my profession, I have been asked many times how do I stay positive? It can't be easy to keep the right attitude when you have to deal with rejection every day, right? Yes, actually, it can be. I stay positive because I choose to stay positive. I actually make a conscious effort to not be negative and to only be positive. I discovered long ago that a motivational quote always puts me in the right frame of mind. I started searching the internet for a daily quote that made me smile or motivated me in some way. Each day I did this, I found that I became better mentally prepared to tackle the day. More importantly, I was just happier! I started to share what I found online. I would put a daily motivational quote in my Facebook and LinkedIn statuses, I would blog about them, and I would tweet them on Twitter. Friends, family, and business associates all enjoyed them so much they started calling me The Quote Lady. More importantly, everyone's positive attitude seemed to be contagious. The more the motivation spread, the more everyone became motivated! That's when I decided to pull together a collection of my favorite

motivational quotes all in one place, and this eBook was created. I hope you enjoy them as much as I do. Remember, your thoughts control your outcomes and you control your thoughts. So choose wisely! Thank you for your everyday contribution to our success! It is really amazing for what you are doing in helping others stay positive and overcome their challenges, whatsoever small or big they may be Susan inspires me to do better and help others. Like it...Very Motivating

**Success Quotes** S. Darling, 2018-11-25 What is success? Despite all the endless books, articles and debate about success, are you still wondering what success is? The Webster dictionary defines success as getting or achieving wealth, respect, or fame. If success is about gaining wealth, respect or fame, how much wealth do you need to be successful, how much respect or how much fame do you need to be successful? What if you decide to devote your life to serving mankind, making a positive impact on society, raising children of character or serving your country in humility? Does it mean you are less successful? No. Success is doing the best you can with what you have whatever you are in life. This book is compiled in quotes based on the concepts that success can be cultivated. Every single one of us is capable of achieving our highest potential. Anders Ericsson Change your perspective on success, learn what success really means, and what strategies you need to be successful from a selection of quotes. The right quotation can shift your thinking, alter your way of seeing the world and give you a sudden and great revelation. Success Quotes: A Paradigm Shift of Success will help you to understand that with effort, persistence and the right strategy you can succeed. This book is an invaluable resource for anyone including writers, teachers, public speakers, coaches, and business people. It is also for anyone looking for inspiration, motivation or anyone who needs to communicate a positive message to an audience.

**Success Quotes Book** Michelle Winfrey, 2020-01-23 To be successful, you have to use each day as an opportunity to improve, to be better, and to get a little bit closer to your goals. It might sound

like a lot of work and with a busy schedule, next to impossible. But the best part is, the more you motivate and invest in yourself, you can accomplish your goals. When you change the quality of your thinking, you change the quality of your life, sometimes instantly. Just as positive words can make someone smile or a well-timed humorous quote can make someone laugh, our thoughts react to the world in real-time. You have complete control over only one thing in the universe, your thinking and that's where motivational quotes come in! The Success Quotes book contains a collection of quotes to inspire you to succeed in the face of failures, setbacks, and barriers. In the 21st century, the works of researchers like Carol Dweck, Anders Ericsson and many other researchers have led to a paradigm shift of success, with focus on growth

mind-set. Carol Dweck explains that it's not just our abilities and talent that bring us success, but our mind-set. This book is compiled on quotes and stories based on the above concepts and is for anyone who wants to achieve success but finds themselves thinking that they don't have what it takes. The Truth About Success Abrams Noterie, 2019-02-05

**Quotes about Success** Graham Parker, 2020-02-08 Inspirational quotes and motivational sayings have an amazing ability to change the way we feel about life. This is why I find them so interesting and crucial on our paths to success. So what's their secret? You see, the way you think and feel about yourself, including your beliefs and expectations about what is possible for you, determines everything that happens to you. When you change the quality of your thinking, you change the quality of your life, sometimes instantly. Here are Success quotes to inspire you to succeed in the face of failures, setbacks, and barriers. Sample Quotes Your successes and happiness are forgiven you only if you generously consent to share them. Albert Camus Your level of success will rarely exceed your level of personal development, because success is something you attract by the person you become. Ryan Holiday You're braver than you believe, and stronger than you seem,

and smarter than you think. A.A. Milne You sleep on a win and you'll wake up with a loss. Conor McGregor You never achieve success unless you like what you are doing. Dale Carnegie You know you are on the road to success if you would do your job, and not be paid for it. Oprah Winfrey You have reached the pinnacle of success as soon as you become uninterested in money, compliments, or publicity. Thomas Wolfe You don't have to show people how successful you are. Martin Yan You cannot dream yourself into a character; you must hammer and forge yourself one. James A. Froude You aren't going to find anybody that's going to be successful without making a sacrifice and without perseverance. Lou Holtz You are great. Already. Whether you realize it or not. Whether anybody else realizes it or not. And it's not because you launched an iPhone app, or finished school a year early, or bought yourself a sweet-ass boat. These things do not define greatness. Mark Manson Yesterday I dared to struggle. Today I dare to win. Bernadette Devlin Work for something because it is good, not just because it stands a chance to succeed. Vaclav Havel Without failure there is no sweetness in success. There's no understanding of it. Glenn Beck Without continual growth and progress, such words as improvement, achievement, and success have no meaning. Benjamin Franklin Without an open-minded mind, you can never be a great success. Martha Stewart Winning is a habit. Unfortunately, so is losing. Vince Lombardi Winning doesn't always mean being first. Winning means you're doing better than you've done before. Bonnie Blair Winners are not afraid of losing. But losers are. Failure is part of the process of success. People who avoid failure also avoid success. Robert Kiyosaki Why fit in when you were born to stand out? Dr. Seuss While money can't buy happiness, it certainly lets you choose your own form of misery. Groucho Marx When it comes to success, there are no shortcuts. Bo Bennett When I prayed for success, I forgot to ask for sound sleep and good digestion. Mason Cooley

Motivational Quotes Shelly M. Cameron, 2017-08-30 To get over our fears, we turn to green pastures found in our family, friends, colleagues, but most of all found in the solace that Quotes provide. Quotes are motivating. We all have our favorites. They encourage us to do something. When the going gets tough, many turn to a motivational Quote or two, for a bit of inspiration; to hold on; to become stronger. Quotes are displayed as pieces of art throughout our lives. We find them at work in offices, at home, in educational institutions, in museums, on T-Shirts, or those fortune cookies that most gravitate towards after a meal at a restaurant. I selected the most popular and well-liked quotes and published them into this book. The idea is to provide a compiled resource for those on or offline, who prefer to open a book for a daily boost of inspiration. I hope that the Quotes selected and published in this little pocket-book titled *Motivational Quotes to Boost Your Success*, will encourage you or a friend to take the step to try something new, something different. No doubt you will find it exhilarating as you step out.
