Lloyd's Register of Shipping 1921 Steamers Lloyd's Register Foundation ,1921-01-01

The Lloyd's Register of Shipping records the details of merchant vessels over 100 gross tonnes, which are self-propelled and sea-going, regardless of classification. Before the time, only those vessels classed by Lloyd's Register were listed. Vessels are listed alphabetically by their current name.

Saltwater City Paul Yee,2009-12-01 Saltwater City pays tribute to those who went through the hard times, to those who swallowed their pride, to those who were powerless and humiliated, but who still carried on. They all had faith that things would be better for future generations. They have been proven correct. Canada's first Chinese arrived in British Columbia in 1858 from California. Almost all mee—merchants, peasants, and laborers — and almost all from eight rural counties in the Pearl River delta in what is now Guangdong province — they came in search of gold and better fortune, escaping the rebellions, flood and drought of their homeland. By 1863 over 4,000 Chinese lived in B.C., filling jobs shunned by whites: miners, road builders, teamsters, laundry men, restaurateurs, domestic servants and cannery workers. Between 1881 and 1885, thousands more arrived, most imported to build the transcontinental railway. They were to create, in Vancouver, Canada's largest and most dynamic Chinese Community, known to its original inhabitants as Saltwater City.

The 10 Factor Tim Meuchel,2018-01-20 Tim Meuchel is the creator and author of THE 10 FACTOR: From Struggling to Thriving Business in 10 Months. Using his ten-month Success Blueprint, Tim helps consultants and entrepreneurs create a thriving business built around their ideal lifestyle. The goal of THE 10 FACTOR is to help you figure out how

to enjoy making money doing something you are good at. The problem most entrepreneurs face is they don't know how to put it all together, and if they do, they end up with a good business not properly positioned for maximum results. THE 10 FACTOR will guide you through both. Learning from someone else's mistakes and following a proven blueprint will save you time and money and will dramatically improve your chances for success. Your journey will start with a series of action steps designed to first help you focus and zero in on your dreams. Then you will learn how to leverage your expertise so you can go get your dreams. As you walk through the ten steps of THE 10 FACTOR, you will solidify your mindset, nail your messaging, position yourself in front of the right prospects, and optimize for maximum results. Then you will learn how to build the momentum needed to scale for maximum results and implement systems needed for long-term sustainability and profit. Like many successful entrepreneurs, Tim failed his way to success. He lost \$334,200 in 2008 after resigning from a twelve-year corporate management career to pursue his side business full-time. The business quickly grew 8X and within four months Tim's wife quit her job as well. Ten years later she remains a Stay-at-Home Mom. Several years after its exponential growth a bad business deal left Tim's company almost bankrupt. Tapping into emergency funds, he fought back and restructured the business; resulting in a new profit producing model requiring less than 40% effort. Seeing an opportunity to give back and help other struggling entrepreneurs Tim reverse engineered his process, validated it with top entrepreneurs, and created a ten-month roadmap - THE 10 FACTOR. Now it's your turn. Welcome to THE 10 FACTOR.
