Across the Street and Around the World Diana

Davis,Autumn Wall,2016-07-04 Think doing missions takes a major time commitment or too much organizational effort? Think again! If your small group or church has talked about getting involved in missions but doesn't know quite where to start—or, if you are a missions leader who has run out of ideas—then *Across the Street and Around the World* is for you! *Across the Street and Around the World* is a practical and approachable guide to missions. Inside the pages of this book are hundreds of ideas to engage you, your family, your small group, or your church in intentional missional ministry. Intended to serve as a springboard, the ideas are carefully organized by the amount of time needed—one hour, one day, one week, or longer—helping you determine which opportunity fits you and your group best. Now there is no reason not to gather your group, pick an idea, and start doing missions. Ready . . . set . . . GO!

Lawn Gone! Pam Penick,2013-02-12 A colorful guide covering the basics of replacing a traditional lawn with a wide variety of easy-care, no-mow, drought-tolerant, money-saving options that will appeal to today's busy, eco-conscious homeowner. Americans pour 300 million gallons of gas and 1 billion hours every year into mowing their lawns, not to mention 70 million pounds of pesticides and \$40 billion for lawn upkeep. No Wonder the anti-lawn movement is thriving, as today's eco-conscious consumers realize that their traditional lawns are water-hogging, chemical-ridden, maintenance-intensive burdens. *Lawn Gone!*, from award-winning gardening blogger Pam Penick, is the first basic introduction to low-water, easy-care lawn alternatives for beginning gardeners, written in a friendly style with an approachable package. It covers all the available time-saving options: alternative grasses, ground cover plants, artificial turf, hardscaping, mulch, and more. In addition, it includes step-by-step lawn-removal methods,

strategies for dealing with neighbors and homeowner associations, and how to minimize your lawn if you're not ready to go all the way.

Discovering Stella K.M. Golland,2020-11-26 A heartfelt, on the run, small town romance with a Virgin River meets The Hating Game vibe. Perfect for fans of Colleen Hoover. Can you ever truly start again? Stella I left my life behind; a life I wanted to forget. Now I'm the new girl in town, and my plan is to lie low and start fresh. But the local mechanic—my new roommate—is not going to let that happen. Determined, relentless, and deliciously covered in grease, he's a distraction I don't need. Lawson Drake found me broken down by the side of the road, and instead of thanking him for fixing my car, I almost broke his nose. Lawson There's a new girl in town—my best friend's step-sister—and she wants to play hard to get. Luckily, I enjoy that game, and I'll play as hard and as long as she needs me to play. Determined, stubborn, and with eyes as sweet as chocolate, she's just the distraction I need. Stella Walker was broken down by the side of the road, and instead of thanking me for fixing her car, she almost broke my nose. "This is a beautiful story of love, of hope and of learning not to run away from your problems - no matter how hard they might be to face." ~ Reviewer.

Seeing Past Z Beth Kephart,2004 In gorgeous prose and personal stories, Kephart resoundingly affirms the imagination as the heart of our ability to empathize with others, appreciate the world, and envision possibilities. Embedded in the text and appendices are examples of how to inspire children to read, write, and dream.

The Puppy Diaries Jill Abramson,2011-10-11 An instructive and marvelously entertaining chronicle of a puppy's first year, by the executive editor of The New York Times One sparkling summer day, Jill Abramson brought home a nine-week-old golden retriever named Scout. Over the following year, as she and her husband raised their adorable new puppy, Abramson wrote a hugely popular column for The New York Times's website about the joys and challenges of training this rambunctious addition to their family. Dog-lovers from across the country inundated her with e-mails and letters, and the photos they sent in of their own dogs became the most visited photo album on the Times's site in 2009. Now Abramson has gone far beyond the material in her column and written a detailed and deeply personal account of Scout's first year. Part memoir, part manual, part investigative report, *The Puppy Diaries* continues Abramson's intrepid reporting on all things canine. Along the way, she weighs in on such issues as breeders or shelters, adoption or rescue, raw diet or vegan, pack-leader gurus like Cesar Millan or positive-reinforcement advocates like Karen Pryor. What should you expect when a new puppy

enters your life? With utterly winning stories and a wealth of practical information, *The Puppy Diaries* provides an essential road map for navigating the first year of your dog's life.

Uncertain Empire examines the idea of the Cold War and its application to the writing of American history.

Where Is Bianca? Ellery Queen, 2015-09-29 The 1-eyed cop Tim Corrigan tears New York apart in search of a vanished beauty. Before the Korean War, Tim Corrigan was the toughest cop in the NYPD. He lost his left eye in battle, but that didn't make him any softer. The eye patch makes it impossible for Corrigan to work undercover, to blend in, to sneak. So he doesn't sneak, and he never whispers. He roars. Corrigan's closest friend is Chuck Baer, a private detective who saved his life more than once in Korea, and who is currently combing the city for a missing heiress named Bianca. When a woman matching her description is hauled out of the sewer, Corrigan fears he's solved his friend's case. But finding Bianca will take more than a lucky guess. The secret to her disappearance will draw Corrigan into the darkest part of New York's underbelly. In the city of the blind, the 1-eyed cop is king.

KILLING JURI KASAGAN William Scoales, 2015-06-12 The year is 1990. The U.S.S.R. is imploding and all sorts of things are

crawling from the wreckage, dazed, lost, and lethal. One is Juri Kasagan, model Russian prisoner. Others are those that mean to kill him. Another is his daughter who races to save him. Into this out of control kill fest sails a Connecticut lawyer on an innocent voyage of remembrance, that along with the others, is magnetically drawn to the Spanish port city of Cadiz. And, along with most of the “others” soon wonders why Cadiz?
