Civil Engineering Studies ,1988

Evaluation of Concrete Pavements Using Nondestructive Testing Techniques Ernest J. Barenberg,David A. Dietz,Mark L. Woods,1988 An evaluation of NDT equipment and acquisition of a Falling Weight Deflectometer (FWD) for the Illinois Department of Transportation was accomplished. This was followed by an extensive testing program using the FWD to evaluate concrete pavements in Illinois. Test results were evaluated and procedures developed for testing and evaluation of jointed and continuously reinforced concrete pavements. Results show that some causes of incipient distresses can be detected using the FWD device including subgrade strength, loss of load transfer and development of voids. Recommendations for rehabilitations are presented in the final report.

Sunny Notes Sparkle Sky,2019-05-13 Beautiful heart shaped sunset over the water. This is a lovely book to write positive and inspiring thoughts every day. It's 6 by 9 inches with 110 lined pages. A wonderful gift or buy for yourself.

Ecosystems Natalie Rompella,2007-08-06 This book offers the plans for nine science projects to discover how factors such as overcrowding, water, and decomposers affect ecosystems with tips on how to create the displays and how to extend and adapt the projects.

Summer Hours at the Robbers Library Sue Halpern,2018-02-27 From journalist and author Sue Halpern comes a wry, observant look at contemporary life and its refugees. Halpern's novel is an unforgettable tale of family...the kind you come from and the kind you create. People are drawn to libraries for all kinds of reasons. Most come for the books themselves, of course; some come to borrow companionship. For head librarian Kit, the public library in Riverton, New Hampshire, offers what she craves most: peace. Here, no one expects Kit to talk about the calamitous events that catapulted her out of what she thought was a settled, suburban life. She can simply submerge herself in her beloved books and try to forget her problems. But that changes when fifteen-year-old, home-schooled Sunny gets arrested for shoplifting a dictionary. The judge throws the book at Sunny—literally—assigning her to do community service at the library for the summer. Bright, curious, and eager to connect with someone other than her off-the-grid hippie parents, Sunny coaxes Kit out of her self-imposed isolation. They're joined by Rusty, a Wall Street high-flyer suddenly crashed to earth. In this little library that has become the heart of this small town, Kit, Sunny, and Rusty are drawn to each other, and to a cast of other offbeat regulars. As they come to terms with how their lives have unraveled, they also discover how they might knit them together again and finally reclaim their stories.

A Practical Field Guide to Weeds of Rice in Asia B. P. Caton,2010 Weed infestations are a concern for every farmer . Depending on the type of rice production system, farmers across Asia often contend with the same or similar weed species. This group of species is relatively small, but of great importance, and includes many of the world's worst weeds. In this guide, we have tried to collect practical information about some of the most common weeds of rice in Asia. The guide contains information about the botany, ecology, herbicide resistance, and cultural control of these species in a short text that should be easy to use in the field. In addition, it includes pictures to aid in early and accurate species identification.

Multimedia Reporting Richard Scott Dunham,2019-08-02 This is the first book to apply multimedia tools to economic and business storytelling. By examining the journalism essentials as well as the advanced multimedia skills, it helps readers use the latest technological tools to integrate multimedia elements into traditional news coverage. It also explains how to tell stories solely through multimedia elements. The new language of online journalism includes writing for digital platforms, writing blogs and writing for social media and involves a wide range of multimedia skills, like video, audio, photography, graphics, data visualization and animation. Multimedia journalism allows a two-way communication with the audience that was not possible in traditional "legacy" media, and this textbook is replete with links to useful tutorials, examples of award-winning multimedia stories, and advanced digital resources, offering journalists a road map to the brave new world of digital reporting and editing.

Gardenista Michelle Slatalla,2016-10-18 Named a Best Gift Book for Gardeners by The New York Times Book Review, Los Angeles Times, San Francisco Chronicle, Seattle Times, Domino magazine, and Goop. The team behind the inspirational design sites Gardenista.com and Remodelista.com presents an all-in-one manual for making your outdoor space as welcoming as your living room. Tour personality-filled gardens around the world and re-create the looks with no-fail planting palettes. Find hundreds of design tips and easy DIYs, editors' picks of 100 classic (and stylish) objects, a landscaping primer with tips from pros, over 200 resources, and so much more.

Regionalization in the World Economy Van R. Whiting,1996 This book is an outcome of a joint research project of the Institute of the Americas La Jolla, California, the Centre for US Mexico Studies, San Diego, the Graduate School of Interrelations and Pacific Studies at the University of California, San Diego an

Deviation Luce D'Eramo,2018-09-18 A devoted fascist changes her mind and her life after witnessing the horrors of the Holocaust First published in Italy in 1979, Luce D'Eramo's Deviation is a seminal work in Holocaust literature. It is a book that not only confronts evil head-on but expands that confrontation into a complex and intricately structured work of fiction, which has claims to standing among the greatest Italian novels of the twentieth century. Lucia is a young Italian girl from a bourgeois fascist family. In the early 1940s, when she first hears about the atrocities being perpetrated in the Nazi concentration camps, she is doubtful and confused, unable to reconcile such stories with the ideology in which she's been raised. Wanting to disprove these "slanders" on Hitler's Reich, she decides to see for herself, running away from home and heading for Germany, where she intends to volunteer as camp labor. The journey is a harrowing, surreal descent into hell, which finds Lucia confronting the stark and brutal realities of life under Nazi rule, a life in which continual violence and fear are simply the norm. Soon it becomes clear that she must get away, but how can she possibly go back to her old life knowing what she now knows? Besides, getting out may not be as simple as getting in. Finally available in English translation, Deviation is at once a personal testament, a work of the imagination, an investigation into the limits of memory, a warning to future generations, and a visceral scream at the horrors of the world.

Evaluation of Closed-circuit Television Technology for Application in Highway Operations. Final Report C. A. MacCarley,1992

Pudlo Paris, 2007-2008 Gilles Pudlowski,2007 Created by France's most respected food writer and critic, Gilles Pudlowski, thePudlo Parisguide to restaurants, cafes, bars, and gourmet shops is now available in English for the first time in its 17-year history. ThePudlois considered by discerning Parisians as the most informed, sophisticated, and up-to-date restaurant guide published today. Organized by arrondissement, the guide describes almost 1,000 restaurants in every neighborhood of Paris, ranging from Grandes Tables-the paragons of the French culinary scene-to restaurants that give unusually good value for the price. ThePudloalso lists almost 300 bars, pubs, wine bars, tea salons, and cafes. And-a priceless bonus for the culinary traveler-descriptions of almost 300 specialty gourmet shops. Gilles Pudlowski has singled out 21 of his personal favorites; 185 restaurants in settings of historical significance; 93 establishments he judges as giving especially good value for price; and 144 places where a meal costs less than 30 euros. You'll also find a Listing of Establishments by Rating and an alphabetical index singling out establishments with terrace or garden, those open on Sunday, and those open past 11 PM. Each review in the Pudlo is updated and rewritten annually by Mr. Pudlowski. The Little Bookroom will continue to be the English-language publisher worldwide for upcoming editions ofPudlo Parisas well asPudlo France(to be published in March 2008). InPudlo Paris 2007-2008you'll find: reviews of 32 Grand Restaurants-the paragons of the city's culinary scene; reviews of 965 Good Restaurants & Others-worthwhile venues in every neighborhood; and reviews of 41 of the top international restaurants. Short profiles of 313 Shops selling: Kitchenwares/Tabletop, Bread & Baked Goods, Wine, Cured Meat & Sausage, Chocolate, Candy/Sweets, Cutlery, Groceries, Cheese, Ice Cream, Fine Groceries, Books, Pastries, Fruit & Vegetables, Coffee, Regional Products, Prepared Food, Tea. Descriptions of 281 casual venues throughout Paris ("Rendez-vous"): Bars, Pubs, Wine Bars, Cafes, Creperies, Tea Salons, Brasseries. And, prized for being the most up-to-date of the restaurant guides, 141 venues make their first appearance in Pudlo Paris 2007-2008. Also noted: outdoor dining; open on Sunday; open after 11PM; children's menus; air conditioning; and all prix fixe and a la carte prices.

On Becoming Baby Wise Gary Ezzo,Robert Bucknam,2001 Discover the positive prescription for curing sleepless nights and fussy babies. Recommended by doctors across the country. - Back cover.
