By the Bay Kate Gaidos Eppler,2015-04-26 The San Francisco Bay Area is home to countless cultures, experiences and most-importantly-stories. In By the Bay, 17 authors use fiction and poetry to share the stories of their own Bay Areas. You'll meet young people struggling with expectations, and see parents working to uphold tradition. You'll visit hidden ecosystems and you'll also encounter the people in the shadows of this thriving region. These short stories and poems share hope for the future, respect for the past, and a passion for the dynamic patchwork that is life by the bay.By the Bay is the first anthology published by a network of Bay Area public libraries. Many of the authors in these pages are published here for the first time; many are names we're confident you'll see again. We are proud to present this chorus of new voices, who sound like the people we meet every day in our libraries. We hope you'll enjoy their stories.

*Canyons* Gary Paulsen,2011-08-31 Two boys, separated by the canyons of time and two vastly different cultures, face the challenges by which they will become men. Coyote Runs, an Apache boy, takes part in his first raid. But he is to be a man for only a short time. More than a hundred years later, while camping near Dog Canyon, 15-year-old Brennan Cole becomes obsessed with a skull that he finds, pierced by a bullet. He learns that it is the skull of an Apache boy executed by soldiers in 1864. A mystical link joins Brennan and Coyote Runs, and Brennan knows that neither boy will find peace until Coyote Runs' skull is carried back to an ancient sacred place. In a grueling journey through the canyon to return the skull, Brennan confronts the challenge of his life.

**Before the Ballot** John Chrastka,Patrick "PC" Sweeney,2019-07-03 Let's be blunt: library funding is political. And the struggle to secure funding is ongoing; the work that librarians need to do to influence local politics doesn't just pop up in the few months before

Election Day. It should span the years before or between elections. The authors' previous book *Winning Elections and Influencing Politicians for Library Funding* targeted library ballot committees and advocacy organizations. But their new book speaks directly to librarians, library staff, and boards. It is designed to help library leaders understand and navigate the political nature of their work in the years leading up to a ballot measure or political initiative. Sharing the tools and tactics developed by their organization EveryLibrary, the nation's first and only Political Action Committee for Libraries, in this book they discuss how the day-to-day work of librarians, their communications with the public, and their roles and responsibilities in the community can help increase the willingness of public and local elected officials to support funding libraries through taxes; guide readers through the practical side of running a public-facing Informational Communications Campaign for their library before Election Day; explain the concept of surfacing, the important groundwork of occupying a strong and positive space in the community during the years before and between ballot measures; demonstrate why surfacing is one of the most crucial steps a library can take to build and maintain support; share the most recent data insights into voter attitudes about libraries and librarians; show how libraries can coordinate internally to build new external partners; offer advice on finding, activating, and holding onto supporters; and discuss the path to the ballot with practical insights about how to get onto the ballot. This essential resource is filled with concrete steps that librarians, library staff, and boards can take to ensure that political support is there when they need it the most.

**Daughter of Rome** Tessa Afshar, 2020-02-04 A woman with a devastating secret. A man bent on proving his worth. A chance encounter that catapults them into the heart of history. When the daughter of a prominent Roman general meets a disinherited Jewish immigrant, neither one can dream of God's plan to transform them into the most influential couple of the early church. Nor can they anticipate the mountains that will threaten to bury them. Their courtship unwittingly shadowed by murder and betrayal, Priscilla and Aquila slowly work to build a community of believers, while their lives grow increasingly complicated thanks to a shaggy dog, a mysterious runaway, and a ruthless foe desperate for love. But when they're banished from their home by a capricious emperor, they must join forces with an unusual rabbi named Paul and fight to turn treachery into redemption. With impeccable research and vivid detail, *Daughter of Rome* is both an emotive love story and an immersive journey through first-century Rome and Corinth, reminding readers once again why Debbie Macomber has said that "no one brings the Bible to life like Tessa Afshar."
