The Business of Being an Artist Daniel Grant,2010-04-27 Fine artists are taught many things about the craft of art in the various art schools and university art programs, but rarely do they learn much if anything about how to make a career of their talents. The Business of Being an Artist contains information on how artists may develop a presence in the art world that leads to sales. The book contains information on how artists can learn to sell their work directly to the public with an understanding of the principles of marketing and sales as they're applicable to works of art. Artists will also learn how to find a suitable gallery that will arrange sales and commissions and how to set up a contractual relationship with the dealer that is both equitable and profitable. Among the topics covered in The Business of Being an Artist are: the range of exhibition opportunities for emerging and mid-career artists; how to set prices for artwork; when or if artists should pay to advance their careers; how artists may communicate with the public; applying for loans, grants, and fellowships; areas of the law that concern artists; using art materials safely; online sales and marketing, and much more. In addition to all of this priceless information, The Business of Being an Artist includes a unique discussion of some of the emotional issues that face artists throughout their careers, such as working alone, confronting stereotypes, handling criticisms and rejection, the glare of publicity, and the absence of attention. Without a doubt, The Business of Being an Artist is a must-have book for every artist ready to turn their talent into a successful business. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art,

photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

The Artist's Guide to New Markets Peggy Hadden, 1998 Equally valuable to emerging and established artists, this practical guide discusses alternative means by which artists can build or expand their careers beyond the gallery market. The useful information that fills these pages includes instructions for writing proposals and selling art to clients most artists would never consider approaching. Some of the ideas are: designing stamps for the U.S. Postal Service; selling art through architects and interior designers; placing art in corporate and public settings; and gaining access to online galleries.

Steve McQueen. Sunshine state. Ediz. illustrata Paul Gilroy, 2022 Il volume, disegnato da Irma Boom e ideato insieme allo stesso Steve McQueen, a cura di Vicente Todolí, raccoglie alcune delle opere più rappresentative realizzate negli ultimi vent'anni dall'artista e regista britannico. Negli ultimi anni l'artista ha infatti esercitato una grande influenza sull'utilizzo della cinematografia come medium artistico, realizzando alcune tra le più significative opere con immagini in movimento ideate per spazi espositivi e ha diretto quattro lungometraggi: *Hunger* (2008), *Shame* (2010), *12 anni schiavo* (2013) e *Widows - Eredità criminale* (2018). In Pirelli HangarBicocca, negli spazi delle Navate e del Cubo, sono presentati video, film e installazioni in stretta connessione con il contesto architettonico industriale, oltre a un progetto espositivo unico e site-specific, con opere riunite qui per la prima volta che danno

vita a una narrazione visiva, rivelando il radicale approccio dell'artista alla realtà e offrendo l'opportunità di conferire nuove letture al lavoro di McQueen. Il titolo dell'esposizione prende spunto proprio dall'omonima installazione video inedita dell'artista, *Sunshine State* (2022), commissionata e prodotta dall'International Film Festival Rotterdam (IFFR) 2022 e presentata qui in anteprima assoluta. Come osserva Vicente Todolí, «*Sunshine State* approfondisce ulteriormente i temi ricorrenti nella pratica di McQueen, esplorando questioni attuali e urgenti come l'identità e il post-colonialismo, mettendo in discussione l'instabilità e la fragilità dell'idea di libertà individuale nel mondo occidentale. Partendo dall'esperienza e dall'oppressione delle comunità nere discriminate, McQueen sviluppa una riflessione più ampia sull'essere umano. Nei suoi film sperimentali e video, l'artista proietta poeticamente la propria presenza sui soggetti raffigurati, sottolineando lo stretto legame tra essenza corporea e soggettività, tra la realtà e la sua rappresentazione». Il volume dà ampio spazio a testi critici di storici dell'arte e curatori - Paul Gilroy, Cora Gilroy-Ware, Solveig Nelson -, a una conversazione con l'artista a cura di Hamza Walker e a una ricca documentazione fotografica dell'esposizione.
