Sunshine Sketch, Vol. 2 Ume Aoki,2013-12-17 Daily life at the Hidamari Apartments goes on as the girls continue their art studies. Trips to the zoo, onsen excursions, and school projects fill their days as Yuno, Miya, Sae, and Hiro's friendships deepen. Take another peek into the lives of these memorable art students in the second installment of *Sunshine Sketch*!

The Book of Norman Norman Sunshine,2022-10 *The Book of Norman: Norman Sunshine / A Life in Art*, brings together more than seven decades of the American artist Norman Sunshine's painting, sculpture, pencil, charcoal, and digital work, all deftly interwoven into his remarkable life story. Born and raised in Los Angeles, Sunshine began as an illustrator for the entertainment industry and the New York Times, eventually moving into advertising, where he authored some of the most recognizable campaigns of the 1970s. He quickly drew acclaim as a painter of southern California's soft geometry and quiet loneliness. After moving back to the East Coast, his practice expanded: sometimes through distinctively experimental, Cezanne-like still-lives, sometimes capturing the austerity of the New England winter, but always developing a visual language equally attuned to the psychological and physical spaces he inhabited. *The Book of Norman* is both a memoir of the social and artistic worlds of post-war America and a deep reflection on a life devoted to making art. The art critic Donald Kuspit said of Sunshine's work that it is, a classical example of dynamic equilibrium. That statement is also true of the artist himself.

Sunshine Sketch, Vol. 1 Ume Aoki,2013-12-17 Accepted to a high school specializing in the arts, Yuno moves into a nearby apartment complex to make her commute easier. Just a few days into her new routine, she quickly discovers that creativity doesn't end with the art school bell! Her neighbors - Sae, Hiro, and Miya -are all fellow students, and each has her own hilarious quirks. And eccentricity clearly rules this school; Yuno's homeroom teacher is a cosplay otaku and the principal is just...weird. Will the quiet Yuno be able to handle this creatively kooky cast of characters?

Made in Florida Art Levy,2019-03-25 Discover some of Florida's most fascinating personalities in this entertaining kaleidoscope of interviews. *Made in Florida* showcases a colorful lineup of notable people who got their start in the state and who have helped make it the unique, diverse place it is today. Hear from Carl Hiaasen and Dave Barry about their weirdest writing inspirations. Discover why Shaquille O'Neal never complains. Find out what happens when Burt Reynolds goes to Costco. Listen to Theresa Manuel's experiences as one of the first black women to compete in the Olympics. Learn about the lives of Seminole Tribe elder Louise Gopher, pop art painter Romero Britto, NASA senior executive JoAnn Morgan, circus daredevil Bello Nock, football coach Steve Spurrier, state CFO Alex Sink, and Muhammad Ali's "fight doctor" Ferdie Pacheco. In addition to the widely celebrated, Art Levy introduces many unsung individuals. Meet innovative industrialists like "Chainsaw Al" and dedicated naturalists like "The Shark Lady." Mingle with a legendary rancher, a civil rights historian, and a commercial fisherman. Marvel at an anticrime crusader, a space skydiver, and a snake-venom enthusiast. These and other stars—many of whom rarely give such extensive interviews—talk family and work, joys and worries, failures and triumphs, dislikes and desires. Levy has thoughtfully selected their words from ten years of conversations. Each person tells a different story of Florida from a perspective all their own. Read on and get ready to laugh and lament, to be surprised and inspired.

Pacifico Silano. I Wish I Never Saw the Sunshine Pacifico Silano,2021 American conceptual artist Pacifico Silano's practice is rooted in excavating the printed ephemera of gay culture to create new images that comment on loss, longing and queer melancholy. In particular, Silano uses the gestures of framing, cropping and layering vintage gay erotica to comment on the HIV/AIDS crisis and its reverberations on queer lives, which included the loss of the artist's uncle at the height of the epidemic.'I Wish I Never Saw the Sunshine' is Silano's first artist's book, and engages with an ambitious accordion-folded format that references Silano's photo-based installations: two twenty-panel long sequences that can be read as both one continuous collage and a sequence of individual images. Included in the book is an interview with the artist by José Diaz, Chief Curator of The Andy Warhol Museum.

Vanishing Points of Interest 1+(2) Mark Sunshine,2020-04-19 Starting in college artist Mark Sunshine started to keep sketchbooks. From 1987 to 2003 it grew into a obsession. However in 2003, a particular life event prompted him to attack the books, removing only what he thought worthy. For years the art was stored away. Gradually inspired by artists such as Saul Steinberg and later David Sedaris, he chose to arrange the saved art and compile it into what he calls VPOI 1 +(2).
