Delayed Love Sandra Richmond, 2015-01-04 This is not your starry eyed, love struck romance. There are no singing birds or riding off into the sunset. There is no happily ever after. This is the type of story that tears your heart out, stomps it into the dirt, and very slowly sews it back together. Never to be the same again. Harley left Branchwood, Colorado, at eighteen in hopes of never returning. But at thirty-six she's forced to return to her hometown to bury her father. Can she come back home and not be touched by the painful secrets she left behind? Ford devoted his life to the Hell Hounds MC, even when doing so cost him the girl he loved. He survived that loss though, and put it firmly in his past. But sometimes the past comes running back into town to knocks you right on your ass. He wants the truth. She wants to forget. When the truth comes to light will they be able to work together and fix everything that went wrong? ***Beware this book contains sexy, dangerous bad boys***
