Girls Gone Skank Patrice A. Oppliger,2015-02-18 Instead of advancing women's social and professional empowerment, popular culture trends appear to be backsliding into the blatant sexual exploitation of women and girls at younger and younger ages. This study investigates the effects of mass marketed sexual images and cultural trends on the behaviors and attitudes of young girls and describes many ways in which young girls are increasingly taught to go to outrageous lengths in seeking male attention. Topics include the powerful effects of cultural phenomena such as revealing fashions, plastic surgery, and beauty pageants in influencing teen and preteen girls to willingly participate in and promote their own sexualization. These chapters also explore other cultural factors contributing to this early sexualization of young girls, including absentee parenting and material overindulgence. Later chapters focus on the sexual representations of females in the mass entertainment media, focusing specifically on how popular magazines, television programs, films, and the Internet prey upon, promote, and reinforce young girls' physical and sexual insecurities.

Beauty around the World Erin Kenny,Elizabeth Gackstetter Nichols,2017-06-22 Taking the concept of beauty seriously, this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts, giving readers an understanding of how to look at beauty both intellectually and critically. Is beauty ever more than skin deep? Arguably yes, considering that the concept of beauty—and the pursuit of it—has shaped cultures worldwide, across every time period, and has even served to change the course of history. Studying beauty practices yields insight into social status, wealth, political ideology, religious doctrine, and gender expectations, including gender nonconformity. A truly interdisciplinary text, *Beauty around the World: A Cultural Encyclopedia* presents an insightful perspective on beauty that draws from philosophy, literature, sociology, anthropology, psychology, and feminist studies, giving readers a unique view of world beauty practices. This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms and topics such as beards, dreadlocks, Geisha, moko tattoos, and progressive muscularity. Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide, and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter very much. The encyclopedia's entries challenge readers to consider the questions What is beauty? and Why does it matter? A comprehensive bibliography is a valuable resource for further research.

Lyle XOX Lyle Reimer,2019-03-05 Canadian makeup and mixed media artist Lyle Reimer has nearly 125,000 Instagram followers who visit his account @Lylexox to experience the fantasy and undeniable creativity of his self-portrait personas, which fuse facial sculpture, makeup, and found objects, accompanied by hilarious fictional backstories. Lyle Reimer has captivated Instagram fans with his strangely beautiful self-portraits where his face serves as a blank canvas for decorative facial collages that bring his otherworldly online personas to life. His love of makeup, fashion, and storytelling is evident in his Instagram posts where he styles the makeup, wigs, and assembles his elaborate facial sculptures made up of found and recycled objects. Always pushing the boundaries of beauty, Reimer explores a multiplicity of characters à la Cindy Sherman, combined with the subversive edge of performance artist Leigh Bowery, and the glamorous theatrics of Moulin Rouge! In his debut book, designed by the renowned art director Fabien Baron, Reimer has curated a collection of his favorite Instagram personas. For Reimer's spectacular facial collages, inspiration comes from the most quotidian things--from feathers, soy sauce packets, Pellegrino water labels, bleached turkey bones, and mattress foam to ripped pages from Vogue and deconstructed Gucci purses--to create beautiful pieces of facial art. Truly a must-have for makeup and beauty aficionados and those interested in online popular culture, this one-of-a-kind volume captures Reimer's work as he breaks the boundaries of beauty, embraces self-expression, and celebrates the ever-changing nature of an individual's sense of style.
