Complete Croquet James Hawkins, 2014-09-30 In its early days in Victorian England croquet was a game for the wealthy but competition from other sports - most notably tennis - the onset of two world wars, and a century of social change forced the game to adapt. Modern croquet is an intricate game of strategy, played socially within clubs and competitively at national and international level. The object of the game - to guide two balls round a circuit of loops - has changed little over the years but tactically, croquet has become much more complex, elaborate and fascinating. *Complete Croquet* is a comprehensive guide for the aspiring and improving croquet player. It deals with the basic skills, and how to avoid and eradicate common problems, as well as providing an in-depth coverage of modern tactics. The author focuses on the building blocks of break play, examining in detail how each element works before bringing it all together. There is advice on how to repair a bad situation when everything has gone wrong, how to exploit a good situation when everything is going well, and how to regain the initiative when the opponent is storming ahead. Whether your interest is in developing an understanding of top-class, championship-level tactics, in improving your play at handicap level, or even in just playing at home and wanting to get a better understanding of the game, *Complete Croquet* will prove to be invaluable. Superbly illustrated with 195 colour photographs and diagrams.

For the Love of Knitting Kari Cornell, One surviving cotton sock tells us that the Egyptians were knitting as long ago as the first millennium AD. Tenderly preserved shawls and sweaters bespeak our great-grandmothers handiwork. And colorful strands of yarn escaping from a basket in the

corner show that the tradition lives on with us. That tradition, celebrated in the stories and essays in this book, knits together a world of warmth and memory, wisdom and camaraderie. These writings--sometimes amusing, sometimes moving, always entertaining--comprise a charming scrapbook reflecting the myriad cultural and historical aspects of knitting. Ranging from the days of World War II to our own time, they include offerings by Jamaica Kincaid, Melanie Falick, Elizabeth Zimmermann, Meg Swansen, Susan Gordon Lydon, Pam Allen, Lela Nargi, Perri Klass, Teva Durham, and many others. Artwork by Solveig Hisdal, fiber artists Debbie New and Karen Searle, and photographer Chris Hartlove, along with historical photographs, vintage advertising, and pattern booklets, brings the color and textures of these stories to vibrant life. Whether you ply knitting needles yourself or simply appreciate the art, this collection will enfold you in all the softness, warmth, and beauty of knitting today and yesterday.
