Leading in the Digital Environment Lin Carver,Holly S. Atkins,2021-03-15 This book provides the theory behind integration of technology, provides a rationale for that integration, and explores resources and methods for supporting others in their growth in technology integration. Educational leaders will be a particular focus of the book as the need to be prepared to help their faculty integrate technology into their institutions. They are knowledgeable about administrative responsibilities, but not always as knowledgeable about theories and best practices of technology integration. Each chapter begins with a scenario or example from K-12 or higher education to illustrate the ideas presented in the chapter, then the chapter delves into the theoretical background, followed by a technology example, and concluding with activities readers could engage in to deepen their understanding of the concepts presented.

Pogo: The Complete Daily & Sunday Comic Strips Vol. 3 Walt Kelly,2014-11-11 It's in this volume (featuring another two years worth of Pogo strips) that we meet one of Walt Kelly's boldest political caricatures. Folks across America had little trouble equating the insidious wildcat Simple J. Malarkey with the ascendant anti-Communist senator, Joseph McCarthy. The subject was sensitive enough that by the following year a Providence, Rhode Island newspaper threatened to drop the strip if Malarkey's face were to appear in it again. Kelly's response? He had Malarkey appear again but put a bag over the character's head for his next appearance. Ergo, his face did not appear. (Typical of Kelly's layers of verbal wit, the character Malarkey was hiding from was a Rhode Island Red hen, referencing both the source of his need to conceal Malarkey and the underlying political controversy.) The entirety of these sequences can be found in this book. But the Malarkey storyline is only a tiny portion of those rich, eventful two years, which include such classic sequences as con-man Seminole Sam's attempts to corner the market on water (which Porkypine's Uncle Baldwin tries to one-up by cornering the market on dirt); a return engagement of Pup Dog and Hounddog's blank-eyed Little Orphan Annie parody Li'l Arf and Nonny; Churchy La Femme going in drag to deliver a love poem he wrote, Cyrano style, on Deacon Mush-rat's behalf to Sis Boombah (the aforementioned hen); P.T. Bridgeport's return to the swamp in search of new talent; and of course two rousing choruses of Deck Us All With Boston Charlie.

Songy of Paradise Gary Panter,2017-05-24 Fantagraphics is proud to present a major, all-new book by Gary Panter. Songy of Paradise is an inspired interpretation of John Milton's retelling of the story of Jesus being tempted by Satan after being baptized by John the Baptist and fasting for forty days and nights in the Judean Desert. Panter's version doesn't rely on Milton's words, but faithfully follows the structure of Milton's Paradise Regained, with one notable exception: Jesus has been replaced by a hillbilly, Songy, who is on a vision quest before being tempted by a chimeric Satan figure. Gary Panter is one of America's preeminent artists, designers, and cartoonists, whose work defined the L.A. punk scene and the vibrant work of the television show Pee-Wee's Playhouse. Songy of Paradise presents Panter's singular vision in an ornate, hardcover format that does justice to Panter's densely packed pages, with a stunning two-color stamping on cloth covers. It will be an art object, a brilliant literary experiment, and the most eye-popping graphic novel of 2017.

Hand of Fire Charles Hatfield,2011-12-12 Jack Kirby (1917-1994) is one of the most influential and popular artists in comics history. With Stan Lee, he created the Fantastic Four and defined the drawing and narrative style of Marvel Comics from the 1960s to the present day. Kirby is credited with creating or cocreating a number of Marvel's mainstay properties, among them the X-Men, the Hulk, Thor, and the Silver Surfer. His earlier work with Joe Simon led to the creation of Captain America, the popular kid gang and romance comic genres, and one of the most successful comics studios of the 1940s and 1950s. Kirby's distinctive narrative drawing, use of bold abstraction, and creation of angst-ridden and morally flawed heroes mark him as one of the most influential mainstream creators in comics. In this book, Charles Hatfield examines the artistic legacy of one of America's true comic book giants. He analyzes the development of Kirby's cartooning technique, his use of dynamic composition, the recurring themes and moral ambiguities in his work, his eventual split from Lee, and his later work as a solo artist. Against the backdrop of Kirby's earlier work in various genres, *Hand of Fire* examines the peak of Kirby's career, when he introduced a new sense of scope and sublimity to comic book fantasy.

Framing Education Lars Wallner,2019-01-22 Interest in comics as Swedish school material has risen in the last few years and the publication of comics for children and adolescents has also increased. Meanwhile, although research around new literacies has taken an interest in combinations of image and text, there is still little research on comics as a literacy material, especially as part of school practices. With comics' rise in popularity, and their quality as examples of new literacies, this points to the relevance of exploring how meaning making with comics is done in schools. The purpose of this study is to contribute knowledge on how locally situated literacy practices are done, practices in which pupils and teachers make meaning with comics. The study combines literacy, comics and discursive psychology to investigate aspects of literacy not as individual, inner workings, but as part of participants' social constructions, in line with New Literacy Studies. With this perspective, it is possible to investigate literary concepts such as narrative, and participants' construction of story elements, through the way in which these aspects are utilized by participants to construct social action – what participants do with their utterances. To study this, video recordings have been made in one primary and one secondary school, in two different Swedish cities. The results of the study show constructions of a comics literacy, where participants engage with both visual and textual aspects of the material and negotiate focalization of narrative perspective and construction of narrative structure as well as narrative devices such as speech and thought bubbles. Furthermore, meaning making of comics literacy also includes the construction of discourses around comics as a specific type of story telling, either for material or literary reasons. The thesis discusses how participants construct classroom literature, and provides insight into how interaction around comics enables participants to construct and negotiate discourses around what comics literacy is and what it enables, as well as how to talk about, create, and read comics. Intresset för serier som svenskt skolmaterial har stigit de senaste åren och publiceringen av serier för barn och ungdomar har också ökat. Även om forskning om new literacies har intresserat sig för kombinationer av bild och text så finns det fortfarande lite forskning på serier som literacymaterial, speciellt som en del av skolpraktik. Med det stigande intresset för serier och deras kvaliteter som exempel på new literacies, så pekar detta mot att det finns en relevans i att utforska hur meningsskapande med serier görs i skolan. Syftet med denna studie är att bidra med kunskap om hur lokalt situerad literacypraktik görs där elever och lärare skapar mening med serier. Studien kombinerar forskning om literacy, serier och diskursiv psykologi för att, i linje med New Literacy Studies, undersöka aspekter av literacy som en del av deltagarnas sociala konstruktioner – inte som ett individuellt, mentalt fenomen. Med detta perspektiv är det möjligt att undersöka litterära koncept som narrativ och deltagares konstruktion av berättelseinslag, genom det sätt på vilka dessa aspekter används av deltagare för att interagera – vad deltagare gör när de säger något. För att studera detta har videoobservationer använts i en lågstadieskola och en högstadieskola i två olika svenska städer. Resultaten från studien demonstrerar konstruktioner av serie-literacy där deltagarna engagerar sig i både text och bild i materialet, diskuterar berättandeperspektiv och konstruktioner av narrativ struktur, såväl som berättarverktyg, t.ex. prat- och tankebubblor. Därutöver inkluderar serie-literacy också deltagarnas skapande av seriediskurser där serier görs till en specifik typ av berättande, antingen på materiell eller litterär basis. Avhandlingen diskuterar hur deltagare konstruerar klassrumslitteratur, och studien erbjuder en insikt i hur interaktion runt serier möjliggör för deltagare att konstruera och förhandla diskurser om vad serieliteracy är och vad det erbjuder för möjligheter, såväl som hur deltagare kan prata om, skapa och läsa serier.

Pogo: The Complete Daily & Sunday Comic Strips Vol. 1 Walt Kelly,2011-12-05 Walt Kelly blended nonsense language, poetry, and political and social satire to make Pogo an essential contribution to American “intellectual” comics. As the strip progressed, it became a hilarious platform for Kelly's scathing political views in which he skewered national bogeymen like J. Edgar Hoover, Joseph McCarthy, George Wallace, and Richard Nixon. Walt Kelly started when newspaper strips shied away from politics — Pogo was ahead of its time and ahead of later strips (such as *Doonesbury* and *The Boondocks*) that tackled political issues. Our first (of 12) volume reprints approximately the first two years of Pogo — dailies and (for the first time) full-color Sundays. This first volume also introduces such enduring supporting characters as Porkypine, Churchy LaFemme, Beauregard Bugleboy, Seminole Sam, Howland Owl, and many others. And for Christmas, 1949, Kelly started his tradition of regaling his readers with his infamously and gloriously mangled Christmas carols.
