Superman Is Jewish? Harry Brod,2016-01-12 Harry Brod situates superheroes within the course of Jewish-American history: they are aliens in a foreign land, like Superman; figures plagued by guilt for abandoning their families, like Spider-Man; and outsiders persecuted for being different, like the X-Men. Brod blends humor and sharp observation as he considers the overt and discreet Jewish characteristics of these well-known figures and explores how their creators integrated their Jewish identities and their creativity.--From publisher description.
