*Supreme Personality: Fun in Living. A Doubt, Fear, and Worry Cure* Delmer Eugene Croft, 2022-09-15 'Supreme Personality: Fun in Living. A Doubt, Fear, and Worry Cure' is a motivational book written by psychotherapist Dr. Delmer Eugene Croft. The running theme of the book is best-described by the following passage: Life is self-realization. Every birth is divine. We are born anew every morning. My wish is that you may catch the gleam, be

freed from limitations and enter upon your boundless possibilities. Your endowments are so rich and rare. There is no other person in the world just like you.

Supreme Personality Delmer Eugene Croft, 2017-06-28  
SUPREME CONTROL OF CONDITIONS Conditions are thought made. Change your thought and you will change your condition. To agonize and struggle in a bad condition is like struggling in quicksand, you get in deeper. Tell your bad conditions to another and you multiply them. If the heavens are falling and the earth is slipping under your feet, grab a big Turkish towel, walk briskly into the supreme sanctuary of the body, -the bath-room, take a thorough salt-water bath, with a few drops of perfume in it to awaken your self-respect. Then in a quiet, darkened room take a good sleep of ten to fifteen hours. Then rise and eat slowly, quietly and happily some nourishing food. God, Himself, could do nothing with Elijah, until He had given him a long sleep and a good meal. Then Elijah went forth and crowned a King, appointed a Prophet, established a Kingdom, and rode Home in chariots of fire. Once you make a start, the world is at your command. Let go of the past. Stop the foolish thinking that conditions hold you, it is you holding onto conditions. Quit your self-pity, blaming others, and saying you are the victim of circumstances. Stop whining, and begin singing, then will your feet be loosed from the stocks and the iron gates open outward before you. Look away from yourself. IS YOUR WILL ASLEEP AT THE WHEEL? Awake it. See if you are sailing, or drifting. Set the compass of your Mind to new thoughts, fresh purposes, selfless desires, fill your sails with boundless hope, and let your daily voyage spell SERVICE in a big way. You are not a chip on the River of Life, you are a Supreme Master in a Universe of Facts. You think you are stuck in the harbor mud, but it is only that the tide is out.

Command your Will to put up the sails, God will send you wind and tide to bear you out of the stale, sordid mental and bodily conditions you are living in, give you wider horizon, and a limitless ocean of experience. If anybody does not wish to sail with you, leave them on the shore. Let go of your past, break away from conditions that hold you in slavery. Seek new scenery, form new surroundings, begin a new Supreme Life. KEEP YOUR BODY SUPREME: Go back to Nature; be a fine animal. Get into the sunshine, the silent woods, the open fields. Magnetize your body by walking thru the dew barefooted, by sleeping on the grass, or half buried in the sand. Tuberculosis, rheumatism, insomnia are unknown to wild animals. Our bodies are sick and weak because we have denatured ourselves. Make friends of the wild animals, they will teach you how to keep well. They have not a single case of nervous prostration in all their vast forest home. Learn to relax. Drop your tension and you check confusion. Stop a few minutes sometime in the day and quiet your nerves, rest your muscles, calm your senses, sooth your thoughts, somewhere in the sunshine, or under the shade of an old apple-tree. Eat simply, slowly, nuts, dates, cereals, fruits. Drink abundantly of water between meals. Dress less somber, study your personal appearance, give it harmony....

**A Living Theology of Krishna Bhakti** Tamal Krishna Goswami, 2012-06-15 A. C. Bhaktivedanta Swami Prabhupada (1896-1977), founder of the Hare Krishna Movement, traced his lineage to the fifteenth-century Indian saint Sri Chaitanya. He authored more than fifty volumes of English translation and commentaries on Sanskrit and Bengali texts, serving as a medium between these distant authorities and his modern Western readership and using his writings as blueprints for spiritual change and a revolution in consciousness. He had to speak the language of a people vastly disparate from the original recipients of his tradition's scriptures without compromising fidelity to the tradition. Tamal Krishna Goswami claims that the social scientific, philosophical, and 'insider' forms of investigation previously applied have failed to explain the presence of a powerful interpretative device—a mahavakya or 'great utterance'—that governs and pervades Prabhupada's 'living theology' of devotion on bhakti. For Prabhupada, the wide range of 'vedic' subject matter is governed by the axiomatic truth: Krishna is the Supreme Personality of Godhead. Goswami's academic training at the University of Cambridge, his thirty years' experience as a practitioner and teacher, and his extensive interactions with Prabhupada as both personal secretary and managerial representative, afforded him a unique opportunity to understand and illuminate the theological

contribution of Prabhupada. In this work, Goswami proves that the voice of the scholar-practitioner can be intimately connected with his tradition while sustaining a mature critical stance relative to his subject. A Living Theology of Krishna Bhakti includes a critical introduction and conclusion by Graham M. Schweig.

*Some Whispers from Eternity* Shomik

Chaudhuri, 2023-11-07 About the Book Humans have created artificial vivisections of the society in every conceivable way, be it religion, race, caste, creed, region, nation, and so many others. Religious, national strife is a regular feature; humans show hatred toward their fellow beings over nominal things and, of course, the reasons for dissention. There is limited place for self-improvement or inner introspection or self-development. But the life aims and goals should be understood and practiced and included in people's lifestyle, along with merriment and having a good time. *Some Whispers from Eternity* was written after seeing and experiencing the total degradation of life on earth and lack of empathy and compassion of humans living here for one another. In the book, author Shomik Chaudhuri enumerates numerous processes that help anyone to practice and evolve into better and more wonderful human beings. These are time tested and authentic processes that make it possible for anyone to practice. This not only helps you become better but also brings happiness and peace to everything and everyone around you. Studies, work, relationships, experiences all become much better. Concentration, patience, focus, endurance, calm disposition, body fitness, among so many others, evolve inside you. The quality of life becomes better. Life is short. Start today and do not let any day pass by without practicing the lessons and building your

relationship with God. Take one step at a time and practice with your sincerity and love for God. He will make your progress faster, easier, and more enjoyable. It should become a part of life and who you are. About the Author Shomik Chaudhuri is a renowned author for over 30 years. His work has been published in renowned daily newspapers like The Statesman, The Asian Age in Kolkata, India; United Nations Chronicle, New York, USA; weekly newspapers like News India Times, Desi Talk, The South Asian Times and numerous magazines and publications. He has over 22 years of education and training including at Harvard and Cornell Universities, USA. He is also an iconic personality in the Indian American print media world being the CEO and COO of some of the largest newspaper groups in the USA. His deep interest, insight and knowledge on spirituality and our human existence made him the youngest person in United Nations history to represent the organization to the World Summit for Social Development, Copenhagen, Denmark, in March 1995. He co-founded an NGO at the United Nations which introduced spirituality as an essential part of human existence after which the UN gave adequate attention to this most important aspect of human existence. He also co-founded an international NGO based in India which is in Special Consultative Status with ECOSOC of the United Nations. It has branches in New York and Europe for now. He has been an ardent practitioner of spiritual austerities from childhood and has been practicing Kriya Yoga for over 4 decades. His deep interest and passion for spiritual wisdom led him to associate with God-realized saints and was initiated in OM Kriya Yoga by Jagadguru Ramanandacharya Rajivlochanacharya in 1999. He wants to use his knowledge to help people globally uplift themselves spiritually and attain Life Divine.

you ever felt a deep yearning for a profound connection to yourself, the world, and the divine?
