Guide Book for Huffaz Muhammad Aslam Sheikhupuri,2014-01-06 This book is a very simple guide which will not only groom the child but also instill in him the spirit of gaining Quranic understanding. The book comprises a summary of the 114 Surahs (chapters) of Quran in a very simple manner. The summary provides understanding of such areas as Islamic knowledge, ideology, practice and character development. The book has been written for the students of hifz (memorisation). Therefore, issues of academic nature have not been touched upon nor is there an explanation of the complete surah (Quranic Chapter). Generally, things are explained in the context of the title of the surah. If there is an incident narrated in the surah, it has been explained for the interest of the students. If

there are some directions related to character development those have also been explained. In the end of every surah's summary, the key message of that surah is written. You may call it a summary of the summary or the key lesson. The purpose is that if the student cannot remember the whole summary he at least registers one key message in his mind. Similarly, if I was able to find a hadith describing the excellence of a particular surah, that has also been mentioned - so that the student reads that surah with more interest. Effort has also been made to keep the language as simple as possible. However, the subject matter is from Quran and it was difficult to make its understanding any easier than this. If the respected teachers can narrate and explain the summary of each surah to their students before the hifz of that surah, it can be hoped that the beliefs of these students will be corrected and they will realize the importance of good character and deeds. Since the book has been written for the huffaz, excellence of Quran; excellence of hifz; manners of recitation; importance of understanding Quran; way of doing hifz are some of the topics covered in the beginning. Further, some advice has been given to the teacher and parents of the hafiz. It is hoped that the advice will prove beneficial. The purpose of giving advising all of them is that the hafiz, his teacher and his parents, all realize their respective responsibilities. Consequently the hifz will become easier and its blessings will become evident. Dear readers! Out of all the books written for the huffaz, the style of this book is completely different. It is a totally new effort and every new effort has more chances of errors. If you point out these errors and provide me your valuable feedback you will do me a favor. In need of your prayers, late Muhammad Aslam Sheikhupuri (Who himself memorised the Quran in 11 months)

**Meanings of Juz' Amma** Muhammad Salih Al-Uthaymeen, 2020-10-09 Juz' Amma is the last of thirty equally divided sections of the Qur'an, and is comprised of its final 36 chapters (Surah 78 to Surah 114). Juz' Amma is named after its very first word ('amma / آمم), and is the most popularly memorized section of the Qur'an due to its brief chapters and concise verses. This juz' was almost entirely revealed during the Prophet's 12 years in Mecca, and hence its narrative focuses on centralizing the Divine in the hearts of the believers, attaching their hearts to the events of the Last Day, and ingraining in them perseverance through trials and excellence of character. This commentary on Juz' Amma was transcribed then translated from the audio recordings of the late scholar and jurist, Shaykh Muhammad Salih al-Uthaymeen. Its clear language and intertextual method (explaining the Qur'an with other Qur'anic passages) makes it an ideal resource for anyone seeking to better comprehend what they recite in prayer, develop their Qur'anic vocabulary, and become familiar with the fundamental principles of traditional Qur'anic exegesis. This book was compiled and published as curricula for Tajan Quran Institute (Allentown, PA, USA), but is perfectly suitable for self-study as well (in shā Allāh). All proceeds from its sales will go towards advancing the Qur'anic literacy of our students at Tajan.

**Quran** Talal Itani, 2014-08-17 Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (A) uses the word Allah to refer to the Creator. Edition (B) uses the word God. Quran Sura 91. The Sun. ash-Shams. In the name of Allah, the Gracious, the Merciful. 1. By the sun and its radiance. 2. And the moon as it follows it. 3. And the day as it reveals it. 4. And the night as it conceals it. 5. And the sky and He who built it. 6. And the earth and He who spread it. 7. And the soul and He who proportioned it. 8. And inspired it with its wickedness and its righteousness. 9. Successful is he who purifies it. 10. Failing is he who corrupts it. 11. Thamood denied in its pride. 12. When it followed its most wicked. 13. The messenger of Allah said to them, This is the she-camel of Allah, so let her drink. 14. But they called him a liar, and hamstrung her. So their Lord crushed them for their sin, and leveled it. 15. And He does not fear its sequel. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

*Quran, Hadith and Islam* Dr. Rashad Khalifa,2010-12-31 After more than 12 years of computerized research of Quran, PHYSICAL EVIDENCE was discovered proving that Quran is indeed the infallible word of God. This discovery became very popular among the Muslim masses throughout the world, and summaries of the work were printed and distributed by the millions. My personal popularity soared along with this most exciting, and most humbling, discovery. The continued research then unveiled a startling fact; that the extremely popular Hadith & Sunna have nothing to do with the prophet Muhammad, and that adherence thereto represents flagrant disobedience of God and His final prophet (Quran 6:112 & 25:31). This finding contradicts the beliefs of Muslim masses everywhere. Consequently, my personal popularity, and even the popularity of the Quran's miracle, plunged to the point of endangering my life and reputation. As it turned out, telling the Muslims that Hadith & Sunna are Satanic inventions is the same as telling the Christians that Jesus is not the son of God. Since the recognition of Hadith & Sunna as Satanic innovations is supported by PHYSICAL EVIDENCE, all freethinking people will accept the findings reported in this book. For such people, the results include a totally new sense of salvation, and full awareness that the Muslim masses have fallen victim to Satan's schemes.
