Surfing in San Diego John C. Elwell, Jane Schmauss, California Surf Museum, 2007-07-04 San Diego County has nearly 75 miles of picturesque coastline on the mighty Pacific Ocean, and for decades, San Diego has boasted of producing some of the world's finest surfers. But here surfing is more than a sport—it is a Southern California lifestyle—and as such has heavily influenced the beach towns throughout the county. Much research points to surfing having come to Southern California in 1907, and it may have taken hold in San Diego as early as 1910. Join with us in this wonderful pictorial journey through San Diego's little-known surfing past.

The History of Surfing Matt Warshaw, 2011-04-29 This in-depth, photo-packed look at the history and culture of surfers is "meticulously researched, smartly written . . . required reading" (Outside Magazine). Matt Warshaw knows more about surfing than any other person on the planet. After five years of research and writing, Warshaw, a former professional surfer and editor of Surfing magazine, has crafted an unprecedented, definitive history of the sport and the culture it has spawned. With more than 250 rare photographs, The History of Surfing reveals and defines this sport with a voice that is authoritative, funny, and wholly original. The obsessive nature of Warshaw's endeavor is matched only by the obsessive nature of surfers, who are brought to life in this book in many tales of daring, innovation, athletic achievement, and the offbeat personalities who have made surfing

history happen. "The world's most comprehensive chronicler of the surfing scene." –Andy Martin, The Independent

Surf and Rescue Patrick Moser, 2022-06-28 The mixed-race Hawaiian athlete George Freeth brought surfing to Venice, California, in 1907. Over the next twelve years, Freeth taught Southern Californians to surf and swim while creating a modern lifeguard service that transformed the beach into a destination for fun, leisure, and excitement. Patrick Moser places Freeth's inspiring life story against the rise of the Southern California beach culture he helped shape and define. Freeth made headlines with his rescue of seven fishermen, an act of heroism that highlighted his innovative lifeguarding techniques. But he also founded California's first surf club and coached both male and female athletes, including Olympic swimming champion and "father of modern surfing" Duke Kahanamoku. Often in financial straits, Freeth persevered as a teacher and lifeguarding pioneer--building a legacy that endured long after his death during the 1919 influenza pandemic. A compelling merger of biography and sports history, Surf and Rescue brings to light the forgotten figure whose novel way of seeing the beach sparked the imaginations of people around the world.

Surfer Girls in the New World Order Krista Comer, 2010-09-28 In *Surfer Girls in the New World Order*, Krista Comer explores surfing as a local and global subculture, looking at how the culture of surfing has affected and been affected by girls, from baby boomers to members of Generation Y. Her analysis encompasses the dynamics of international surf tourism in Sayulita, Mexico, where foreign women, mostly middle-class Americans, learn to ride the waves at a premier surf camp and local women work as manicurists, maids, waitresses, and store clerks in the burgeoning tourist economy. In recent years, surfistas, Mexican women and girl surfers, have been drawn to the Pacific coastal town's clean reef-breaking waves. Comer discusses a write-in candidate for mayor of San Diego, whose political activism grew out of surfing and a desire to protect the threatened ecosystems of surf spots; the owners of the girl-focused Paradise Surf Shop in Santa Cruz and Surf Diva in San Diego; and the observant Muslim woman who started a business in her Huntington Beach home, selling swimsuits that fully cover the body and head. Comer also examines the Roxy Girl series of novels sponsored by the surfwear company Quiksilver, the biography of the champion surfer Lisa Andersen, the Gidget novels and films, the movie *Blue Crush*, and the book *Surf Diva: A Girl's Guide to Getting Good Waves*. She develops the concept of "girl localism" to argue that the experience of fighting for waves and respect in male-majority surf breaks, along with advocating for the health and sustainable development of coastal towns and waterways, has politicized surfer girls around the world.
