The first-half of this guide covers the basics of longboard equipment, wave selection, courtesy, and surfing technique through standing up. The second part gets into intermediate and advanced longboarding skills including: cross-stepping, trimming, turning, turning maneuvers, essential noseriding, and finally, some of the breathtaking tricks that the pros execute so flawlessly. The key points are brought home with a stripped down text and photos featuring some of the best longboard surfers on earth, including Ted Robinson, Colin McPhillips, Jeff Kramer and Mark Stewart.
