**Clark Little** Clark Little,2022-04-05 Instagram sensation Clark Little shares his most remarkable photographs from inside the breaking wave, with a foreword by world surfing champion Kelly Slater. "One of the world's most amazing water photographers . . . Now we get to experience up-close these moments of bliss."—Jack Johnson, musician and environmentalist Surfer and photographer Clark Little creates deceptively peaceful pictures of waves by placing himself under the deadly lip as it is about to hit the sand. Clark's view is a rare and dangerous perspective of waves from the inside out. Thanks to his uncanny ability to get the perfect shot--and live to share it--Little has garnered a devout audience, been the subject of award-winning documentaries, and become one of the world's most recognizable wave photographers. This collection features his most beloved pictures, as well as work that has never been published in book form, with Little's stories and insights throughout. Journalist Jamie Brisick contributes essays on how Clark gets the shot, how waves are created, swimming with sharks, and more. With a foreword by eleven-time world surfing champion Kelly Slater and an afterword by the author on his photographic practice and technique, Clark Little: The Art of Waves offers a rare view of the wave for us to enjoy from the safety of land.

*City Surf* Leo Maxam,2019-11-16 City Surf tells the story of City Surf Project, a group of San Francisco surfers connecting underrepresented youth to the ocean and themselves through surfing. Featuring powerful stories from CSP's students and a plurality of characters from the city's fringe saltwater society - surfers who come from all walks of life - this beautiful hardcover coffee table book documents San Francisco's unique urban surf culture and its impact on the city's youth. Shot entirely on film by Nathan Lawrence and filled with more than 200 original photos, City Surf is a celebration of what it means to be a city surfer and how surfing and the ocean are changing young lives in San Francisco.

*Ghost Wave* Chris Dixon,2011-10-21 "Takes us to a place of almost mythic power and tells a story that unfolds like a long ride on a killer wave . . . compellingly written."—Sebastian Junger, New York Times–bestselling author Rising from the depths of the North Pacific lies a fabled island, now submerged just fifteen feet below the surface of the ocean. Rumors and warnings about Cortes Bank abound, but among big wave surfers, this legendary rock is famous for one simple (and massive) reason: this is the home of the biggest rideable wave on the face of the earth. In this dramatic work of narrative nonfiction, journalist Chris Dixon unlocks the secrets of Cortes Bank and pulls readers into

the harrowing world of big wave surfing and high seas adventure above the most enigmatic and dangerous rock in the sea. The true story of this Everest of the sea will thrill anyone with an abiding curiosity of and respect for mother ocean. "A terrific, deeply researched tale about a truly wild place. You couldn't make up Cortes Bank, or the characters who've tried to make it theirs." —William Finnegan, Pulitzer Prize-winning author of *Barbarian Days: A Surfing Life* "A first-rate account of an amazing phenomenon and the people who tried to conquer and exploit it. A great read." —Winston Groom, New York Times-bestselling author of *Forrest Gump* "After reading Chris' most excellent account of the monstrous waves of the mysterious Cortes Bank—the Bermuda Triangle of the Pacific—I never thought I would ever consider riding a wave like this. But after surviving a five-foot, head-first fall from the stage earlier this year, I think I might be ready." —Jimmy Buffett

*Layout Plans for Toy Trains* Kent J. Johnson, 2002 These interesting plans featuring O gauge sectional track illustrate a variety of layouts. Matt Warshaw knows more about surfing than any other person on the planet. After five years of research and writing, Warshaw, a former professional surfer and editor of *Surfing* magazine, has crafted an unprecedented, definitive history of the sport and the culture it has spawned. With more than 250 rare photographs, *The History of Surfing* reveals and defines this sport with a voice that is authoritative, funny, and wholly original. The obsessive nature of Warshaw's endeavor is matched only by the obsessive nature of surfers, who are brought to life in this book in many tales of daring, innovation, athletic achievement, and the offbeat personalities who have made surfing history happen. "The world's most comprehensive chronicler of the surfing scene." —Andy Martin, *The Independent*

*John Severson's Surf* John Severson, 2014 John Severson (born 1933) revolutionized pop culture's vision of surfing and surf culture through his prolific artistic output that transverse decades and disciplines. He began his career as a painter, selling his canvases at Long Beach State College. These first works consisted of oil paintings, photographs, drawings and prints relating to Hawaiian and Californian surf culture. In 1958, Severson expanded his repertoire and created a series of popular surf movies, such as *Surf Safari*, *Surf Fever*, *Big Wednesday* and *Pacific Vibrations*. While his were among the first surf movies, it was the posters associated with them, hugely popular when issued in the 1950s and 1960s, that remain collector favorites today. Showcased in these early posters, his graphic skills translated easily to *Surfer* magazine, which he founded in 1960. The magazine was the first to celebrate and revolutionize the art and sport of surfing, establishing it as a powerful pop culture phenomenon. The first issue was a 36-page collection of black-and-white photos, cartoon sketches and short articles—every aspect of which was created by Severson himself. His photographs appeared in *Life*, *Sports Illustrated*, *Paris Match* and other print venues. *John Severson's SURF* explores Severson's surf odyssey through painting, photography, film and publishing. Featuring an interview with the artist by Nathan Howe, artist and curator at Puka Puka, Hawaii, foreword by Gerry Lopez, surfer and co-founder of Lightning Bolt surfboards and afterword by Drew Kampion, author and former editor of *Surfer*, John Severson's *SURF* documents the birth of surf culture and serves as a testament to our ocean.

**Women on Waves** Jim Kempton, 2021-07-06 A captivating look at two centuries of surfing—the Sport of Queens—from Native Hawaiian royalty to the breakout style and jaw-dropping feats on the waves today. Few subjects in the world of sports and or the outdoors is more timely or compelling than women's surfing. From smart, strong, fearless women shattering records on 80-foot waves to professional athletes fighting for equal pay and a more fair and just playing field, these amazing, wave-riding warriors provide an inspirational and aspirational cast of powerful role models for women (and men) across all backgrounds and generations. Over the past two-hundred years, and especially the past five decades, the surfing lifestyle have become the envy of people around the world. The perception of sun, sand, surf, strong young women and their inimitable style, has created a booming lifestyle and sports industry—and the sport that is set to make it's Olympic exhibition debut in Tokyo 2021. A massive shift from when colonizers tried to extinguish all traces of Native Hawaiian surfing and its sacred culture. What is it about the surfing that intrigues people of all ages, from all corners of the world? The beaches and idyllic locations? The unique style and mystique that surfers project? These women, on the beach and riding giant waves, or in the media, have made their mark on not just their sport, but our wider culture. *Women on Waves* is filled with phenomenal athletic performance, breakthrough female achievements, and plenty of inspiration and fun to see us through until the time when we can all hit the surf once more! Spanning a millennia, From Hawaii to Malibu, New York to Australia, South Africa to the South Pacific and beyond, Jim Kempton presents a fascinating new narrative that will captivate anyone who loves sports and the outdoors.

*She Surf* Lauren L. Hill, Robert Klanten, gestalten, 2020 Join the celebration of the diverse, vibrant, and engaged community of women riding and making waves around the globe. While surfing is usually seen as a male domain, women have long been nurturing their own water stories and claiming their rightful place in the world of this sport. *She Surf* hails the females, past and present, who are engaged in expanding the art of surfing. Through exclusive interviews and evocative imagery, the book travels from the iconic waves of Hawaii to remote locations in Morocco. Learn about the forgotten stories of Polynesian surfing princesses, pioneering wave riders from the 1960s, and the contemporary movers and shakers shaping the scene. This book is an exciting reflection on what it means to be a female surfer and what it means to be moved to action by the beauty of the sea.

*The World in the Curl* Peter J. Westwick, Peter Neushul, 2013-07-23 Draws on decades

of experience and the popular team-taught courses at the University of California at Santa Barbara to trace the cultural, political, economic and environmental aspects of surfing while evaluating the diverse range of influences that have rendered the sport a billion-dollar worldwide industry.

**Surf Line that Mark where Waves of Thought Formed Crest and Broke Upon the Shore of a Wayfarer's Mind**, 1912

**Surfer Girls in the New World Order** Krista Comer, 2010-09-28 In *Surfer Girls in the New World Order*, Krista Comer explores surfing as a local and global subculture, looking at how the culture of surfing has affected and been affected by girls, from baby boomers to members of Generation Y. Her analysis encompasses the dynamics of international surf tourism in Sayulita, Mexico, where foreign women, mostly middle-class Americans, learn to ride the waves at a premier surf camp and local women work as manicurists, maids, waitresses, and store clerks in the burgeoning tourist economy. In recent years, surfistas, Mexican women and girl surfers, have been drawn to the Pacific coastal town's clean reef-breaking waves. Comer discusses a write-in candidate for mayor of San Diego, whose political activism grew out of surfing and a desire to protect the threatened ecosystems of surf spots; the owners of the girl-focused Paradise Surf Shop in Santa Cruz and Surf Diva in San Diego; and the observant Muslim woman who started a business in her Huntington Beach home, selling swimsuits that fully cover the body and head. Comer also examines the Roxy Girl series of novels sponsored by the surfwear company Quiksilver, the biography of the champion surfer Lisa Andersen, the Gidget novels and films, the movie *Blue Crush*, and the book *Surf Diva: A Girl's Guide to Getting Good Waves*. She develops the concept of "girl localism" to argue that the experience of fighting for waves and respect in male-majority surf breaks, along with advocating for the health and sustainable development of coastal towns and waterways, has politicized surfer girls around the world.

**Visions of Paradise** Wheeler Winston Dixon, 2006-02-16 Depictions of sex, violence, and crime abound in many of today's movies, sometimes making it seem that the idyllic life has vanished—even from our imaginations. But as shown in this unique book, paradise has not always been lost. For many years, depictions of heaven, earthly paradises, and utopias were common in popular films. Illustrated throughout with intriguing, rare stills and organized to provide historical context, *Visions of Paradise* surveys a huge array of films that have offered us glimpses of life free from strife, devoid of pain and privation, and full of harmony. In films such as *Moana*, *White Shadows in the South Seas*, *The Green Pastures*, *Heaven Can Wait*, *The Enchanted Forest*, *The Bishop's Wife*, *Carousel*, *Bikini Beach*, and *Elvira Madigan*, characters and the audience partake in a vision of personal freedom and safety—a zone of privilege and protection that transcends the demands of daily existence. Many of the films discussed are from the 1960s—perhaps the most edenic decade in contemporary cinema, when everything seemed possible and radical change was taken for granted. As Dixon makes clear, however, these films have not disappeared with the dreams of a generation; they continue to resonate today, offering a tonic to the darker visions that have replaced them.

**Wayward** Chris Burkard, 2022-02-01 Breathtaking photographs and deeply personal stories from a leading surfing and nature photographer, conservation advocate, and social media force *Wayward* is a collection of striking photographs and the revealing personal stories behind them by one of the leading surf, nature, and adventure photographers of our time. At remote beaches and locales in places like Russia, Norway, Iceland, and the Aleutian Islands, Chris Burkard suffered from hypothermia, destroyed thousands of

dollars' worth of camera gear, and spent a few nights in jail. But in the process, he captured amazing and iconic images that have defined his life's work. And while millions have seen his photographs in magazines, marketing campaigns for Patagonia, Sony, and others, and via his social media, Burkard has never given a full account of these journeys--until now. With never-before-seen images and the stories behind them, Burkard crafts an original narrative that combines the page-turning drama of a great explorer's adventure story and the immediacy and power of unforgettable photographs. Chronicling both the failures and the successes he has experienced in building a career, Burkard shares an infectious passion for photography, surfing, and chasing dreams in some of the world's most awe-inspiring places.
