Lingo Wave

Swedish Made Easy - Lower Beginner - Part 1 of 2 - Series 1 of 3 Lingo Wave,2019-06-01 We broke our new series on learning Swedish down into different learning stages. Start with the “Lower Beginner” books followed by the “Beginner” and “Upper Beginner” books. Next, progress to the “Intermediate” series, then test and reinforce your knowledge with the “Conversations” series. Our experienced educators and speakers possess the linguistic skills to help you understand and speak Swedish clearly. We are very proud to have developed a product that truly helps you learn Swedish quickly and easily, anytime and anywhere. This audiobook is divided into units. While it provides different learning patterns and accommodates various needs, this audiobook focuses on helping you improve your ability to understand, speak, and memorise Swedish. The sample will give you a taste of what you can look forward to. In Unit 1 you will hear Swedish decoded with each syllable spoken very slowly and clearly with repetition. Immediately before each sentence is spoken, you will hear the translation, so you will always understand what is being said. Unit 2 focuses solely on increasing your listening ability, which will improve your abilities to engage in dialogue with a native Swedish speaker. This chapter requires you to listen very carefully to nuances in the language. By Unit 3 you will already notice progress in your abilities to speak and understand Swedish. The spoken translation is followed by two repetitions in Swedish at a completely natural speed. While you are learning to process naturally spoken Swedish, Units 3 and 4 will help you memorise new vocabulary and full sentences. In Unit 5 you can test yourself on how much you have learned. If you are having difficulties, we suggest you revisit the listening, speaking, or memorisation section of Units 1, 2 3 or 4, according to what you need more help with. We developed our audiobooks to enable you to learn without an eBook. This gives you the opportunity to advance your Swedish language skills anywhere whether you’re on the go or waiting around. As the audiobook is neatly arranged into many sub-units, it is also very practical for educators to navigate and use in classrooms or any time sensitive learning environment. Topics covered in this book: - Greeting - Asking personal information - Asking about people or things - Talking about the current time and date - Talking about the location of things - Describing things - Likes and dislikes - Talking about abilities - Talking about appearance - Talking about personality - Talking about the weather - Talking about food - Talking about the house (rooms and furniture)

*Swedish Parallel Audio - Learn Swedish with 501 Random Phrases Using Parallel Audio* - Lingo Jump,2018-03-13 Let's TalkWe will have you speaking Swedish in no time! Lingo Jump's parallel audio language learning system makes it easy to learn languages at your leisure. Whether you're relaxing or on the go, our simple, clear, and fun audio lessons help you learn through imitation of our speakers. Immerse yourself in a new language with confidence—we're here to get you talking using phrases that you'll learn with ease through parallel audio. Listen and LearnParallel audio is the key to Lingo Jump's language-learning methodology. Through repetition of clearly pronounced words and phrases at a tempo that's easy to follow, you'll not only find it easier to understand and speak Swedish, you'll also improve your memory, boost your listening skills, and pick up the correct accent. Our speakers follow a specific speech pattern throughout the audiobook, making phrases predictable, and helping you understand words and phrases through context. We keep you solely focused on the language, without any distracting background music. Talk Like a LocalWe know that not everyone speaks in the same way. Dialects, tempos, and accents can vary among a country's regions, and even among quarters within a city. So when you start, you'll hear our audiobook narrators using different intonations of repeated phrases, slowing them down, speeding them up, and placing emphasis on different parts of the phrases. This helps accelerate your ability to understand and speak the language naturally. Fast, Effortless, and Fun!Lingo Jump's unique parallel audio language learning system combines repetition, different speeds, and predictable speech patterns. Simply listening to the repeated phrases helps you pick up languages by instinct, preparing your brain for a language's repeated patterns. It's like we're throwing a ball to you in the same way over and over so that soon you can catch it without thinking about it. Perfect for All LevelsLingo Jump is ideal to get beginners speaking a Swedish almost immediately. The parallel audio system also helps intermediate and advanced speakers achieve fluency in a new language. As you progress, the parallel audio system has you repeat phrases at their natural tempo, removing the slower versions. You can put your newly acquired listening and comprehension skills to the test in the final chapters, where you'll listen to the phrases without any parallel audio. This motivating feature helps you track your improvement, and gets you speaking Swedish with confidence. Swift Self-improvement We've designed the first two chapters so that they offer easy immersion. Our speakers break down each word into their distinct syllables and speak slowly. This helps you catch every nuance of the language, making it easier for you to improve your listening and speaking skills all by yourself. Learn AnywhereWe've specifically developed our language courses for audio learning, so you can complete other tasks while learning Swedish. You can learn while you are running, working out, walking, driving, or even when you are doing chores. Our parallel audio learning system teaches you wherever you are, without requiring a reference manual.

**Learn Swedish with Beginner Stories** Kees Van Den End, 2017-02-03 Best way to learn Swedish while reading Do you want to learn Swedish with real Swedish tales and stories? It's easy with Swedish and interlinear English. 130+ pages with every Swedish word translated so you can keep on reading. Because of the amount of text and the number of more difficult words this book is fine for more advanced readers as well. This book contains original Swedish Fairy Tales. We have added an interlinear translation to the Swedish text. This means that the meaning of every Swedish word is immediately accessible, which in turn will make it much easier for you to expand your Swedish vocabulary fast. How to learn Swedish fast and easy Use the HypLern method to learn to read Swedish with ease and expand your vocabulary fast. Re-read the texts to learn the high frequency words. This is a fast process because of the manually added word for word translation. Then mark and learn the more difficult words until you master those by re-reading their paragraphs. The repetition and the association of the story will help you memorize the words. If you bought one of our paperbacks and would like a pdf version of our book, just let us know and we'll provide you one! Also, mp3 audio is available for free as well, just contact us!
