This motivating feature helps you track your improvement, and gets you speaking Swedish with confidence. Swift Self-improvement We've designed the first two chapters so that they offer easy immersion. Our speakers break down each word into their distinct syllables and speak slowly. This helps you catch every nuance of the language, making it easier for you to improve your listening and speaking skills all by yourself. Learn Anywhere We've specifically developed our language courses for audio learning, so you can complete other tasks while learning Swedish. You can learn while you are running, working out, walking, driving, or even when you are doing chores.
