Sweet Talk Stephanie Vaughn, 2012-02-28 Stephanie Vaughn

is a writer's writer, one whose debut collection of stories, *Sweet Talk*, was published more than two decades ago to critical acclaim. Readers have come to these stories over the years through word of mouth, posting glowing reviews to their Goodreads pages and on their blogs—unanimously agreeing that this collection is a modern classic that deserves to be in print. Crafted in graceful, honest prose, Vaughn's stories go straight to the heart of how people live, grow and survive.

How to Sweet-Talk a Shark Bill Richardson, Kevin

Bleyer, 2013-10-15 Sharks are not evil. But they're single-minded and very, very hungry. On land, they take the form of bosses, businesspeople, colleagues, family, and sociopathic neighbors. In the world of former governor of New Mexico and US ambassador to the United Nations Bill Richardson, they have taken the form of the most powerful people in the world. He's engaged in high-stakes, face-to-face negotiations with Castro, Saddam, the Taliban, two generations of North Korean leadership, and many more of the world's most infamous dictators—and done it so well he was known as the Undersecretary of Thugs while with the Clinton

administration. Now the 5-time Nobel Peace Prize nominee tells these stories—from Washington, DC, to the Middle East to Pyongyang—in all their intense and sometimes absurd glory. How to Sweet-Talk a Shark is a rare, candid, and entertaining glimpse into an insider's world of high-stakes negotiation—showing Richardson's successes and failures in some of the world's least friendly places. Meanwhile, readers get frank lessons in the art of negotiation: how to prepare, how to size up your opponent, how to understand the nature of power in a standoff, how to give up only what is necessary while getting what you want, and many other strategies Richardson has mastered through at-the-table experience—and from working with other master negotiators like Presidents Obama and Clinton, and Nelson Mandela. These are takeaways that anyone can use to negotiate with the power brokers, dealmakers, and, yes, the hungry sharks in their own lives.

Sweet Talk Cara Bastone,2021-10-26 'Cara Bastone is one of the most talented writers in the romance genre today. With her signature blend of heart, humor, and honesty, Cara's books remind you that the best stories begin and end with hope' LYSSA KAY

ADAMS 'The thing I love most about Cara Bastone's books is her ability to find the romance in ordinary lives, the swoon in simple places . . . just normal folks falling in love. I ADORE it' [] [] [] []

reader review for Call Me Maybe The audio bestseller, available for the first time in ebook! True love is on the line in Audie Award nominee Cara Bastone's charming, laugh-out-loud rom-com, perfect for fans of Netflix's Love is Blind, Jo Watson, Lauren Layne and Hannah Orenstein!

..... It's
officially booty o'clock, I'm alone again in my kitchen choking down
a slice of terrible chocolate cake...and I'm pretty sure I just got

drunk texted by the man I have a ginormous crush on. I've been daydreaming about Eliot Hoffman's dimples for two months, and even though I'm sure this was a mistake on his end, it doesn't mean it's not an opportunity on mine. It's the middle of the night, and I just wanna talk to him. So I text him back. And then somehow we keep talking . . . ALL NIGHT. We're both insomniacs, so talking all night soon turns into talking EVERY night. And talking about nothing soon turns into talking about something. And here we go from in-depth analysis of reality TV to my relationship with my family, to his amazing artwork. There's no topic we don't cover . . . Except for who I really am. It's the only question of his I won't answer. As my crush turns into an avalanche of Eliot, I think of him all the time now. But if he knew who I was, the entire house of cards we've built this relationship on would come toppling down. I want him to be mine, but we might never be more than just a sweet dream . . .

..... Look out for more Love Lines from Cara Bastone - Call Me Maybe - out now! Readers LOVE it! 'An adorable and thoroughly enjoyable read . . . I didn't want it to end' 'This is a short, sweet romance that I really enjoyed. Both Cal and Vera were great characters and I

loved how this book starts with their conversation which was so much fun to read! . . . I was rooting for them so much' 'I love the concept of this book . . . I felt it captured it perfectly in ebook form. I've never read anything like it and for that I loved it!' 'A short fun read. I loved both of the main characters . . . Looking forward to reading more from this author'

Sweet Talk Susan Mallery, 2018-08-13 A fan favorite from the #1 New York Times–bestselling author of *Sweet Spot* and *Sweet Trouble*: “Smart, sexy romance doesn’t get any better than this.” —Debbie Macomber Is there anything sweeter than first love? Don’t ask Claire Keyes. The twenty-eight-year-old piano prodigy has never had a regular boyfriend, much less a real romance. Her music career has left little room for friends or family—which is just part of the reason she hasn’t seen the family bakery or her two sisters in years. But now Nicole is sick, and Jesse is AWOL. Despite the fact that Claire can’t boil water, she’s determined to play caretaker. Connecting with her sisters tops her to-do list . . . along with falling in love, or at least in lust, for the first time. Ruggedly sexy Wyatt just might fit the bill. Although he keeps saying that he and Claire come from entirely different worlds, he lights up hotter than a bakery oven whenever Claire is near. If this keeps up, she just might sweet-talk him into her bed . . . and her life. “One of those stories you don’t want to end. It has plenty of laugh-out-loud moments and just the right amount of lump-in-your-

throat moments . . . This is the first of the Bakery Sisters trilogy, and will be a hard act to follow.” —Fresh Fiction “Romantic, daring, and hopeful . . . Sweet Talk is definitely a winner.” —Single Titles “Susan Mallery has whipped up a cast of fun, eccentric characters who will keep readers turning the pages.” —Romance Reviews Today

Sweet Talk J. P. Singh, 2017-01-11 Developed nations strive to create the impression that their hearts and pockets bleed for the developing world. Yet, the global North continues to offer unfavorable trade terms to the global South. Truly fair trade would make reciprocal concessions to developing countries while allowing them to better their own positions. However, five hundred years of colonial racism and post-colonial paternalism have undermined trade negotiations. While urging developing countries to participate in trade, the North offers empty deals to partners that it regards as unequal. Using a mixed-methods approach, J. P. Singh exposes the actual position beneath the North's image of benevolence and empathy: either join in the type of trade that developed countries offer, or be cast aside as obstreperous and unwilling. Through case studies, Singh reveals how the global North ultimately bars developing nations from flourishing. His findings chart a path

forward, showing that developing nations can garner favorable concessions by drawing on unique strengths and through collective advocacy. Sweet Talk offers a provocative rethinking of how far our international relations have come and how far we still have to go.

Slow Medicine Victoria Sweet, 2017-10-17 Wonderful...

Physicians would do well to learn this most important lesson about caring for patients. —The New York Times Book Review Over the years that Victoria Sweet has been a physician, “healthcare” has replaced medicine, “providers” look at their laptops more than at their patients, and costs keep soaring, all in the ruthless pursuit of efficiency. Yet the remedy that economists and policy makers continue to miss is also miraculously simple. Good medicine takes more than amazing technology; it takes time—time to respond to bodies as well as data, time to arrive at the right diagnosis and the right treatment. Sweet knows this because she has learned and lived it over the course of her remarkable career. Here she relates unforgettable stories of the teachers, doctors, nurses, and patients through whom she discovered the practice of Slow Medicine, in which she has been both pioneer and inspiration. Medicine, she helps us to see, is a craft and an art as well as a science. It is relational, personal, even spiritual. To do it well requires a hard-won wisdom that no algorithm can replace—that brings together “fast” and “slow” in a truly effective, efficient, sustainable, and humane way of healing.

The good looks just come natural. *Winks* Thanks, Mom and Dad. I'm Danny

Weston, Supermodel. But one path was traded for another when I chose this career. Ten years later, I would trade my career to have it back. To have her back. Reese Carmichael is the one woman I would give it all up for, and the only one I can't have. Yet.
