Mason Jar Nation JoAnn Moser, 2016-05-02 Learn how to make over fifty Mason jar projects, including luminaries, planters, and upcycled art, with this amazing guide. *Mason Jar Nation* begins by exploring the Mason jar's impact on America since its 1858 patent. Prior to the jar's invention, settlers had no reliable and safe way to store food for the winter, which required them to travel great lengths in difficult conditions and obtain expensive canned goods in order to survive. With its hermetically sealable two-piece lid and thick glass sides, the Mason jar changed the way mid-nineteenth century Americans fed their families. Although the popularity of the jars ebbed significantly from the 1950s until the turn of the century, interest in them has exploded in the past few years. Ball, the biggest brand name in Mason jars today, has seen its sales double since 2001. Younger generations, including Millennials, have adopted the iconic jars as emblems of a more sustainable time. The humble Mason jar has been discovered as a versatile and beautiful material for creating craft items such as chandeliers, luminaries, planters, containers, and upcycled art. The second half of *Mason Jar Nation* features over fifty of these adaptations, shown with clear photography, all designed and photographed by author JoAnn Moser, the DIY Maven. Readers who appreciate American cultural history, making fun and affordable crafts, and Mason jars themselves will love this book.

Lost and Wanted Nell Freudenberger, 2020-03-31 NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: VOGUE • FRESH AIR As a professor of physics at MIT, Helen Clapp disdains notions of the supernatural in favor of rational thought and proven ideas. So it's perhaps especially vexing when, on an otherwise unremarkable Wednesday in June, she gets a phone call from a friend who has just died. That friend was Charlotte Boyce, Helen's roommate at Harvard. The two women once confided in each other about everything: Helen's struggles as a young woman in science, Charlie's as a black screenwriter in Hollywood, their shared challenges as parents. But as the years passed, they gradually grew apart. And now Charlie is permanently, tragically gone. Drawn back into her friend's orbit, Helen is forced to question the laws of the universe that have always steadied her mind and heart. Suspenseful, perceptive, deeply affecting, *Lost and Wanted* is a story of friends and lovers, lost and found, at the most defining moments of their lives.

Life in the Studio Frances Palmer, 2020-10-06 "Roll-up-your-sleeves advice on throwing pottery, growing dahlias, cooking her tried-and-true recipes, and everything in between." —Martha Stewart Living "Suited to any type of creative, offering up lessons on inspiration and creativity that are sure to bring out your inner talent." —House Beautiful, Best New Design Books What makes a creative life? For an artist like Frances Palmer, it's knitting all of one's passions—all of one's creativity—into the whole of life. And what an inspiration it is. A renowned potter, an entrepreneur, a gardener, a photographer, a cook, a beekeeper, Palmer has over the course of three decades caught the attention not only of the countless people who collect and use her ceramics but also of designers and design lovers, writers, and fellow artists who marvel at her example. Now, in her first book, she finally tells her story, in her own words and images, distilling from her experiences lessons that will inspire a new generation of makers and entrepreneurs. *Life in the Studio* is as beautiful and unexpected as Palmer's pottery, as breathtakingly colorful as her celebrated dahlias, as intimate as the dinners she hosts in her studio for friends and family. There are insights into making pots—the importance of centering, the discovery that clay has a memory. Strategies for how to turn a passion into a business—the value to be found in collaboration, what it means to persevere, how to develop and stick to a routine that will sustain both enthusiasm and productivity. There are also step-by-step instructions (for throwing her beloved Sabine pot, growing dahlias, building an opulent flower arrangement). Even some of her most tried-and-true recipes. The result is a portrait of a unique artist and a singularly generous manual on how to live a creative life.

Buyology Martin Lindstrom, 2010-02-02 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—*Time* How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Franny and Zooey J. D. Salinger, 2019-08-13 Perhaps the best book by the foremost stylist of his generation (*New York Times*), J. D. Salinger's *Franny and Zooey* collects two works of fiction about the Glass family originally published in *The New Yorker*. Everything everybody does is so--I don't know--not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and--sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way. A novel in two halves, *Franny and Zooey* brilliantly captures the emotional strains and traumas of entering adulthood. It is a gleaming example of the wit, precision, and poignancy that have made J. D. Salinger one of America's most beloved writers.

Modern Classic Cocktails Robert Simonson, 2022-10-04 60+ recipes for today's modern classics with entertaining backstories from the cocktail revival of the past thirty years, by a two-time James Beard Award nominee and *New York Times* cocktail and spirits writer. "No proper drinking library is complete without Robert Simonson's volumes, and *Modern Classic Cocktails* is one of the best yet." —Adam Platt, *New York* magazine restaurant critic and author of *The Book of Eating* One of the greatest dividends of the revival in cocktail culture that began in the 1990s has been the relentless innovation. More new cocktails—and good ones—have been invented in the past thirty years than during any period since the first golden age of cocktails, which lasted from roughly the 1870s until the arrival of Prohibition in 1920 and included the birth of the Martini, Manhattan, Daiquiri, and Tom Collins. Just as that first bar-world zenith produced a half-century of classic recipes before Prohibition, the eruption of talent over the past three decades has handily delivered its share of drinks that have found favor with arbiters on both sides of the bar. Among them are the Espresso Martini, White Negroni, Death Flip, Old Cuban, Paper Plane, Siesta, and many more, all included here along with each drink's recipe origin story. What elevates a modern cocktail into the echelon of a modern classic? A host of reasons, all delineated by Simonson in these pages. But, above all, a modern classic cocktail must be popular. People have to order it, not just during its initial heyday, but for years afterward. Tommy's Margarita, invented in the 1990s, is still beloved, and the Porn Star Martini is the most popular cocktail in the United Kingdom, twenty years after its creation. This book includes more than sixty easy-to-make drinks that all earned their stripes as modern classics years ago. Sprinkled among them are also a handful of critics' choices, potential classics that have the goods to become popular go-to cocktails in the future.
