**Quick & Easy Medical Terminology - E-Book** Peggy C. Leonard, 2014-03-12 Make learning medical terminology faster and more fun with Quick & Easy Medical Terminology, 6th Edition! Featuring CDs with interactive games and audio pronunciations, this book helps you begin reading, writing, and speaking medical terms in the shortest time possible. Small chunks of information are always followed immediately by exercises, so students will be learning every minute! The many puzzles, activities, and games make it easier to understand and remember terminology. Written in a clear, conversational style by Peggy C. Leonard, MT, MEd, this book gives you the tools to communicate effectively in the health care environment. A companion CD reinforces learning with fun, interactive exercises, including medical reports and Hear It/Spell It exercises. Two audio CDs let you listen to correct pronunciations of medical terms and encourage you to pronounce each term aloud. A flexible, body systems organization lets you go through the material in any order after completing the orientation chapters, making it easy to coordinate your study with other courses such as anatomy and physiology. The programmed learning approach presents content in small blocks called 'frames' that allow you to learn the content and get immediate feedback on your progress before proceeding. Diverse learning styles are accommodated by a wide variety of exercises -- labeling diagrams, writing terms, choosing pronunciation accents, recognizing misspelled terms, matching word parts, interpreting terms within health reports, and categorizing terms. Unique! A conversational writing style makes the book more readable and enjoyable. Unique! Thorough explanations of terms help you understand and remember the material by presenting terminology in a medical context. A consistent format to body systems chapters uses categories to simplify the learning of terms, with each chapter including function; structure; diseases, disorders, and diagnostic terms; and surgical and therapeutic interventions. Healthcare reports and case studies allow you to apply your knowledge to real-life situations. A review of anatomy and physiology at the beginning of each body systems chapter provides a context for understanding the medical terminology. Drug information is integrated into the body systems chapters, with detailed information on specific drugs on CD. Caution boxes alert you to confusing terms. Spanish translations of key terms are listed in each chapter to help you communicate with Hispanic patients; glossaries are included in the appendix. Comprehensive end-of-chapter reviews correspond to the learning objectives at the beginning of the chapter. A bookmark includes a quick-reference guide to pronouncing terms plus a list of pronunciation symbols. A companion Evolve website includes study tips, electronic flashcards, Body Spectrum coloring pages, an English/Spanish

glossary, learning activities that include Spanish term exercises, updates, and links to related sites.

**Medical Terminology in a Flash** Sharon Eagle,2006 Provides students with a foundation of knowledge they can build on as they pursue a career in healthcare. This work is written in a user-friendly style.

Understanding Anatomy & Physiology Gale Sloan Thompson,2019-10-02 How do you learn A&P best? Whatever your learning style...by reading, listening, or doing, or a little bit of each...the 3rd Edition of this new approach to anatomy & physiology is designed just for you. Tackle a tough subject in bite-sized pieces. A seemingly huge volume of information is organized into manageable sections to make complex concepts easy to understand and remember. You begin with an overview of the body, including its chemical and cellular structures, then progress to one-of-a-kind portrayals of each body system, grouped by function. Full-color illustrations, figures, sidebars, helpful hints, and easy-to-read descriptions make information crystal clear. Each unique page spread provides an entire unit of understanding, breaking down complex concepts into easy-to-grasp sections for today's learner.
