*Tagged Steel* M. J. Fields, 2019-07-13 Living by my father's rules has never been easy. Who does he think he is anyway? Jase Steel has broken every rule he tries to make me live by. The Four Ds: No Dating (Thanks to Carly and Momma Joe, that was nixed at sixteen.) No Drinking (Shots of Jack at prom.) No Drugs (College frat party and a bear-shaped bong named Smokey.) The last one though, that last D, ruined my virgin skin, my relationship with my father, and changed my whole life. No Decorating! I should have listened to him ... but I didn't. Tag -- I'm it.

**True Love Dates** Debra K. Fileta, 2013-10-08 It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to kiss dating goodbye but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, [Truelovedates.com](http://Truelovedates.com), and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

*Tagged: A Blue Collar Bad Boys Christmas* Brill Harper, 2017-10-17 My name is Sergeant Charlie Warner. Or it

was. I'm a retiring soldier, just got out, with no family of my own, and I reluctantly agreed to spend the holidays in picturesque Maple Grove to transition to life after the Army. I'm a drifter now and have no business getting involved with my buddy's family—especially with his sweet little sister who pretends she's frumpy and boring to ward off attention from men. Men like me. I have no plans for Emily other than being an extra brother for a week. That's what I tell myself. I really should let her be, but the harder she tries to hide, the more determined I am to seek. Under those baggy clothes and plain, simple looks is a woman who deserves to know how desirable she is. She thinks I can have any woman I want. And I want her. Author's Confession: You must know by now that I love my tropes, right? Military romance, older man/younger woman, opposites attracting like whoa, small town, older brother's best friend, ugly duckling who's really a swan (though an introverted swan), holiday romance complete with snow, Santa suits, and caroling during a fight scene. Oh, and pudding. Let's get figgy with it.

**Handbook of Research on Emerging Trends and Technologies in Librarianship** Ekoja, Innocent Isa, Ogbomo, Esoswo Francisca, Okuonghae, Omorodion, 2022-01-07 A fundamental dynamism of the library is its continuous adoption of trending technologies and innovations for enhanced service delivery. To meet the needs of library users in the Fourth Industrial Revolution, an era characterized by digital revolution, knowledge economy, globalization, and information explosion, libraries have embraced innovations and novel technologies such as artificial intelligence, blockchain, social mediation tools, and the internet of things (IoT). The Handbook of Research on Emerging Trends and Technologies in Librarianship documents current research findings and theoretical studies focused on

innovations and technologies used in contemporary libraries. This book provides relevant models, theoretical frameworks, the latest empirical research findings, and sound theoretical research regarding the use of novel technologies in libraries. Covering topics such as digital competitive advantage, smart governance, and social media, this book is an excellent resource for librarians, archivists, library associations and committees, researchers, academicians, students, faculty of higher education, computer scientists, programmers, and professionals.

Marketing of High-technology Products and Innovations Jakki J. Mohr, Sanjit Sengupta, Stanley F. Slater, 2010 This title provides a thorough overview of the issues high-tech marketers must address, and provides a balance between conceptual discussions and examples; small and big business; products and services; and consumer and business-to-business marketing contexts.

**Love Without A Price Tag** Moushumi Kumari , The “Love Without A Price Tag” is a romance genre book. It is a story about a medical student and a literature student who had to see many up’s and downs in their life to be together. The life had made them chose many difficult questions such as career or love, family or friends and so. It’s a story about a love which does not come a price tag and it’s priceless.

Tag, You're Dead Kathryn Foxfield, 2023-12-05 From the bestselling author of *Come Out, Come Out, Whatever You Are* and *Good Girls Die First* comes an entertaining new thriller filled with knife-edged tension, twists you won't see coming, and contestants who will do anything to win—even something deadly. When teen social media influencer Anton Frazer stages a live-streamed, citywide game of Tag where the prize is to become one of his live-in personal assistants, his fans go wild. Outfitted with body cams, GPS trackers, and pressure sensors to keep tally of who's disqualified, contestants are split into Chasers and Runners then

let lose into the night-covered urban jungle to hunt each other down. While the whole world watches. Four contestants, however, have alternative motives for joining the game, secret reasons to want to win despite the risk: money, obsession, fame...and revenge. One of them will stop at nothing to be the victor at the end of this adrenaline- and fear-fueled night. Praise for COME OUT, COME OUT, WHATEVER YOU ARE Mystery-loving readers will keep turning the pages to uncover the characters' secrets and learn the truth...A fun read for readers who prefer mild suspense and enjoy reality TV settings. — Kirkus Reviews Praise for GOOD GIRLS DIE FIRST Foxfield's focus on social niches and escalating suspense will appeal to fans of Karen McManus. —Publishers Weekly This gothic-inspired thriller with nods to Agatha Christie and Daphne du Maurier will keep readers on the edge of their seats and turning pages as quickly as they can. It is immersing, puzzling, and unpredictable, with a surprise ending that's sure to have teens talking. —School Library Journal Undeniably creepy from the start... With a macabre escape and a surprising amount of heart, this will leave readers feeling oddly optimistic and perhaps a little kinder to themselves... —The Bulletin of the Center for Children's Books, STARRED Review . . . the most gripping thriller of the year; hugely entertaining, high-octane and read-in-a-single-sitting. —ReadingZone

*Tag Man* Archer Mayor, 2011-09-27 Archer Mayor's Vermont police procedurals are the best thing going... --New York Times Book Review Across Brattleboro, Vermont, rich people (some with dark secrets) are waking up in their high security, alarm-equipped homes to find a Post-it note stuck to their bedside tables reading, You're it. There is little sign of disturbance anywhere, nothing stolen (that anyone admits,) and only a bit of expensive food eaten as a signature. The Press loves the story and dubs the burglar the Tag Man. But who is he? And what's he actually doing? In fact, he's quickly running for his life, for what he discovers in one of these houses appears to be proof of a heinous

string of murders. But is it? Joe Gunther, struggling to recover from a devastating personal loss, leads his VBI team to untangle the many conflicting pieces of evidence, while the burglar himself struggles for survival in the no-man's-land between the police and the villains. With no one knowing what to believe, or who to trust, with Tag Man running for his life in a way he never imagined possible, as no one knows who's watching as they sleep, or who truly did what, the Tag Man is critically acclaimed author Archer Mayor at his very finest.

Global Water Dynamics Emanuel Mazon, 2004-03-18 All that makes this planet special is largely attributable to liquid water. Water in one form or another is found all over our planet, even encountered at depths of thousands of meters within the rocky crust. With a history of around four billion years, water has been around since the early days of Earth. Its presence in large amounts is unique to

*How to Hack a Heartbreak* Kristin Rockaway, 2019-07-30 "Smart, fun, fast-paced. . . seamlessly blends the trials of modern dating with the challenges of being a woman in a male-dominated workplace." —Helen Hoang, New York Times--bestselling author Swipe right for love. Swipe left for

disaster. By day, Mel Strickland is an underemployed helpdesk tech at a startup incubator, Hatch, where she helps entitled brogrammers—"Hatchlings"—who can't even fix their own laptops, but are apparently the next wave of startup geniuses. And by night, she goes on bad dates with misbehaving dudes she's matched with on the ubiquitous dating app, Fluttr. But after one dick pic too many, Mel has had it. Using her brilliant coding skills, she designs an app of her own, one that allows users to log harassers and abusers in online dating space. It's called JerkAlert, and it goes viral overnight. Mel is suddenly in way over her head. Worse still, her almost-boyfriend, the dreamy Alex Hernandez—the only non-douchey guy at Hatch—has no idea she's the brains behind the app. Soon, Mel is faced with a terrible choice: one that could destroy her career, love life, and friendships, or change her life forever. "Revenge is a dish best served digitally in Kristin Rockaway's book capturing what it's like to pursue ambition and love in New York City." —Sally Thorne, USA Today-best-selling author "As sexy as it is topical." —Booklist "Rockaway delivers a sharp and funny tale of female empowerment with a side order of romance." —Publishers Weekly

Batting Cleanup (Tag & Skye Part 3) MJ Compton, 2023-08-24

Baseball may be the only place in life where a sacrifice is really appreciated, but catcher Tag Gentry never expected Skye Schuyler to risk everything for him. A reporter's lies have ruined Skye's reputation, yet she refuses to reveal the truth about Tag's career-ending injuries. She loves him too much to betray his secret. The best thing she can do for him is leave the game. Easier said than done. Tag didn't earn his Gold Glove by letting pitchers shake him off, and the now-elusive Skye is no different. Except someone is out to destroy her and the only way to stop them is to expose his vulnerabilities to the world. But will his confession come too late? (Originally published as MASK OF THE QUEEN)

*Lies My Memory Told Me* Sacha Wunsch, 2021-10-19 From

the thrilling voice of Sacha Wunsch comes a heart-stopping psychological mystery in a world where memories can be shared—and one girl can't trust any of them. Enhanced Memory changed everything. By sharing someone else's memory, you can experience anything and everything with no risk at all: learn any skill instantly, travel the world from home, and safeguard all your most treasured secrets forever. Nova's parents invented this technology, and it's slowly taking over their lives. Nova doesn't mind—mostly. She knows Enhanced Memory is a gift. But Kade says Nova doesn't know the costs of this technology that's taken the world by storm. Kade runs a secret vlog cataloging real experiences, is always on the move, and is strangely afraid of Nova—even though she feels more comfortable with him than she ever has with anyone. Suddenly there are things Nova can't stop noticing: the way her parents don't meet her eyes anymore, the questions no one wants her to ask, and the relentless feeling that there's something she's forgotten...

**Tag, We're It** Elizabeth Hayley, 2021-09-21 The fun and games continue... Taylor and Ransom have been through a lot together—a back-alley beatdown, a fiasco of a family reunion, the wrong funeral...most of the states on the East Coast. They didn't think there was much more they'd need to overcome, but life has a funny way of throwing obstacles at them. Taylor's past won't let her go at the same time Ransom's past turns to him for help, and a collision course is inevitable. But it's time to deal with everything once and for all. They'll need to decide what they're willing to sacrifice, what they can live with, and, ultimately, what they hold dearest. When the dust finally settles, will Ransom and Taylor have reached the bitter end, or can they build off this rocky foundation toward a future together?
