When Natsumi's family practices for their town's Japanese arts festival, Natsumi tries everything. But her stirring is way too vigorous for the tea ceremony, her dancing is just too imaginative, and flower arranging doesn't go any better. Can she find just the right way to put her exuberance to good use? This heartwarming tale about being true to yourself is perfect for readers who march to their own beat.

Learn more at www.luminosoa.org. **Louder and Faster** is a cultural study of the phenomenon of Asian American taiko, the thundering, athletic drumming tradition that originated in Japan. Immersed in the taiko scene for twenty years, Deborah Wong has witnessed cultural and demographic changes and the exponential growth and expansion of taiko particularly in Southern California. Through her participatory ethnographic work, she reveals a complicated story embedded in memories of Japanese American internment and legacies of imperialism, Asian American identity and politics, a desire to be seen and heard, and the intersection of culture and global capitalism. Exploring the materialities of the drums, costumes, and bodies that make sound, analyzing the relationship of these to capitalist multiculturalism, and investigating the gender politics of taiko, **Louder and Faster** considers both the promises and pitfalls of music and performance as an antiracist practice. The result is a vivid glimpse of an Asian American presence that is both loud and

fragile.

The Golden Sherpa Matthew Krajewski, 2014-02 In *The Golden Sherpa: Ascending into Magical Spirituality*, Matthew Krajewski invites spiritual seekers to follow him through a rainbow of heart-based spiritual practices. While one may explore diverse mystical practices, we can all sometimes doubt our authenticity, and need some user feedback to assure us we are cultivating our own special, divine light. Building on ideas from his first book, *Modern Magic: Reclaiming Your Magical Heritage*, his follow-up book, *The Golden Sherpa*, details how it truly feels to experience spiritual energy. By teaching ourselves new ways to think by way of the heart, *The Golden Sherpa* articulates biological, spiritual energy as our true nature, details the light and shadow of energy, as well as ways to passively and actively experience energy. Matthew Krajewski left a successful career in Silicon Valley to embrace being a spiritual writer and teacher, and he uses this journey to explore the struggles and joy we all experience when following our hearts. By following *The Golden Sherpa* everyone can better understand energetic reality, explore their own magic, and ascend to new heights of integrated living.

Sounding Our Way Home Susan Miyo Asai, 2024-01-18 A product of twenty-five years of archival and primary research, *Sounding Our Way Home: Japanese American Musicking and the Politics of Identity* narrates the efforts of three generations of Japanese Americans to reach "home" through musicking. Using ethnomusicology as a lens, Susan Miyo Asai examines the musical choices of a population that, historically, is considered outside the racial and ethnic boundaries of American citizenship. Emphasizing the notion of national identity and belonging, the volume provokes a discussion about the challenges of nation-

building in a democratic society. Asai addresses the politics of music, interrogating the ways musicking functions as a performance of social, cultural, and political identification for Japanese Americans in the United States. Musicking is an inherently political act at the intersection of music, identity, and politics, particularly if it involves expressing one's ethnicity and/or race. Asai further investigates how Japanese American ethnic identification and cultural practices relate to national belonging. Musicking cultivates a narrative of a shared history and aesthetic between performers and listeners. The discourse situates not only Japanese Americans, but all Asians into the Black/white binary of race relations in the United States. *Sounding Our Way Home* contributes to the ongoing struggle for acceptance and equal representation for people of color in the US. A history of Japanese American musicking across three generations, the book unveils the social and political discrimination that nonwhite immigrants and their offspring continue to face when it comes to finding acceptance in US society and culture.

Twelve Drummers Drumming C. C. Benison, 2011-10-25 Father Tom Christmas moves to the picturesque English hamlet of Thornford Regis to become its new vicar and to seek a peaceful haven. But inside the empty village hall, the huge Japanese o-daiko drum that's featured in the May Fayre festivities has been viciously sliced open—and curled up inside is the bludgeoned body of Sybella Parry, the daughter of the choir director. Realizing this village is not the refuge he'd hoped for, Father Tom comes to a disturbing conclusion: Sybella's killer must be one of his parishioners. No one is above suspicion—not Sebastian John, the deeply reserved verger, nor Mitsuko Drewe, a local artist, nor Colonel Northmore, survivor of a World War II prison camp. And over all hangs the long-unsolved mystery of a sudden disappearance, one that brought Father Tom to this picture-perfect place to live—or die. BONUS: This edition includes an excerpt from C. C. Benison's *Eleven Pipers Piping*.
